Shaughnessy The Passionate Politics Of Shaughnessy Cohen:

Shaughnessy Susan Delacourt, 2000 By the time of her death in 1998 Shaughnessy Cohen had served as a member of Canadian Parliament for five years and had learned how to use women's politics to succeed in a man's world To watch how she did it is to go inside the nomination battles the caucus meetings and the committee rooms where the unseen drama of Canada's politics is played out and to understand perhaps in a way that has never before been so fully revealed the realities that confront women in political life *Aiming to Explain* B. Timothy Heinmiller, Matthew A. Hennigar, 2022-06-29 Firearms policy has periodically dominated Canadian politics since the late 1960s Compared to the United States however there is little scholarship on firearms policy to the neighbouring north Using Canadian firearms policy *Aiming to Explain* examines five prominent policy process theories employed during the period from the 1989 Montreal Massacre to the 2012 cancellation of the universal firearms registry Throughout B Timothy Heinmiller and Matthew A Hennigar present rigorous applications of rational choice institutionalism social constructivism the advocacy coalition framework the multiple streams framework and punctuated equilibrium The investigations draw on method based best practices while also making use of a wide range of data collection and analysis techniques including inferential statistics descriptive statistics process tracing congruence analysis and qualitative content analysis The goal of *Aiming to Explain* is not to select a single best theory but to compare their relative strengths and weaknesses in an effort to direct future research and theoretical development efforts in the study of Canadian public policy *Biography*, 2000 **Canadian Book Review Annual** Joyce M. Wilson, 2001 **I Feel Great about My Hands** Shari Graydon, 2011 Forty one notable women all over fifty provide essays and poems about the discoveries that come from aging *Canadian Who's Who 2008* Elizabeth Lumley, 2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools *Canadian Who's Who* is an invaluable source of general knowledge The complete text of *Canadian Who's Who* is also available on CD ROM in a comprehensively indexed and fully searchable format Search astronaut or entrepreneur of the year aboriginal achievement award and Order of Canada and discover a wealth of information Fast easy and more accessible than ever the *Canadian Who's Who* on CD ROM is an essential addition to your electronic library My Town Marty Gervais, 2006-10-15 A collection of newspaper columns by Marty Gervais published in *The Windsor Star* *New Books on Women and Feminism*, 2001

Debates of the Senate: Official Report (Hansard). Canada. Parliament. Senate,1998-12 *Canadian Books in Print* 2002 Marian Butler,2002-02 Book Review Index ,2006 Every 3rd issue is a quarterly cumulation *Canadian Books in Print* ,2003 **Arrival City** Doug Saunders,2011-10-04 From one of Canada's leading journalists comes a major book about how the movement of populations from rural to urban areas on the margins is reshaping our world These transitional spaces are where the next great economic and cultural boom will be born or where the great explosion of violence will occur The difference depends on our ability to notice The twenty first century is going to be remembered for the great and final shift of human populations out of rural agricultural life into cities The movement engages an unprecedented number of people perhaps a third of the world's population and will affect almost everyone in tangible ways The last human movement of this size and scope and the changes it will bring to family life from large agrarian families to small urban ones will put an end to the major theme of human history continuous population growth Arrival City offers a detailed tour of the key places of the final migration and explores the possibilities and pitfalls inherent in the developing new world order From villages in China India Bangladesh and Poland to the international cities of the world Doug Saunders portrays a diverse group of people as they struggle to make the transition and in telling the story of their journeys and the history of their often multi generational families enmeshed in the struggle of transition gives an often surprising sense of what factors aid in the creation of a stable productive community Official Report of the Debates of the House of Commons Canada. Parliament. House of Commons,2003-05 **Beyond Question Period** Roy Cullen,2011-05-25 In Beyond Question Period you travel with a Canadian Member of Parliament and discover how challenging yet exhilarating the work of an MP can be Running for election debating and voting on bills committee work constituency work representing Canada internationally and speaking at a variety of events this is just the beginning How the role of an MP changes in a minority or a majority government or in opposition is described with living examples The cut and thrust of politics in the raw is described for all to see **Can You Hear Me Now?** Celina Caesar-Chavannes,2022-04-12 SHORTLISTED FOR THE 2021 SHAUGHNESSY COHEN PRIZE FOR POLITICAL WRITING In Can You Hear Me Now Celina Caesar Chavannes digs deep into her childhood and her life as a young Black woman entrepreneur and politician and shows us that effective and humane leaders grow as much from their mistakes and vulnerabilities as from their strengths Celina Caesar Chavannes already a breaker of boundaries as a Black woman in business got into politics because she wanted to make a bigger difference in the world But when she became the first Black person elected to represent the federal riding of Whitby Ontario she hadn't really thought about the fact that Ottawa wasn't designed for someone like her Celina soon found herself both making waves and breaking down confronting at night alone in her Ottawa apartment all the painful beauty of her childhood and her troubled early adult life She paid the price for speaking out about micro aggressions and speaking up for her community and her riding but she also felt exhilaration and empowerment As she writes This is not your typical leadership book where the person is placed in a

