Sharecropper's Son - The Story of Doc Garland Granger Susan D. Brandenburg, 2010-05-18 Doc Granger's biography is a fascinating series of stories that chronicle a life well lived. Doc is the kind of strong, savvy spiritual man who has helped make the American Dream a reality. Susan D. Brandenburg, Author of *Sharecropper's Son: The Story of Doc Garland Granger*. Doc's competitive nature inspires me. He is someone with great vision and he gambles to get what he wants; he'll go right to the edge. He's not afraid of anything and he loves to build something from nothing. He builds people as well or better than he builds businesses. He saw more in me than I saw in myself. Without him, I wouldn't be where I am today. Nadine Gramling. Doc just sits there and talks quietly to people until they see things his way. Eddie Sparks. He gave us a boat called *The Foxy Lady*. Imagine that the Baptist Church and *The Foxy Lady*. That was a lot of fun. With Doc's help, the church was able to sell *The Foxy Lady* for 60,000, but for a while it certainly caused a few waves. Dr. O. R. Rice. **SHARECROPPER'S SON: The Story of Doc Garland Granger**. His mother named him Doc, and though she never did say why, the name has served Doc Garland Granger very well for 94 years. Born in a sharecropper's shack, Doc spent his childhood laboring in the cotton fields and tobacco patches of Robeson County, North Carolina. When at age 17 he left the farm and set out to make his fortune, Doc carried with him enduring faith in God, indomitable entrepreneurial spirit, and innate tobacco patch wisdom. With only a 4th grade education, the tall, handsome, sinewy son of a sharecropper was destined to become an icon of the steel industry, a successful hotelier, restaurateur, and real estate developer, a highly respected member of the Masonic Temple, a yachtsman, philanthropist, and philosopher. *Sharecropper's Son* is the inspiring story of a man who achieved success despite facing insurmountable challenges. Doc Granger is a man whose legacy of love is laced with laughter, whose homespun intelligence is like money in the bank, and whose heart has always been big enough to forgive, forge ahead, and live life to the fullest. **A Sharecropper's Son** Shirleen Von Hoffmann, 2011-06-20 This is the story of Ted Roosevelt Sullen, a *Sharecropper's Son*. In the story of his life and upbringing, you learn that real American spirit comes in all packages. He overcame his tough upbringing in the rural south, only to endure the horrors of Vietnam, but never let any of it dampen his internal light. This book teaches you that there are heroes walking among us every day if we just take the time to look. A touching and heartfelt story of a man who overcame many obstacles but didn't see it that way. He kept moving forward with his entire heart and lived life to the fullest. I loved this story. I am going to share this story with my four children because I want them to know how life was for some and how they can overcome anything in life and still succeed. Michelle Glover, Author of *Hot Button Motivation*. *A Sharecropper's Son* is a celebration of enormous fortitude, not only for Ted but for the author as well. Enlightening, poignant, and compelling. Ted's personal story of perseverance touched my heart and reminded me why this life is worth living. He is an amazing man and a true champion with a wonderful story to tell. Not only did this book capture my heart, but it will capture yours. Cynthia Sharp, Author of *P.S. You are Loved*. Ted's is a beautiful, amazing life story. As much as I enjoyed the process, I

turned each page with more and more inspiration drawn from his passion and compassion He epitomizes selflessness Right from the first chapter he looks beyond his circumstances with both inner peace and strength Cynthia Askew Editor

Childhood Stories and Perspectives William L. Alston,2021-12-02 Walter and Julia Alston were two parents with two different upbringings one was from a family of means and the other was from a family with very little One was about trying to have success and wealth and the other was about having nothing spending and splurging and wasting more than could be grasped Both Walter and his spouse Julia had major flaws Both were all about him and herself They had no plans to effectively share between themselves or among their ten children They were all in it for themselves and not for each other and certainly not for their offspring Despite their selfishness they left their children with more than they realized they left their children a treasure trove of stories stories that were handed down through several generations from their parents and their parents parents For generations this had transpired by word of mouth that revealed family history culture entertainment and family accomplishments These stories brought pride pleasure and a sense of direction and well being to the Alston family These stories brought assured tangibles that would encourage empower teach and would point the way forward
