Stabnow, 2016-05-01 churchfails is a collection of 100 articles describing people who claim to be Christians doing foolish things Each article will include a picture of the subject From the Introduction Groucho Marx once said I refuse to join any club that would have me as a member If Christianity is a club it has featured innumerable inglorious members As abashed affiliates of said club what can we do We can try to deny our past and present peccadilloes but covering up a crime is like poking a polecat it s worse in the end So we can rant and rave or we can laugh and learn This book settles on the second strategy *Dire* Courtney Lynn Rose, 2019-03-17 She was his whether she knew it or not she always had been Callahan Dire O Shea Carrigan Adair is more than just an Emerald Isle MC princess She s also my absolute best friend and I ve been in love with her for years Nothing has ever happened between us though not even so much as a kiss and I doubt it ever will The last thing I want to do is take any chance that might ruin my friendship with her She s my solace my center No matter what happens with my life or the club I know I can come back to Carrigan and everything calms down I always thought I d be okay when she finally got into a serious relationship that I d be happy for her But jealousy is something I m not used to and it turns me into a force to be reckoned with When Carrigan is around she seems happy with her new relationship until the night she comes in with bruises and a busted face Turns out she s been hiding a hell of a lot from me and now it s time she fesses up Her boyfriend may think he s untouchable because his crime family has his back Yeah well he hasn t seen what family can do out of revenge but he s about to I don t care how hard he tries to run and hide I m taking Carrigan back and making her mine and then I m taking his life for putting a hand on her
