## **Shattering The Sacred Myths The Metaphysics Of Evolution:**

**Shattering the Sacred Myths - The Metaphysics of Evolution** Robert Charles Stewart, Robert Stewart, Charles, 2006-01 Examines the conflict between science and religion and helps to dispel the myths and superstitions that have long been used as an excuse for political and religious extremism Also extends the theory of evolution to include the struggle for political power and the development of advanced technology and contemplates the existence of the universe and questions whether consciousness has any kind of cosmic purpose **The Afterlives of Kathleen Collins** L. H.

Stallings, 2021-12-07 An absorbing portrait of a groundbreaking Black woman filmmaker Kathleen Collins 1942-88 was a visionary and influential Black filmmaker Beginning with her short film *The Cruz Brothers* and *Miss Malloy* and her feature film *Losing Ground* Collins explored new dimensions of what narrative film could and should do However her achievements in filmmaking were part of a greater life project In this critically imaginative study of Collins L H Stallings narrates how Collins as a Black woman writer and filmmaker sought to change the definition of life and living *The Afterlives of Kathleen Collins A Black Woman Filmmaker's Search for New Life* explores the global significance and futurist implications of filmmaker and writer Kathleen Collins In addition to her two films Stallings examines the broad and expansive and varying forms of writing produced by Collins during her short life time *The Afterlives of Kathleen Collins* showcases how Collins used filmmaking writing and teaching to assert herself as a poly creative dedicated to asking and answering difficult philosophical questions about human being and living Interrogating the ideological foundation of life writing and cinematic life writing as they intersect with race and gender Stallings intervenes on the delimited concepts of life and Black being that impeded wider access distribution and production of Collins's personal cinematic literary and theatrical works *The Afterlives of Kathleen Collins* definitively emphasizes the evolution of film and film studies that Collins makes possible for current and future generations of filmmakers **Speaking the Unspeakable** Peter Michelson, 1993-01-01 This book studies the literary and cinematic functions of the pornographic as a development from a poetics of obscenity It focuses on the developments of French British and American artistic pornography since the eighteenth century Discussing female literary figures including Hall Wharton Nin Reage Jong and Shulman such men as Cleland Sade Beardsley Lawrence Joyce and Miller and film makers such as Brakhage Jack Smith Bruce Conner Bertolucci Oshima and Wertmuller Michelson analyzes both the use of aesthetic pornography and the philosophical cultural and legal implications of its use He proposes that realizing the obscene in the sense of speaking the unspeakable is the principle aesthetic function of pornography **Towards a Re-Definition of Development** Alain Birou, Paul-Marc Henry, John P. Schlegel, 2016-01-21 Towards a Re Definition of Development Essays and Discussion on the Nature of Development in an International Perspective reconsiders the generally accepted definition of development based on the assumption that there is no universal method for comprehending development and no one major principle for elucidating its evolution The emphasis is on the so called white Western and wealthy developed countries

Divided into two parts this book begins with a critical analysis of the nature of development and the conditions necessary for a developed world The irreversibility of technical and industrial evolution is considered along with the role of science and technology in development the control of evolution and the meaning of progress the role of the major political and economic units in world development and conditions for the economic and political independence of developing countries The second part explores various facets of development strategy and theory paying particular attention to conceptions and misconceptions of development as well as the notion of peace This monograph should be of interest to economists social and political scientists and social and economic policymakers

Women In Human Evolution Lori Hager,2005-08-18 This volume the first of it s kind examines the role of women paleontologists and archaeologists in a field traditionally dominated by men Women researchers in this field have questioned many of the assumptions and developmental scenarios advanced by male scientists As a result of such efforts women have forged a more central role in models of human development and have radically altered the way in which human evolution is perceived This history of the feminist critique of science is of profound significance and will be of interest to all those who work in the fields of anthropology archaeology paleontology and human biology
