Sin Biblical Perspectives:

Sin; Biblical Perspectives Eugene H. Maly, 1973 **African Traditional Religion in Biblical Perspective** Richard J. Gehman, 2005 *Biblical Perspectives: Early Use and Interpretation of the Bible in Light of the Dead Sea Scrolls* Michael Stone, Esther G. Chazon, 2018-11-26 This volume explores the use and interpretation of the Bible in the Dead Sea Scrolls and associated apocryphal early Christian and rabbinic literature Interpretive interests techniques and traditions are examined in many types of ancient works rewritten bibles pseudepigrapha legal codes prayers sapiential texts admonitions and historical treatises The authors highlight the contribution of the new finds from the Judean Desert to such major issues as attitudes to the Bible and the Law in antiquity continuity and innovation vis a vis the biblical world common and unique dimensions of interpretation among different groups in the Second Temple and Rabbinic periods in particular the Qumran sectarians and their opponents New Testament authors and rabbinic Sages **The Sacraments in Biblical Perspective** Ronald P. Byars, 2011-01-01 The third volume in the exciting new Interpretation series offers a comprehensive look at the theology of sacraments For many church people worship is about preaching and music Baptism and the Lord's Supper are occasional additions to Sunday services Recognizing that church goers are uncertain about the need for sacraments Ronald Byars describes the possibility that the very doing of worship the actions observed the postures assumed the sound and sight of water the smell and taste of bread and wine will subtly alter the temper of the heart and the mind If we encounter the sacraments honestly they lead us to the very heart of the gospel **Cracked: a Biblical Perspective on Divorce** Bishop Henry R. Griffin, 2016-10-27 In my world of Conservative Christian policies a divorce was unthinkable Men and women whose training and background actively prohibited divorce and were very quick to chastise and condemn divorcees Therefore this work simply began as a group of self help notes designed to help me survive the many unpleasant conversations I had with my religious friends I fully recognize some of the concepts provided in this book may contradict certain Conservative Christian viewpoints However they are all 100% scriptural This book was written to bring comfort to those who have experienced a divorce and want to remarry To accomplish this goal I had to crack the language code Too many of our modern bibles have adjusted the language to promote the Conservative Christian story I did not write this book to promote divorce Within the pages of this writing are helpful nuggets designed to assist with conversations between husbands and wives I've also included strategies to help maintain a healthy marital relationship Finally this book was designed to assist individuals with overcoming the victimization stigmatization isolation embarrassment shame and the other sorrows based in ignorance that accompany a divorce in certain religious communities A Biblical Point of View on Homosexuality Kerby Anderson, 2008-03-01 In the last few decades homosexuality has moved from the margins of society to the mainstream In response to this cultural shift Christian apologist and radio host Kerby Anderson sorts through myths to deliver the facts on homosexuality and the social impact it has had on families the church schools and traditional marriage With a balance of God

s truth found in the Bible and a desire to reach out to homosexuals he answers key questions about homosexuality including What percentage of the population is homosexual Is homosexuality the worst of all sins Did Jesus remove God s condemnation of homosexuality Is there a connection between gay teens and suicide What are the causes of homosexuality Anderson also looks at the spiritual aspects of homosexuality and offers practical suggestions for Christians seeking to reach out to gay and lesbian friends and loved ones This book is an essential resource for anyone seeking to better understand the roots goals and implications of homosexuality and the pro gay movement *Perspectives on Our Struggle with Sin* Terry L. Wilder,2011-10-14 A point counterpoint discussion of Paul s words about sin in Romans 7 and whether they describe his pre Christian or post conversion self or the broader idea of the human being confronted with the Law *A Reader in Sociology; Christian Perspectives* Charles P. De Santo,Calvin Redekop,William L. Smith-Hinds,2001-03-07 **Jesus and Virtue Ethics** Daniel Harrington, SJ,Daniel J. Harrington,James F. Keenan,2005-09-16 Answering the call of the Second Vatican Council for moral theology to draw more fully on the teaching of Holy Scripture the authors examine the virtues that both flow from Scripture and provide a lens by which to interpret Scripture By remaining true to both the New Testa *A Biblical Perspective on Life's Purpose in the Age of Postmodernism* David Kondru,2020-12-22 The purpose of the book is to revitalize the essentials of Christian living in a way God wants us to be especially when the bible based moral values and the absolute truths to establish the meaning of life were degraded and whitewashed in this postmodern world At this juncture it is a definite need to search for hidden and forgotten Judeo Christian values that define the meaning of human life and its worth in the eyes of the Living God Its sole purpose is to know Who God is and His standard of living when this world is influenced and reshaped by cultural darkness revolutions and counter revolutions that are antithetical to the bible
