## Sharing The Gift:

**Sharing Gifts in the Global Family of Faith** Pakisha Tshimika, 2003-06-01 As the center of Christianity has moved south to Africa Asia and Latin America what gifts can churches in different parts of the world share with each other Are churches in Europe and North America willing and able to receive as well as give Who's rich In what Who's needy In what way How do we overcome the real obstacles that obstruct this essential part of being the church My Little Gifts Jo Witek, 2018-09-11 There are many types of gifts You can give a big shiny wrapped gift on Christmas morning but you can also give the gifts of your help or your time You can bake a cake for your parents or share what you learned in school with your little sister You can help a friend unravel a knotty bracelet or smile at a stranger who looks sad With a spirit of generosity you'll find you have many gifts to give to the world and that giving can be even more fulfilling than receiving Featuring a die cut cover and interior flaps throughout My Little Gifts celebrates the gift of giving The Growing Hearts series celebrates the milestones of a toddler's emotional development from conquering fears and expressing feelings to welcoming a new sibling

**Handbook for Sharing Your Faith Effectively , Anthropology and the Economy of Sharing** Thomas Widlok, 2016-10-04 This book examines the economy of sharing in a variety of social and political contexts around the world with consideration given to the role of sharing in relation to social order and social change political power group formation individual networks and concepts of personhood Widlok advocates a refreshingly broad comparative approach to our understanding of sharing with a rich range of material from hunter gatherer ethnography alongside debates and empirical illustrations from globalized society helping students to avoid Western economic bias in their thinking *Anthropology and the Economy of Sharing* also demonstrates that sharing is distinct from gift giving exchange and reciprocity which have become dominant themes in economic anthropology and suggests that a new focus on sharing will have significant repercussions for anthropological theory Breaking new ground in this key topic this volume provides students with a coherent and accessible overview of the economy of sharing from an anthropological perspective *The Inner Level* Richard G. Wilkinson, Kate Pickett, 2019 Why are people more relaxed and at ease with each other in some countries than others Why do we worry so much about what others think of us and often feel social life is a stressful performance Why is mental illness three times as common in the USA as in Germany Why is the American dream more of a reality in Denmark than the USA What makes child well being so much worse in some countries than others As *The Inner Level* demonstrates the answer to all these is inequality Wilkinson and Pickett describe how these responses to hierarchies evolved and why the impacts of inequality on us are so severe In doing so they challenge the conception that humans are inescapably competitive and self interested They undermine too the idea that inequality is the product of natural differences in individual ability This book draws together many of the most urgent problems facing societies today but it is not just an index of our ills It demonstrates that societies based on fundamental equalities sharing and reciprocity generate much higher levels of well being and lays out the path

towards them      **Solidus** Chris L. Abreo,2010-05-11 Science finds that the reasoning process involving the left brain of humans is objectively driven while the right brain is subjectively driven While keeping this in mind as aspects of Sigmund Freud s model of the human psyche are discussed in relation to the fullness of Biblical Truth an insightful look about the relationship between thought and behavior can be explored SOLIDUS illustrates how the pinnacle for human understanding can only be achieved by the arisen state that is the arisen state of mind The process for arising as such is long term and cannot be achieved without the grace of God As the result of one s response in faith God consciousness is attained and so is liberty Written largely in academic style this book will appeal to those logically inclined seeking for deeper meanings as to why faith in God through Jesus Christ is the good and logical choice Even understandings that have been deemed by society as separate matters of human discourse such as Church and State are discussed in tandem and with balance      **Atlantic**

**The Horse in My Blood** Victoria Soyan Peemot, 2024-03-15 A fascinating interspecies relationship can be seen among the horse breeding pastoralists in the Altai and Saian Mountains of Inner Asia Victoria Soyan Peemot herself grew up in a community with close human horse relationships and uses her knowledge of the local language and horsemanship practices Building upon Indigenous research epistemologies she engages with the study of how the human horse relationships interact with each other experience injustices and develop resilience strategies as multispecies unions      *Allsville Emerging* Darrell Moneyhon, 2011-09 What if we created a world one model community at a time that was committed to developing all humans gifts and virtues instead of a world hellbent on making money scrambling for extrinsic forms of power or wallowing in meaningless comfort What if we surrounded ourselves with a culture that helped us to discern and use spiritual principles no matter what religion or secular belief we practice These are some of the questions addressed by the future citizens of a fictional town in the intriguing *Allsville Emerging* as they evolve from online think tanks to planning and building an actual community which exemplifies the values implied by those questions Seldom has such idealism been tempered by so many plausible and at times downright practical solutions *Allsville Emerging* is a pipe dream turned pipeline This book is not about a Utopian community It s a fictional but philosophical account which unfolds into a workable blueprint for a better way of doing us About the Author Darrell Moneyhon is a retired prison counselor Masters Level Psychology Assistant living with his wife Becky in Columbus Ohio He was raised on a farm in northern Kentucky Darrell is influenced by the teachings of Christ Taoism American pragmatism the Integral philosophy of Ken Wilber and the writings of Stephen R Covey and Thomas Merton His next book is *Christians Thinking Like Energy* which explores the similarity between the modern concept of energy and the traditional concept of spirit [http SBPRA com](http://SBPRA.com) DarrellMoneyhon      The Law Times Reports ,1884      Reimagining Legal

