Greenwood, Frané Lessac, 2008 The heroic story of one man and a donkey and the strange twist of fate that brought two boyhood friends together one last time during the Gallipoli campaign in World War I Simpson and his Donkey is a poignant account of the story of John Kirkpatrick Simpson and how he and his donkey Duffy rescued over 300 men during the campaign at Gallipoli Backed by detailed research the text includes a brief biography of the man details of his work at Gallipoli and also the little known story of how without realising he rescued his childhood friend from South Shields Billy Lowes The text also includes fact files on Simpson and Billy Lowes maps and additional historical background information such as how Duffy received a VC Simpson's Donkey Peter Stanley, 2011-03-01 Based on the most famous animal in

Australian history Simpson s Donkey tells the story of his service during the Gallipoli campaign where for three weeks he was one of several donkeys that Simpson used to carry wounded men down to Anzac Cove His life before and after Gallipoli is a mystery but Peter Stanley beautifully imagines the rest for the reader Stanley tells the donkey s story in the donkey s own voice taking the reader on a journey from the Aegean island of Lemnos to Gallipoli to Egypt Palestine and then back to Gallipoli at the end of the Great War In doing so Simpson s Donkey not only brings the donkey s story to life it also brings the horrible realities of war to the fore The war is the backdrop to the donkey s tale and as we follow the little donkey on his journey we also learn about the war and its terrible impact on people and animals alike The story begins with the donkey being separated from his adored mistress Sofya when the Greeks occupy Lemnos in 1913 and after various adventures in which each new owner calls him by a new name he returns to Gallipoli in 1919 to be reunited with his beloved Sofya From village beast of burden to hospital pet to supply carrier for the war in the desert the donkey s story is an adventurous journey on which he meets courage and cruelty and comradeship between human and donkey alike **Dust Donkeys and**
