Dietz, 2008 The Lost Mother is the memoir of Itang an acclaimed Korean Japanese painter who was born in 1922 His Korean mother Ilyeop was a well known feminist poet who after his birth renounced the world to enter into Buddhist monastic life Itang s father was the scion of an aristocratic Japanese family Their relationship was romantic but ultimately doomed In a life marked by war and disruption Itang finally attained both the artistic success he craved and the spiritual enlightenment he sought in later life The longing for his real mother never left him however and it provided him the psychological impetus to succeed in both the worldly and spiritual realms Itang s dramatic life story is made even more vibrant by the chaotic historical context into which he was born It is an interesting portrayal of a unique time and place and an inspiring look at one man s incredible ability to overcome adversity Hollywood Kiwis - The first half boxed set Wendy Smith, The first three books in the Hollywood Kiwis series in one boxed set Common Ground What turned out to be a one night stand left Delaney Carruthers with a little girl who has the same eyes as the hottest commodity in Hollywood In her small town retreat back in New Zealand she s pushed

the painful memory of that night as far back as she could and built a successful life Josh Carter is Hollywood's golden boy He's never forgotten the girl who disappeared right before he landed his breakthrough role but given up hope of finding her That's until he travels to New Zealand for what he thinks is the biggest role of his life only to find something even bigger He might have found Delaney but can the two of them find any common ground Even Ground Reece Evans never planned on settling down He has the reputation of a Hollywood playboy with his love 'em and leave 'em attitude That's until his best friend Josh is reunited with the love of his life and Reece starts to think about whether maybe it's time to grow up Pania's star struck when she first meets Reece But she's not one to take anything lying down and she soon gets over her crush when she realises just how irritating he can be Except there's one reason Reese is being so annoying Pania leaves him feeling unbalanced Can Reece find his way back to even ground Under Ground It was just a little white lie When Lana Maitland's daughter Casey identifies a random stranger in a magazine as her father the stubborn three year old refuses to back down when told he's not Eventually Lana gives in because it's not as if they'll ever meet Alex Stone Is it Alex Stone's star is on the rise He's filming a movie that'll give his career a big boost and up for another role that could launch it into the stratosphere What he doesn't count on is falling in love She's blonde blue eyed and three years old She also insists he's her father If only her mother wasn't just as gorgeous Finding love is just the start A secret that's been buried for over twenty years is about to be revealed and change Alex's life forever

Broken French Tasha Boyd, Natasha Boyd, 2021-04-26 Best of BookTok Take a decadent and sizzling armchair vacation to the South of France this summer Josie thought she was getting a promotion at her architectural firm but instead her career implodes She impulsively takes up her roommate's offer to nanny for a little girl on a mega yacht in the South of France Even though she can't stand boats this seems like fate giving her an opportunity to lick her wounds in a bucket list paradise while she figures out how to get her life back But this little girl she's arrived to look after has a daddy A widowed hot billionaire of a daddy And if there's anything that Josie needs less than having to be stuck on a yacht no matter how luxurious it's an inconvenient and highly combustible attraction to her new boss A man who for all his wealth is grumpy conceited and utterly closed off Xavier Pascale is on an emotional island of his own making It's just him and his daughter and he likes it that way He works hard his shareholders are happy his best friends are his bodyguard and the people who work for him What's wrong with that But then he meets Josephine Marin Her arrival in his life is like an earth tremor along a catastrophic emotional fault line And now well now he's very very aware of his isolation and his very human need But he can't be distracted When he gets distracted terrible things happen He should send her home He really should But what if he just takes what he wants just this one time
