Sinfulness Of Sin:

The Sinfulness of Sin Ralph Venning, 2015-02-12 In this powerful treatise Puritan preacher Ralph Venning exposes the heinous nature of sin revealing its devastating effects and the ruin it brings to the human soul With uncompromising clarity Venning shows how sin corrupts man s being offends God s holiness and deserves eternal condemnation Yet he also points to the grace and mercy of Christ who delivers repentant sinners from sin s guilt and power This compelling work is a timeless reminder of sin s ugly reality and the glorious redemption found only in the gospel

The Sinfulness of Sin Ralph Venning, 2017-04-22 Sin is contrary to the nature of God God s name is holy and as his name is so is he and his nature all holy he is so and cannot but be so Therefore God takes it worse that men should think him wicked like themselves Psalm 50 16 22 than that they think him not to exist Psalm 14 1 It is said to weary him when men say that evil is good in his sight Malachi 2 17 This is the thing God glories in that he is holy even glorious in holiness Exodus 15 11 Holiness is the attribute which frees God not only from evil itself but from all appearance or suspicion of evil If God were not holy many of the things which God does would look unlike him his justice and judgments would look not only like severity but tyranny were not it and they holy his love in its conduct and behaviour to some people would look like fondness and respect of persons but that it is holy his patience would look like a toleration if not approbation of sin but that it is holy patience Thus many acts of God were it not for holiness would appear as seemingly evil as they are really good and would be as much suspected by all as they are unjustly censured by some God is holy without spot or blemish or any such thing without any wrinkle or anything like it as they also that are in Christ shall one day be Ephesians 5 27 He is so holy that he cannot sin himself nor be the cause or author of sin in another He does not command sin to be committed for to do so would be to cross his nature and will Nor does he approve of any man s sin when it is committed but hates it with a perfect hatred He is without iniquity and of purer eyes than to behold i e approve iniquity Habakkuk 1 13
