Oscar Mandel

Simplicities Poems:

Simplicities Oscar Mandel, 1974 *Chorus of Simplicity and Other New Poems* Sushant Thapa, Simplicity is represented as a perspective of a poet in this poetry collection entitled *Chorus of Simplicity and Other New Poems*. The opening poem is titled *Blood and Ground*. It signifies the era of war going on in the world. Philosophy and personal expressions have played a major role in this poetry collection. Moreover, the poet has tried to universalize the personal by giving voice to matters of public concern. Nature is also a part of this collection because Nature is where we exist. Failure isn't a signal to give up, says the poet. He drives the motivational vehicle in this poetry collection. Dreams and freedom also make up a theme because humans cannot remain devoid of hope. The poet writes, "I am not only a history / But a deep worshipper of my present time." He is trying to be contemporary in nature. There is also a poem on Charles Bukowski in this collection. The poet finds Bukowski very pragmatic as he delves into poetry written by Charles Bukowski. The poet further writes, "The mad rush of civilization / Cannot abstain the essence of nature." The poet has highlighted nature as a major concern in this modern world. This is a global concern. Furthermore, the poet says, "Outside my window / There is a natural sunset / Your painting is just an imitation." This signifies the importance of Mother Nature. The originality of the subject lies in nature, and rest is just an imitation we learn from nature. Learning from nature should be the priority. The poet is concerned about that like a championing activist through words. Sushant Thapa's new collection *Chorus of Simplicity and Other New Poems* holds out for the reader the promise for renewal amidst gloom and decay. Prof Saugata Bhaduri, Centre for English Studies, Jawaharlal Nehru University, New Delhi, India.

Simplicities of Life Antonio Andres, 2014-07-26 *Simplicities of Life* is the recapitulation of many moments of love. The poems had been the cause and effect of what we see and heard in our everyday walk. People in love feel inside the joy of those feelings but also the pain of broken relationships. People wish to express what they feel at that moment and just mumbles inside those words. *Simplicities of Life* doesn't pretend to be the best poetry book but it can be among Emily Dickson, Robert Penn Warren, and W B Yeats among others. Poetry is the invisible language expressing those hurts and joys. I hope *Simplicities of Life* bring some comfort and joy to your souls and heart. There must be something you can relate with *Simplicities of Life* and share with the people around you. The Journal format is for you to express yourself after reading each poem and to share your intimate feelings with yourself. Enjoy.

Poetry From The Simplicity Of Awakening Colin Drake, 2017-12. The aim of this book is to act as a stand alone guide to and practices for Awakening and is mostly composed of articles, replies to questions, and internet discussions on Awakening since the publication of *Freedom From Anxiety and Needless Suffering*. The thrust of the book is that the initial awakening which reveals that in essence we are Pure Awareness is very simple to obtain. Then this needs to be established by repeated awakenings due to the natural tendency to nod off and re-identify oneself as a separate object in a universe of separate objects. When one is awake, then anxiety and unnecessary mental suffering disappear for these are caused by this.

misidentification which causes us to see each other and the world through a murky filter of self interest self concern self promotion self aggrandizement self loathing the list is almost endless It is this world view that causes the anxiety and mental suffering based on concern for the future and feeling we are bound by the past *Simplicity* Chuck Florence,2012-04-02 Author and poet Chuck Florence has adopted a surprisingly simple approach to verse through Simplicity that is both subtle and in your face Within its pages you will find there is something for everyone Florence s poetry however simple remains symbolic of life anywhere or at anytime offering refreshing views into spirit and nature Sometimes erotic sometimes indulging his writings touch mostly upon that which is real while still courting a bit of fantasy and humor Through poetry spirit has given itself to those precious moments in the author s life where nothing was spoken only felt In capturing these moments it is his desire to preserve them in their simplest form with as little distraction as possible Florence s poetic pieces compel in their stark Simplicity as they manage to convey more with less words Simple yet stirring this compilation will lure readers into their own private reflections Thank you for your purchase **Simplicity and Power** Vidagdha Meredith Bennett,1991 *Simplicity* Paul Kloschinsky,2007-11-29 A collection of philosophical and spiritual poems on various themes including love faith and joy *Miraculous Simplicity* William V.