Pluralism in Africa ,2024-06-03 This collection challenges the prevailing conflict of laws approach to the interaction of state and indigenous legal systems It introduces adaptive legal pluralism as an alternative framework that emphasises dialogue and engagement between these legal systems By exploring a dialogic approach to legal pluralism the authors shed light on how it can effectively address the challenges stemming from the colonial imposition of industrial legal systems on Africa s agrarian political economies

*Healing Our Bloodlines* G. K. Hunter (George Kamana Hunter),2019-09-03 The 8 Realizations featured in *Healing Our Bloodlines* by G K Hunter reveal a path to liberation from the cyclic pain passed down from elders to children These realizations were gleaned from 15 years of multi cultural workshops and client sessions where participants bravely faced their family trees to discover the invisible burdens that they had inherited As they lifted those burdens they found their special gifts that were germinating deep inside Those who have embodied the 8 Realizations were rewarded with 8 Birthrights the very nourishment that empowered them to release their past hurt embrace their true passion and celebrate their most authentic identity By walking this path you become a Catalyst for generational change New York Times Bestselling Author Andrew Carroll endorsed *Healing Our Bloodlines* saying History has a way of leaving indelible even deep scars on a lineage and those wounds often find their way to the next generation of the family tree But Hunter has discovered an empowering way to lift the sometimes painful remnants of the past demonstrating to his readers an approach that sheds this melancholy and helps them to become the living legacy of a healed and inspiring lineage More Endorsements I have spent my life transmitting tradition as a vital and profound means of confronting and celebrating life s hard earned truths George Kamana Hunter has shown me that trauma can be transmitted along with tradition and has distinguished between storytelling and burden dumping His insights are deep his wisdom profound his strategy fascinating and his goals admirable I have learned much from *Healing Our Bloodlines* It has put into words and into exercises some of struggles of a lifetime of learning wrestling with the past and trying to create a better future for myself and for the world in which I live The great Hasidic Master Menachem Mendel of Kotzk once said Nothing is as whole as a heart that has been broken and mended G K Hunter shows us why Michael Berenbaum original Project Director for the U S Holocaust Memorial Museum Author of *The World Must Know The History of the Holocaust* *Healing Our Bloodlines* is a powerful tool for understanding the trauma which affects us all George Kamana Hunter eloquently and poignantly shares with unique personal vulnerability wisdom on how to find a path to freedom and healing It is an unveiling of truths which are sorely need today Joanne Shenandoah Grammy Award winning artist multi cultural peace advocate Native America s most celebrated musician

**School Education** ,1918 *Cultural Gift Exchanges* Orin Brightfield,AI,2025-02-20 *Cultural Gift Exchanges* explores gift giving as more than mere tradition revealing its profound role in shaping societies It examines how these exchanges establish social hierarchies and reinforce cultural values across diverse historical and cultural contexts Gift giving acts as a symbolic language facilitating social cohesion and reflecting unique belief systems For example understanding gift exchanges can

clarify how reciprocal actions build trust or how ritual behaviors solidify community bonds The book progresses from introducing core anthropological concepts to detailed case studies illustrating gift giving's function as communication and social regulation Drawing from anthropological surveys and ethnographic studies it examines gift exchanges from traditional societies to modern consumer culture This approach uniquely integrates material objects with symbolic meanings offering insights into the motivations and consequences of gift exchange Understanding this system is critical for interpreting social behavior and appreciating the diversity of human cultures

**The Dangers of Gifts from Antiquity to the Digital Age**

Alexandra Urakova, Tracey A. Sowerby, Tudor Sala, 2022-09-09 This is the first volume that examines dangerous gift giving across centuries and disciplines Bringing to the fore the subject that features as an aside in gift studies it offers new insights into the ambivalent and troubled history of gift giving Dangerous violent and self destructive gift giving remains an alluring challenge for scholars almost a hundred years after Marcel Mauss's landmark work on the gift Globally the notion of toxic and fateful gifts has haunted mythologies folklores and literatures for millennia This book problematizes what stands behind the notion of the dangerous gift and demonstrates how this operational term may help us to better understand the role and place of gift giving from antiquity to the present through a series of case studies ranging from ancient Zoroastrianism to modern digital dating The book develops a complex historical cross cultural and multi disciplinary approach to gift giving that invites comparisons between various facets of this phenomenon through time and across societies The book will interest a wide range of scholars working in anthropology history literary criticism religious studies and contemporary digital culture It will primarily appeal to university educators and researchers of political culture pre modern religion social relations and the relationship between commerce and gifts
