John Erskine

Sincerity A Story Of Our Time:

Sincerity John Erskine, 1929 An interesting Jazz Age novel of social introspection of a man who lived with a woman after his wife left him but whom he never divorced Complications arise when the wife returns Basis for the 1930 black and white talking film *A Lady Surrenders* directed by John M Stahl **Sincerity** John Erskine, 1981-12-01 **The Call of the Heart** Bruce Babington, Charles Barr, 2021-12-22 A study of an important but neglected director that fills many gaps and updates our knowledge of a major filmmaker of the silent period and beyond Positif The profusion of research on film history means that there are now few Hollywood filmmakers in the category of Neglected Master but John M Stahl has been stuck in it for far too long His strong association with melodrama and the woman's film is a key to this neglect those mainstays of popular cinema are no longer the object of critical scorn or indifference but Stahl has until now hardly benefited from this welcome change in attitude His remarkable silent melodramas were either lost or buried in archives while his major sound films such as *Imitation of Life* and *Magnificent Obsession* equally successful in their time have been overshadowed by the glamour of the 1950s remakes by Douglas Sirk Sirk is a far from neglected figure Stahl's much longer Hollywood career deserves attention and celebration in its own right as this book definitively shows Drawing on a wide range of film and document archives scholars from three continents come together to cover Stahl's work as director and also producer from its beginnings during World War I to his death as a still active filmmaker in 1950 Between them they make a strong case for Stahl as an important figure in cinema history and as author of many films that still have the power to move their audiences

Jean Richard Bloch, 1929 How can you be French bourgeois and Jewish at the same time And *Compagnie* is the first major text to pose such a question clearly and the first great novel of the twentieth century to offer an answer Booklist, 1929 **An Experiment in Sincerity** John Erskine, 1933 *Worship in an Age of Anxiety* J. Michael Jordan, 2024-06-04 Too often in the history of Christian worship evangelical leaders have sought to manipulate anxiety to spur repentance J Michael Jordan challenges this utilitarian approach offering a practical theology of worship within a healing framework that rather than manipulating anxiety acknowledges accepts and offers it to God **How to Survive Spiritually in Our Times, Mahanta Transcripts, Book 16** Harold Klemp, 2019-03-01 Harold Klemp's stories are your stories They're about people like you They're about extraordinary experiences Heartwarming experiences Small miracles and gifts from God that happen in your everyday life The spiritual good news of today Take the story of Rebecca who is told by doctors that she'll never have children She really wants children of her own She opens herself to Divine Spirit and asks If there's any way for me to have my own children please let it be so She practices techniques included in this book and working with Divine Spirit reinvents herself The direction and insight she receives one day bring her a miracle A child of her own A master storyteller Harold Klemp weaves stories tools and techniques into the golden fabric of his books to help you see deeper truths within and apply them in your life now He speaks directly to Soul that divine
