Life's Missing Link Benjamin Fred Hedges, 2019-04-24. Bucket lists, bank accounts, and bouncing babies on the knees are wonderful, but these and other earthly delights can't fill the vacuum if we live a life void of God. As Fr. Larry Richards stated, God created us to know Him, love Him, and serve Him in this world so we can be happy with Him in the next. But it's also important to note that we have a choice. When God created us, he didn't make us subservient to Him. We are not His toys. God gives us free will, as Fred references throughout the book. Fred not only shares his gradual realization of this fact but provides important information he hopes will help others looking to live their lives to its completeness and fullness.

From Trauma 2 Triumph Antoinette Spade, 2020-02-11. Love: What is it? Can a person describe love? Can love even be described? Throughout time, it has been heard that love can be defined in different ways. That there are different types and styles. It has been heard that love could be defined as an attraction driven by the chemicals in our brains, such as adrenaline, dopamine, and serotonin; an infatuation, a feeling, an emotion, an action, and even as much as a choice. In this book, you will read of how a woman experienced the Storge, empathy, Philia, friendly, Eros, romantic types of love throughout her life, at the onset of trauma that cost her identity, therefore leading her through life searching for the only type of love that not only covered all her mistakes and bad decisions but also experienced the only type of love that she needed, called the Agape, unconditional type of love. The trauma Antoinette experienced stemmed from various types of abuse she went through during her childhood, at which when she reached her teen years had prompted her to embark on different endeavors during those years into the adult years of her life. The most crucial and important type of love there is to be found by everyone, including Antoinette. It was when she found that type of love did she realize that there really and truly was someone who did see her as a person, a human, that noticed and loved her for who she was. Someone not only fully loved her but also fully knew her, even when she was in her mother's womb. This love, my friend, was the love that she had been longing for, searching for her whole life. It took for her to experience this love that she finally recognized someone was chasing her all along and didn't even know it. This love that was given to Antoinette was not merely because she was attracted by this someone; no, she was chosen by this someone because of the unconditional love that He had for her. He made a choice, which is an action. He made a sacrifice for her, but He knew He had to let her experience all that she did in order for her to find the love that she longed for. It has been 16 years since she has found this love, and it hasn't faded away for her, nor did it ever.

leave or hurt her not one time Because of this very reason Antoinette would like to share who gave her this love and let you know that this love is being given to you too I must assure you Antoinette is of NO exception to this very love by any means and she would just like to share her story with you in hopes that you will find this very same love too It doesn't matter who we are where we come from or even what we did in our life because we too are worth being loved the very same way that she was at all costs This love that Antoinette found was totally worth finding She found it so worthy that she is willingly choosing to share it with all of us in hopes of us accepting the value of our own worth to accept this very same love too Contact Information secretagent4jesus@gmail.com

The Church and the Surprising Offense of God's Love (Foreword by Mark Dever) Jonathan Leeman, 2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God's love and God's gospel are different than what the world expects writes Jonathan Leeman They're centered in his character which draws a clear boundary between what is holy and what is not It's this line that the local church should represent in its member practices because the careful exercise of such authority is God's means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God's Love responds with biblical theological and practical guidance from both corporate and individual perspectives It's a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority

Moment by Moment I Pray Warren S. Banks, 2022-07-22 This is part 4 of Moment by Moment I Pray which deals with my praying life from January 1 2018 September 12 2018 The story behind part 4 is the same as that of parts

1 2 and 3 which deal with my prayer life from February 10 2016 and ends on August 31 2016 I found myself alone after the funeral of my beloved wife Annie Jewel Chief Banks We had been together almost fifty years The funeral was held on Monday January 5 2015 at Ben Hill UMC located in the heart of the Ben Hill community After a forty plus mile drive to our birth home of Griffin Georgia she was laid to rest Three days after her funeral I took my original manuscript from a storage area in the house that we had made our home and had raised our family and went out into the backyard and destroyed all twenty six thousand handwritten pages I did not see the need to continue writing or to live But that was January 8 2015 I looked up into the heavens and asked the Lord what he wanted me to do I said Lord I have pulled myself up from a small town in the state of Georgia named Griffin Georgia I had completed Fairmont High School entered Clark College now known as Clark Atlanta University with the completion date of May 1970 and I completed Woodrow Wilson College of Law Georgia State University Schools of Education for my first teacher s certification to teach school and the school of management From 1966 to 1970 I completed my degree in sociology and psychology During my senior year at Clark I married the love of my life Ms Annie Jewel Hosely my high school sweetheart also from Griffin Georgia We set up housekeeping in Atlanta Georgia But in January 1971 I was drafted into the army and was shipped to the Republic of South Vietnam to serve a tour of duty as a squad leader in a military police unit I worked very hard and I was promoted to the rank of Sergeant E5 I survived Vietnam and many other situations but Chief s death took a toll upon the very essence of my soul On February 12 2016 I started back writing and after a talk with the Lord on September 17 2018 I had handwritten about three thousand pages At this point I asked the Lord Lord what do you want me to do A soft but firm voice came to me Warren my son I want you to publish your story which you have written in the form of a continued prayer Well looking back upon my life the Lord has always been there for me even when I thought my life was over About seven days later I was listening to my favorite gospel radio station I heard his message If you are considering publishing your manuscript call this number or go to this website I was not quick enough to get the information down Therefore I missed out on getting the information that I needed to make my contact But a few days later while I was again listening to the same radio station that same message came again This time I was able to get the information that I needed and I made contact Within the next few minutes I received a phone call The person on the other end of the line said that she had been assigned from the Christian Faith Publishing Company to serve as my literary agent I was told that she would be my guide throughout the production process I was given information where I needed to mail my manuscript to I mailed my manuscript off to the address that was given to me Within a few days I got a call from my agent indicating that my manuscript had been accepted for publication I was really beside myself I have been in constant prayer with my Lord and Savior Jesus Christ He saw so much more in me than I saw in myself He said that he would never leave me nor forsake me and he never has God's Love In 3-Dimensions Jim McGrew,2007-03-27 Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us That is what this book God s

love in 3 dimensions is about God's love for us and His designed purpose for our lives. Reflecting back over more than forty years of service in the Body of Christ, I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God's love for us, Our love for God, and Our love for one another. For the success and the life of the Church and for our personal lives, God's love must prevail. God's Love in 3 dimensions reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity. The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love. Jesus, our Lord, prayed for God's unity and love for His followers that all of them may be one. Father, just as you are in Me, and I am in You, I have made You known to them and will continue to make You known in order that the love You have for Me may be in them, and that I, Myself, may be in them. John 17:21-26. What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father. The greatness of God's love, joy, and peace fills our hearts, souls, and minds, providing divine direction and assurance as we walk in our Lord's Spirit of love. And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord. What creates and produces unity with the Heavenly Father within us and within the body of Christ? God's love. What motivated God's plan of salvation for mankind? God's love. What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation? God's love. What would be the greatest and most significant news a person could receive? God loves you. What is the greatest and most significant news one could ever share with another? God loves you. What brings unity and peace within our individual selves and the Lord's Church? The knowledge, the receiving, and the expression of God's love. This book is written through the spiritual desire to glorify and praise the Triune God Head for their love. *God's Seven Ways To Ease Suffering*, Reflections David Z.
