lives Secrets in the Beacon Light is truths It tells readers honest loving caring observations Perhaps other wouldn't want to say such things because it appears so obvious and perhaps we already KNOW these things If we KNOW why do we appear STUCK in the same old thing Knowledge is worthless if we fail to use it Secrets in the Beacon Light name was chosen because the beacon light offers HOPE and encouragement to those LOST at sea It alerts those on the boat that land is near We may need to follow that beacon light and not be lost ANYMORE Perhaps you too have noticed how fast time appears to be going by Hopefully we still gave time to get things right with our God Clue 3 Choices Decisions we make for the benefit of others can change our lives It's not difficult to prefer someone's success other than our own When we practice making this type of choice making it brings REWARDS when we least expect them We can even accomplish putting others before ourselves with a smile a silent prayer or even by remembering someone's name We don't need to always think we need money to show someone we care How about TELLING them They may not KNOW you care They may not KNOW you think about them if you don't TELL them It may be a mistake to think they KNOW Clue 48 If we are struggling in life we may be going in the wrong direction RELAX take it easy There's proof Notice the rivers streams they FLOW It's always difficult when we make a BIG deal out of issues that come up in our lives That type of behavior IS A CHOICE and will make issues harder more difficult to handle Take it slow Most issues don't require your immediate response We may have been surprised when that difficulty happened and would be thinking more clearly later WAITING before we make decisions allows our YES to be yes and our NO to be no and not have to change our minds later In turn we can be more trustworthy People will know that when we say something you aren't just TALKING you mean it

history has fought fellow man All impactful nations of our world fight other nations and must spend enormously because they must be ready to fight It seems that we cannot outgrow fighting This book imagines a world in which man does not engage in war Animals are surrogates and only animals engage in fighting to the death Such practice is beneath civilized man but he is not totally removed Humans are obsessed with watching animals fight to the death The animals do not mind What happens when kids try it Once the passion for fierce fighting enters the blood can humans resist the urge to engage in war Yes they are superior to animals but can humans refrain from doing the thing they believed they were too smart to ever do
