Shapers Of The Great Debate On Immigration A Biographical Dictionary:

Shapers of the Great Debate on Immigration Mary E. Brown, 1999-01-30 Natives and immigrants men and women people from all regions races religions and walks of life have brought varying perspectives to the long running debate on immigration Drawing from a large cast of characters from Thomas Jefferson Booker T Washington and Cesar Chavez to Jane Addams Henry Ford and Patrick McCarran this book introduces students to people who have contributed to U S immigration policy from the Revolution to the present Showing how each person s opinion drew from personal experience and thus added a new dimension to the debate the book encompasses such issues as immigration and economics partisan politics culture public opinion and ethics Arguments for and against immigration culture economics foreign policy race recur repeatedly throughout U S history Individuals assign them priority at specific times The vignettes in the book put a human face on immigration policy and on abstract concepts such as labor markets The book shows how individuals made difficult and sometimes contradictory decisions on this controversial issue

Shapers of the Great Debate at the Constitutional Convention of 1787 Joseph Morton, 2005-12-30 As the oldest still operational written constitution in the world the U S Constitution and the concepts it proclaims have been under almost constant attack since its inception At a convention in 1787 fifty five delegates assembled in Philadelphia to revise and amend the Articles of Confederation only to emerge sixteen weeks later with a new document the U S Constitution The convention was filled with constant debate over how much power should be given to government and how should this power be allocated state rights v nationalists small states v large states political conservatives v political liberals and slave owners v non slave owners Fifty five biographies one for each delegate are presented Biographies include such notable individuals as Benjamin Franklin Alexander Hamilton George Washington Luther Martin and James Madison An introductory essay appendices including the Articles of Confederation and the United States Constitution and an annotated bibliography are also included The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individual s involved in a particular debate through major and minor biographies

Shapers of the Great Debate on Conservation Rachel W. White, 2004-09-30 Through biographical examinations of some of the key figures in the debate on conservation this book seeks to explore a range of subjects such as the evolution of the conservation movement its implications for policy makers and how it impacts the daily lives of people everywhere The varying approaches taken by these individuals will serve to emphasize that there are many definitions of conservation and that many viewpoints are valid Detailed observations of important figures on both sides of the debate including some of the most famous and familiar and some less so provide readers with the knowledge they need to form their own opinions on this topic Major biographies include individuals such as Rachel Carson Dixy Lee Ray John Muir and James Watt An introductory essay an appendix of shorter entries on additional figures and a bibliography are also

included Shapers of the Great Debate on the Civil War Dan Monroe, Bruce Tap, 2005-07-30 With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included Each biography provides a concise account of the subject's life followed by an analysis of the figure's role and contribution to the central issues of the day and concludes with a bibliography of secondary and primary sources available to students An appendix of over 180 additional biographies highlights the lives of others who played a role in the debates of the Civil War *Shapers of the Great Debate on the Freedom of Religion* Jonathan A. Wright, 2005-08-30 The First Amendment is categorical and concise on religion and the state Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof Nevertheless these few words have caused much confusion and controversy for successive generations The debate over religious freedom has often come to the forefront during American history Since colonial times Americans have debated how to interpret and apply the First Amendment Through biographical histories of individuals involved in the freedom of religion debates readers will discover how individuals' thoughts beliefs and actions affected how the religion clauses are viewed today and throughout American history Topics such as prayer in schools religious symbols exemption from military duty and the pledge of allegiance are addressed Individuals such as Anne Hutchinson Jerry Falwell Ralph Waldo Emerson Joseph Franklin Rutherford and Roger Williams are included An introductory essay an appendix of shorter entries on additional figures and a bibliography are also included *Shapers of the Great Debate on Women's Rights* Joyce D. Duncan, 2008-10-30 The three waves of feminism are

explored through the lives of the women who made history in bringing women's issues to the forefront of American society. Many early feminists supported not only women's rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves. They continued to work towards women's suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage. However, women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later. It was women's fundamental need for independence and an identity of their own separate from that of men which thrust the women's movement forward and continues to propel it today. Many notable women such as Susan B. Anthony, Elizabeth Cady Stanton, Billie Jean King, Betty Friedan, Helen Gurley Brown, Jane Fonda, and Sandra Day O'Connor are included in this history of the women's movement in America. The biographical entries cite works for further reading and the volume closes with a bibliography. The *Shapers of the Great Debate* series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves. Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies.

