Peter Oakes

Shaping A House For The Church:

Shaping a House for the Church Marchita B. Mauck,1989-10 This book proposes that a church building has a double responsibility It must both reflect and form a people The place itself shares the mission of the liturgical assembly to be sign witness and instrument of the reign of God All who have concern and responsibility for the places of liturgy must look at exactly what the assembly does at its rites and how and why they are celebrated It is those actions that must shape the house for the church This book is intended for pastors and building committees architects artists and all who become involved in the designing or renovation of places for worship

Shaping the Church Martyn Percy,2016-04-01 This book seeks to dynamically alter the way that theologians ecclesiologists students of religion and ministers look at the church Taking the ideas of composition formation and vocation as basic ecclesial categories Martyn Percy explores how apparently innocent and incidental material is in fact highly significant for the shaping of theological and ecclesiological horizons The Introduction sets the tone with a meditation on how the apparently ordinary scent of a country church can be redolent with meaning setting the tone of expectation in relation to subsequent worship This book is not however simply about reading meanings into events ideas conversations and contexts Rather it sets out to faithfully interpret much of the material that surrounds us yet is often taken for granted or more usually unnoticed The book is an invitation to involve the scholar or minister paying close and patient attention to beliefs language artefacts rituals practices and other material all of which are constitutive for ecclesial life and theological identity

95 Questions to Shape the Future of Your Church Thomas G. Bandt,2011-12-01 95 Questions to Shape the Future of Your Church is a comprehensive commentary on systemic change for the church It combines the spirit of Luther's 95 Theses with depth of insight akin to Luther's reformation catechism This book will be essential for every congregational denominational and seminary bookshelf Church leaders and members all yearn for a new Reformation that will realign Christian congregations with God's mission This book frames the right questions and focuses the right answers It helps church leaders do the hard work of assessment and planning The next Reformation will be an extraordinarily practical endeavor Leaders need to apply the tactics that will leverage the greatest change and guide the church deeper into the mystery of Christ and further in companionship with Christ We want to be faithful Now we know how to be faithful

Catholic Church Architecture and the Spirit of the Liturgy Denis Robert McNamara,2009

Eucharist Shaping and Hebert's Liturgy and Society Andrew Bishop,2016-03-31 The contemporary Church of England is wrestling with issues around the relationship between its worship and mission and relating both to wider society Much of this hinges on an understanding of the nature of the Church Gabriel Hebert's seminal book *Liturgy and Society* 1935 took as its subtitle *The Function of the Church in the Modern World* For many this book inspired engagement with Eucharistic worship with new patterns emerging paving the way for further liturgical reform in the second half of the twentieth century *Eucharist Shaping and Hebert's Liturgy and Society* re-examines Hebert's work doing so uniquely in the

light of the current dialogue about Church liturgy and mission Andrew Bishop argues that Hebert's contribution has been overlooked latterly and that a re appreciation opens up fruitful ways of thinking and acting making this book a distinctive contribution to a lively debate If the options are reaction or novelty Eucharist Shaping and Hebert's Liturgy and Society shows how Hebert's thinking subtly undermines both

The Shape of Irish History A.T.Q. Stewart, 2001-10-10 In an exploration of the essential structure of what is called Irish history A T Q Stewart looks at some shadowy areas and asks provocative questions about popular misconceptions Even where such misconceptions have been refuted by academic research Stewart argues the information has not percolated into the general domain because modern historians writing mainly for one another have lost the wider audience Criticizing his own profession for purporting to be scientific while largely ignoring the implications of for example scientific archaeology Stewart also opens up the closed shop of Irish history for the general reader The result is a landmark book the terrain of Irish history will never be the same again

Kingdom Learning David Heywood , 2017-06-23 For generations most churchgoers have been encouraged to see the responsibility for the life and mission of the church in the hands of the trained clergy A church embracing God's call to mission requires these same worshipers to see themselves as missionary disciples with a vital part to play in the church's ministry How is a change of this magnitude to be accomplished Drawing on the discipline of adult education and his own research into the way people learn David Heywood explains how churches can become learning communities in which people grow as disciples and find their place in a collaborative pattern of ministry He challenges the prevailing approach to ministerial training as overly theoretical and individualistic and points towards a model of training based around shared reflection on practice

Starting a House Church Larry Kreider, Floyd McClung, 2007-04-05 There's a new way of doing church and it's taking North America by storm Here a recognized authority on the house church movement and a popular speaker and pastor share their expertise in starting and maintaining a healthy house church Together they look at current and future trends in the house church movement and provide best practice models for planting and leading house churches Also they explore how house churches are not always the same as simple cell groups or small groups especially in the areas of leadership and money Readers will discover all the information they need to begin a house church in their community

The Shape of My Eyes Dave Gibbons, 2024-07-23 A riveting and touching memoir about the understanding one's cultural identity from pastor business leader and innovator Dave Gibbons Makoto Fujimura A surprising diagnosis of PTSD led Dave Gibbons to look to his past for clues to explain the unexpected result Born to an American soldier and a Korean mother in the wake of the Korean War Dave has spent his life struggling to

blend his Korean roots and his American upbringing The family joins a conservative church that embraces a strict rule based faith and they try to navigate life as one of the few mixed raced families in their community But when tragedy strikes tearing the family apart Dave is forced to face long buried secrets that he can no longer ignore As he explores his family s difficult past he confronts his own pain and the persistent feelings of not quite fitting in either in America or his mother s home country And when a DNA test ultimately reveals a truth that shatters everything he understood about his history he is forced to confront the traumas he unknowingly carried The Shape of My Eyes beautifully weaves historic reference points of the oppression and discrimination against Asian Americans with Dave s own personal story Dave s wrestling with belonging in his family in America and in the church creates a raw thought provoking memoir about race religion and finding home

The Shape of Practical Theology Ray S. Anderson, 2025-08-14 Too often in the life of the church theological reflection and the practical matters of leading and serving have been considered independently The result has been the impoverishment of both Christian faith and Christian practice In this groundbreaking book Ray Anderson reflects theologically and practically on preaching worship ethics social justice therapy family homosexuality burnout in ministry reconciliation in relationships and theological education itself The result is The Shape of Practical Theology a new and renewing foundation for engaging in Christian ministry Anderson lays out his threefold goal as follows to define more clearly the shape of practical theology as truly a theological enterprise rather than mere mastery of skills and methods to demonstrate the praxis of practical theology as critical engagement with the interface between the word of God as revealed through Scripture and the work of God taking place in and through the church in the world to deal with practical pastoral theology from the perspective of those who are on the field of play of life and ministry where preaching counseling and teaching does affect for many persons the outcome of the game Illuminated by stimulating discussion and helpful case studies The Shape of Practical Theology is aimed at seminary students at Christian educators and at working pastors and counselors Anderson s work fascinating and fruitful brings together the Word of God with the Spirit of God in the ever changing context of real life ministry

Christianity in Contemporary China Francis Khek Gee Lim, 2013-05-07 Christianity is one of the fastest growing religions in China Despite its long history in China and its significant indigenization or intertwinement with Chinese society and culture Christianity continues to generate suspicion among political elites and intense debates among broader communities within China This unique book applies socio cultural methods in the study of contemporary Christianity Through a wide range of empirical analyses of the complex and highly diverse experience of Christianity in contemporary China it examines the fraught processes by which various forms and practices of Christianity interact with the Chinese social political and cultural spheres Contributions by top scholars in the field are structured in the following sections Enchantment Nation and History Civil Society and Negotiating Boundaries This book offers a major contribution to the field and provides a timely wide ranging assessment of Christianity in Contemporary China
