## Shattered Dream:

Shattered Dreams Benson Omonode, 1996      Origins of the Dream W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In Origins of the Dream Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry      **AT BETHANY** Herschel E. *Patrick Lyoya killed by the police: What did I do wrong?* Godfrey Mwakikagile, 2022 This work focuses on the tragic murder of Patrick Lyoya an immigrant from the Democratic Republic of Congo who was shot and killed by a police officer in Grand Rapids Michigan in April 2022 The case attracted national attention and drew reactions from around the world It was also covered by international media outlets including BBC and Aljazeera The author looks at the murder in the broader context of race relations and at relations between blacks and the police in Grand Rapids and across the country He also addresses problems of re adjustment to a new life in a new country African immigrants face in the United States Patrick Lyoya faced those problems He also explains although only briefly why the tragedy is inextricably linked with the fate of Lyoya s homeland in a geopolitical context where Western countries have played a critical role in determining the destiny of the country which has earned the unenviable distinction as the bleeding heart of Africa He also briefly examines globalisation which he describes as a new form of imperialism in the post Cold War era and how it is used to justify exploitation of Africa s natural resources including the Democratic Republic of Congo s vast amounts of minerals and how industrialised nations

have helped to impoverish the country and fuel conflict there resulting in the death of millions of people and forcing countless others to flee and seek refuge in other countries including the United States Patrick Lyoya and his family and more than 8 000 other Congolese who settled in Grand Rapids were some of them Although the work briefly examines the ties the United States has had with the Democratic Republic of Congo since independence in the sixties when the country was known as Congo Leopoldville a relationship inextricably linked with the destiny of Congolese refugees who settled in Grand Rapids and other parts of the country its main focus is on the murder of Patrick Lyoya why he was killed what contributed to his murder and other factors about the tragedy The uncertainty of the trial date for this case influenced publication of the book Both sides the defence and the prosecution said they did not know when the trial would take place and implied it would be in 2023 and may be even in the last months of the year They said in November 2022 that it would be many months before the case goes to court a factor that played a major role in reaching the decision to have the book published before the trial It complements the author s forthcoming work *Shattered Dreams Race and Justice* *The Preacher King* Richard Lischer,2020 The Preacher King investigates Martin Luther King Jr s religious development from a precocious preacher s kid in segregated Atlanta to the most influential America preacher and orator of the twentieth century To give the most accurate and intimate portrait possible Richard Lischer draws almost exclusively on King s unpublished sermons and speeches as well as tape recordings personal interviews and even police surveillance reports By returning to the raw sources Lischer recaptures King s truest preaching voice and consequently something of the real King himself He shows how as the son grandson and great grandson of preachers King early on absorbed the poetic cadences traditions and power of the pulpit more profoundly influenced by his fellow African American preachers than by Gandhi and the classical philosophers Lischer also reveals a later phase of King s development that few of his biographers or critics have addressed the prophetic rage with which he condemned American religious and political hypocrisy During the last three years of his life Lischer shows King accused his country of genocide warned of long hot summers in the ghettos and called for a radical redistribution of wealth 25 years after its initial publication *The Preacher King* remains a critical study that captures the crucial aspect of Martin Luther King Jr s identity Human complex and passionate King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation *LIFE AND IDEOLOGY OF JAGJIVAN RAM* Er. Rajendra Prasad, This scholarly work stands as another remarkable addition to the existing literature on the life and struggles of Babu Jagjivan Ram authored by Er Rajendra Prasad Through his insightful writings Rajendra Prasad has illuminated hitherto untold facets of Babuji presenting a comprehensive and profound understanding of his persona This book is an integral part of a series of works dedicated to exploring the multifaceted journey of Babu Jagjivan Ram weaving together significant links that shed light on his impactful legacy *Let Go of the Past and Start Having a Blast!* Bob Wosczyk,2015-11-15 *Wounded Warrior, Wounded Home* Marshale Carter,Kelly K.