Shapers of the Great Debate on Jacksonian Democracy Paul E. Doutrich, 2004-03-30. The successful conclusion of the War of 1812 ushered in a new age of American history: the Jacksonian era. This book explores the background, motives, and goals of political and social leaders who dominated this era. Divided into three categories: Whigs, Democrats, and Writers and Reformers, biographies of Henry Clay, Ralph Waldo Emerson, James Knox Polk, Andrew Jackson, and others are included. Debates over such issues as westward expansion, the Second Bank of the United States, Indian policies, and slavery are discussed from opposing viewpoints. Americans of the Jacksonian era upheld traditions and values of their forefathers while also embracing the unlimited opportunity of the future. During this era, profound political divisions emerged within the nation with the core debate focused on the extent of the federal government's power. Americans debated such issues as the degree to which the federal government could compel states to implement federal legislation, administer expansion policy, regulate trade, and manage the economy. Interwoven within these debates were questions about the legitimacy of slavery. This book explores the background, motives, and goals of political and social leaders who dominated this era. Debates over such issues as westward expansion, the Second Bank of the United States, Indian policies, and slavery are discussed from opposing viewpoints. Students and general readers will find this reference tool useful in describing the lives and views of individuals who directed the course of the nation during the Jacksonian era.

Shapers of the Great Debate on Immigration Mary E. Brown, 1999-01-30. Natives and immigrants, men and women, people from all regions, races, religions, and walks of life have brought varying perspectives to the long-running debate on immigration. Drawing from a large cast of characters from Thomas Jefferson, Booker T. Washington, and Cesar Chavez to Jane Addams, Henry Ford, and Patrick McCarran, this book introduces students to people who have contributed to U.S. immigration policy from the Revolution to the present. Showing how each person's opinion drew from personal experience and thus added

a new dimension to the debate the book encompasses such issues as immigration and economics partisan politics culture public opinion and ethics Arguments for and against immigration culture economics foreign policy race recur repeatedly throughout U S history Individuals assign them priority at specific times The vignettes in the book put a human face on immigration policy and on abstract concepts such as labor markets The book shows how individuals made difficult and sometimes contradictory decisions on this controversial issue Shapers of the Great Debate on the Great Society Lawson Bowling,2005-02-28 Introduces students to the individuals who participated in the debates during Lyndon Johnson s Great Society in 1960s America Encyclopedia of North American Immigration John Powell,2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more Immigration Thomas Cieslik,David Felsen,Akis Kalaitzidis,2008-11-30 The uncomfortable contemporary realities of immigration enmeshed as they are in economic human rights and national security issues have once again propelled foreign immigration to the United States toward the top of the list of U S domestic policy concerns Three respected authorities on immigration and international affairs here present a carefully calibrated history of U S immigration in primary source documents tracing the roots of the current debate in the history of our profoundly divided and surprisingly cyclical response to foreign immigration This book documents this national ambivalence identifying the major waves of immigration and clarifying the ways in which the existing social and political fabric conditioned both the response to the newcomers and their prospects of eventual integration into American society Part I introduces the historical record The early days of the Republic when most immigrants arrived from northern Europe The most important wave of immigration to the United States in the country s history over 1880 1920 when most immigrants arrived from Asia or from southern and eastern Europe Virulent post World War I anti immigration sentiment The World War II era absorption of huge numbers of displaced persons fleeing the misery and devastation of Europe Transition from a quota system to a preference system Heightened debate in the 1980s and 1990s The immigration policy repercussions of the terrorist attacks of September 11 2001 Part II takes up special issues in the contemporary immigration debate including the security debate and immigration immigration and the U S judiciary the immigration debate and the economy and the spectrum of public opinion on immigration revealed during the 2008 presidential election campaign The authors demonstrate that today s highly polarized immigration reform debate in many respects recapitulates the antagonisms and chaotic policies of the 1980s and 1990s when Ronald Reagan s Republican administration implemented an amnesty program while the state of California adopted the punitive Proposition 187 Paramount in today s immigration debate however are the homeland security concerns rendered acute by the 2001 bombing of the World Trade Center in New York City The controversial USA PATRIOT Act of 2001 and the Homeland Security Act of 2002 are among the documents surveyed in relation to the contemporary immigration debate Shapers of the Great Debate on Native Americans--Land, Spirit, and Power Bruce E. Johansen,2000-02-28 Contrasting the views of Native

