**Sharp Golden Thorn** Chard DeNiord, 2003 Poetry In this follow up to the award winning collection *Asleep in the Fire* CharddeNiord's verse ranges from the quirkily amusing to the deeply lyrical and meditative even mystical Although we come to know the touchstones and totems of the poet's life in New England the work is essentially unrestrained by geography or time ranging as far afield as the poet's imagination allows A master of the emphatic statement the clearproposition about the world deNiord presents a poetry that has absorbed the deep imagery of the last fifty years and the moral philosophy of the last five hundred **SHARP GOLDEN THORN** reveals that Chard deNiord is one of the most outstanding poets at work today

**The Golden Thorns** Leigh Grossman, 2014-01-06 Knighted for bravery in a battle he only half remembers his newfound noble status is the only thing that saves Falorn's life when he's captured by a powerful archbishop But that nobility also forces him on a doomed quest into the land of the Immortal King where savage armies compete with powerful wizards to try to take away the magical artifact that propelled Falorn into this mess in the first place In a web of betrayals and counterbetrayals he finds himself caught in a love triangle between the woman whom he loves but who has twice abandoned him and the woman who seems to love him but whom he can never fully trust Wizards monsters pirates murderous cults and rogue professors all have a role to play in this thrilling sequel to *The Green Lion* But the ultimate role will be played by the sorceress in whose thorns Falorn is caught and who set in motion the events that threaten to consume him **Scars** Paul Murray OP, 2014-05-22 A powerful reflection on human affliction in the stories of some remarkable individuals Paul Murray is not only an academic a preacher and published poet he is also a superb pastor During his ministry he has dealt with some extraordinary people not least a South African who was convicted of murder and hanged under Apartheid Drawing on this remarkable experience the reader is offered here a sustained meditation on the meaning of affliction and suffering in a way that is ultimately the story of human triumph and the ultimate victory of the Cross The book concludes with Paul Murray's extraordinary meditations on the Seven Last Words from the Cross in which the wealth of his pastoral experience is fully brought to bear *Scars* is the account of men and women of all ages who have survived major crises or tragedies of one kind or another the scourge of drug addiction the misery of long term imprisonment severe illness the burden of remembered violence and the tragedy of child abuse The most striking thing about such people is that whether or not they are aware of the reality of God in their lives they are people of extraordinary compassion They seem to have been initiated into a new dimension of themselves and to have discovered a new wealth within As Murray says in his introduction the voices which I have begun to hear are voices to which I myself am still learning to listen These are not just accounts of triumphs and of tragedy they are powerful meditations on something much more profound **Ya Basta!** Marcos (subcomandante.), 2004-01-01 For ten years a voice from deep within the Mexican jungle has inspired us to fight back

Antonio Machado,1982 Regarded by many as the finest poet of 20th century Spain Antonio Machado y Ruiz 1875 1939 is not well known outside the Spanish speaking world Some 250 poems in Spanish drawn from Machado's entire oeuvre are accompanied on facing pages by sensitive and beautifully fluent translations **Border of a Dream** Antonio Machado,2013-07-01 Antonio Machado 1875 1939 is Spain's master poet the explorer of dream and landscape and of consciousness below language Widely regarded as the greatest twentieth century poet who wrote in Spanish Machado like his contemporary Rilke is intensely introspective and meditative In this collection the unparalleled translator Willis Barnstone returns to the poet with whom he first started his distinguished career offering a new bilingual edition which provides a sweeping assessment of Machado's work In addition *Border of a Dream* includes a reminiscence by Nobel Laureate Juan Ram n Jim nez and a foreword by John Dos Passos from *Proverbs and Songs* Absolute faith We neither are nor will be Our whole life is borrowed We brought nothing With nothing we leave You say nothing is created Don't worry With clay of the earth make a cup so your brother can drink Born near Seville Spain Antonio Machado turned to a career in writing and translating in order to help support his family after the death of his father in 1893 His growing reputation as a poet led to teaching posts in various cities in Spain and eventually he returned to finish his degree from the University of Madrid in 1918 He remained in Madrid after the outbreak of civil war committed to the Republican cause but the violence finally forced him to flee He died an exile in France Willis Barnstone is one of America's foremost translator poets bringing into English an extraordinary range of work from Mao Tse tung to the New Testament *New England Review* ,1992 *Sharpe's Gold* Bernard Cornwell,2004-08-03 An action packed historical adventure from Bernard Cornwell's enthralling series on the Napoleonic Wars A daring impossible mission might just be their last hope A year after the victory at Talavera things are looking bleak With Wellington outnumbered the bankrupt army's only hope of avoiding collapse is a hidden cache of Portuguese gold Only Captain Richard Sharpe is capable of stealing it and it means turning against his own men **Campos de Castilla** Antonio Machado,2002 Antonio Machado was born in Seville in 1885 and died in southern France early in 1939 escaping from the Nationalist advance in the Spanish Civil War He is increasingly recognized as one of the four greatest Spanish language poets of the twentieth century but lack of adequate translations has limited his appreciation in the English

speaking world Here a native Spanish and a native English speaker set out to remedy this deficiency The beauty of his landscape fused with its sadness as his young wife's resting place gave Machado his distinctive voice intimate elegiac at once detached and involved most characteristically expressed in Campos de Castilla 1917 from which many of the poems here selected are taken The language of his poetry is spare relying strongly on nouns and adjectives asserting more than describing equally anti baroque and against the excesses of modern cosmetics Self Portrait His father had been a collector of folklore and Machado saw the romance ballad tradition as lying at the heart of the authentic Spanish poetic tradition English cannot recreate the assonance on which he relied but this translation captures the essential rhythm as well as the poignancy of the original Spanish text with facing page translation introduction and notes
