Simply Understanding The New Testament:

Simply Understanding the New Testament Irving Lester Jensen, 1988 **Understanding the New Testament and Its Message** Vincent P. Branick, 1998 A solid well done introduction to the New Testament for undergraduates that explores teaching on faith issues as well as the theology and spirituality of the New Testament Reflections study questions charts and indexes are included **Understanding the New Testament and the End Times, Second Edition** Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters **A simple commentary on the New Testament** lady Charlotte Murdoch Wake, 1850 **A Simple Overview of Covenant Theology** C. Matthew McMahon, 2005-09-15 Covenant Theology systematizes the biblical information concerning the manner in which God saves sinners through Jesus Christ It places the Bible into a covenantal framework that makes biblical sense The Bible speaks of salvation in terms of covenant God is a covenant God who saves His people through covenants The three main theological covenants of the Bible are the Covenant of Redemption the Covenant of Works and the Covenant of Grace These are theological terms that are packed with biblical information dealing with the way God saves sinners When someone asks How does God save people the answer lies within the framework of Covenant Theology So it is the intention of this work to unpack those terms and make the information in them accessible to the reader in a clear accurate and biblically helpful manner that serves as an introduction to these theologically rich ideas After this simple overview his newly published work Covenant Theology Made Easy is the next book to read **Understanding the New Testament Use of the Old Testament** Douglas S.