situation and miraculously comes up with the right response for the wicked problem This is the story of me falling in love at last with who I am and finding my voice in the unlikeliest of places Both memoir and leadership book *Can You Hear Me Now* is a funny self aware poignant confessional and fierce look at how failing badly and screwing things up completely are truly more powerful lessons in how to conduct a life than extraordinary success They build an utter honesty with yourself and others that allows you to say things nobody else dares to say the necessary things about navigating the places that weren't built for you and holding firm to your principles And if you do that you will help build a world where inclusion is real Just as Celina is now trying to do in all her brilliance and boldness *The Jews of Windsor, 1790-1990* Jonathan V. Plaut, 2007-05-30 Beginning with the first Jewish settler Moses David the important role that Windsor Jews played in the development of Ontario's south is mirrored in this 200 year chronicle the founding pioneer families transformed their Eastern European shtetl into a North American settlement many individuals were involved in establishing synagogues schools and an organized communal structure in spite of divergent religious political and economic interests Modernity and the growing influences of Zionism and Conservative Reform Judaism challenged the traditional and leftist leanings of the community's founders From the outset Jews were represented in city council actively involved in communal organizations and appointed to judicial posts While its Jewish population was small Windsor boasted Canada's first Jewish Cabinet members provincially and federally in David Croll and Herb Gray As the new millennium approached Jews faced shrinking numbers forcing major consolidations in order to ensure their survival **A Precarious Enterprise** Scott McIntyre, 2025-09-09 A Precarious Enterprise has all of the DNA necessary for future historians to fully understand the joyous and unexpected rodeo that was CanLit 1.0 It was a cherished window in time and Scott tells of it with love and the ultimate insider's POV Douglas Coupland author and artist Ever wondered how a publishing house works Scott McIntyre tells all in this behind the scenes look at Canadian publishing Scott McIntyre has lived the story of Canadian book publishing Beginning his career at McClelland Stewart in 1967 he went on to co-found his own publishing house Douglas McIntyre in 1970 and made his mark on the industry amid the country's exhilarating literary coming of age Becoming one of Canada's largest and most respected publishing houses and among the first to embrace Indigenous issues Douglas McIntyre and its associated children's publisher Groundwood Books published some 900 authors and 2 000 books in less than 50 years For McIntyre the authors always came first and he worked closely with many important figures including Doris Shadbolt Wayson Choy Richard Wagamese Anna Porter Will Ferguson Douglas Coupland Hugh Brody Robert Bringhurst Wade Davis and Farley Mowat Telling stories featuring a colorful array of characters who rebuilt the publishing world following WWII and anecdotes about how book publishing works McIntyre touches upon the guiding philosophy and historic traditions still animating the industry today More than the story of one publisher and his company this is a first person account of the buoyant period when writers their books and the companies who published them changed the nation **Quarterly Review**, 1872 **Gentlemen Scientists and Revolutionaries** Tom

Shachtman,2014-10-07 Science and experimentation were at the heart of the Founding Fathers philosophies and actions The Founders relentlessly tinkered invented farmed by means of scientific principles star gazed were fascinated by math used scientific analogies and scientific thinking in their political writing and fell in love with technologies They conceived of the United States of America as a grand experiment in the scientific meaning of the word George Washington s embrace of an experimental vaccination for smallpox saved the American army in 1777 He was also considered the most scientific farmer in the country John Adams founded a scientific society and wrote public support of science into the Massachusetts constitution The president of another scientific society Thomas Jefferson convinced its leading lights to train Meriwether Lewis for the Lewis and Clark expedition his Declaration of Independence was so suffused with scientific thinking that it was called Newtonian Benjamin Franklin s fame as an electrician gave him the status to persuade France to help America win the Revolutionary War Thomas Paine invented smokeless candles underwater bombs and the first ever iron span bridge In Gentlemen Scientists and Revolutionaries Tom Shachtman provides the full story of how the intellectual excitement of scientific discoveries had a powerful influence on America s Founding Fathers