Americans and European Americans this book provides a fresh look at the rhetoric behind the westward movement of the American frontier From George Armstrong Custer and Andrew Jackson to Helen Hunt Jackson the volume gives the views of well known Anglo Americans and contrasts them with views of such well known Native Americans as Metacom Sitting Bull Tecumseh and Black Hawk Organized around major subthemes regarding the land who should own it and what ownership means the book traces the rhetoric of the 17th 18th and 19th centuries then covers current issues in the words of Oren Lyons Vine Deloria Jr and Senator Slade Gorton The core of the debate in this volume is the taking of the continental United States from native peoples by European immigrants In chapters revolving around major subthemes the book develops biographies of significant figures in the history of a continent changing hands What was George Armstrong Custer s view of Native American culture How did this view contrast with that of his contemporary and antagonist at the Little Big Horn Sitting Bull This book is the first to present and contract the views on both sides of the debate Paper Families Estelle T. Lau,2006 A look at how the Chinese Exclusion Act and later legislation affected Chinese American communities who created fictitious paper families to subvert immigration policies **Race, Radicalism, Religion, and Restriction** Kristofer Allerfeldt,2003-03-30 In 1924 America passed legislation that effectively outlined which immigrants were to be considered beneficial to the national body and which were not Albert Johnson a Washington State Congressman sponsored the Act This study examines the role of the Pacific Northwest in the change of national sentiment that led up to this legislation Throughout the period this region experienced massive growth in its immigrant population Its forests and small towns were the scenes of many clashes with the alien radicals resulting in the creation of anti Catholic legislation and the laws against land ownership by the Japanese Analyzing issues of race religion and political radicalism Allerfeldt determines that the region was highly influential in the national debate Most immigration studies of this era focus on the East Coast or on California but Allerfeldt finds that Northwestern politicians and populists responding to regional events as much as national sentiments often set the national immigration agenda Diverse organizations such as the APA the Ku Klux Klan and the IWW gained powerful local support and had significant influence on the region s attitudes towards immigrants Rather than following California s lead in the opposition to Asian immigration the Northwest actually set the path for its southern neighbor in many important aspects Weaving the American Catholic Tapestry Derek C. Hatch,Timothy R. Gabrielli,2017-03-28 Concerned that American Catholic theology has struggled to find its own voice for much of its history William Portier has spent virtually his entire scholarly career recovering a usable past for Catholics on the U S landscape This work of ressourcement has stood at the intersection of several disciplines and has unlocked the beauty of American Catholic life and thought These essays which are offered in honor of Portier s life and work emerge from his vision for American Catholicism where Scripture tradition reason and experience are distinct but interwoven and inextricably linked with one another As this volume details such a path is not merely about scholarly endeavors but involves the pursuit of

holiness in the real world *Social Issues in America* James Ciment, 2015-03-04 Truly comprehensive in scope and arranged in A Z format for quick access this eight volume set is a one source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society Entries cover the full range of hotly contested social issues including economic scientific environmental criminal legal security health and media topics Each entry discusses the historical origins of the problem or debate past means used to deal with the issue the current controversy surrounding the issue from all perspectives and the near term and future implications for society In addition each entry includes a chronology a bibliography and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates **Beyond the Huddled Masses** Kristofer Allerfeldt, 2006-02-02 This work uncovers the human history underlying the state actions on immigration It is a vivid and varied new look at some of the most shaping forces in American history and identity and offers important new perspective on early twentieth century American European relations How did American isolationism after the Treaty of Versailles accentuated by stringent immigration restrictions predominantly against Asians and Europeans work to shape American identity Beyond the Huddled Masses is a vivid look at the connection between the results of the Paris Peace Conference and the Immigration Acts of 1921 and 1924 Kristofer Allerfeldt identifies the threads of nativism anti Bolshevism self determination and fear that ran through America s participation in the Paris Peace Conference and then manifested themselves openly through the Immigration Acts He taps into the early twentieth century American psyche to explore the rationalisation for the extreme policies of isolationism that so characterised the inter war years in the United States **Annual Bibliography of Scholarship in Social Welfare History** ,2000 **Still Struggling for Equality** Plummer A. Jones, 2004-12-30 A companion volume to *Immigrants and the American Experience* 1999 this book covers American public library services to immigrants from 1876 to 2003 As such it provides an excellent text on public library services to diverse groups and multiculturalism in public libraries It presents a detailed exposition of immigration law accompanied by an analysis of laws affecting libraries These legislative activities are placed in the context of library practice and the library profession treating fully developments within ALA and the government agencies tasked with the funding and oversight of libraries **Mary Lou & John Tanton** John F. Rohe, 2002

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Shapers Of The Great Debate On Immigration A Biographical Dictionary**

In a world inundated with monitors and the cacophony of immediate communication, the profound energy and mental resonance of verbal art frequently disappear into obscurity, eclipsed by the continuous onslaught of noise and distractions.
