101 Playground Games Therese Hoyle, Barbara Maines, George Robinson, 2020-04-28 The school playground plays a crucial role in developing all aspects of children's behaviour and interpersonal learning Yet there is a growing awareness that children today do not play in the same sociable ways as previous generations This resource provides a practical toolkit of ideas to promote lively and enjoyable games It draws on traditional games and also introduces a wealth of new ones including Chasing and catching games Skipping games and rhymes Singing and dancing games Parachute games Quiet games Circle games Cooperative games Games from around the world
NFB Kids Brian J. Low, 2006-01-01 Imagine a society that exists solely in cinema this book explores exactly that Using a half century of films from the archival collection of the National Film Board NFB Kids Portrayals of Children by the National Film Board of Canada 1939 1989 overcomes a long standing impasse about what films may be credibly said to document Here they document not reality but social images preserved over time the NFB Society an evolving cinematic representation of Canadian families schools and communities During the postwar era this society in cinema underwent a profound change in its child rearing and schooling philosophies embracing modern notions based upon principles espoused by the American mental hygiene movement Soon after the introduction of these psychological principles into NFB homes in 1946 and schools in 1956 there was a subtle transformation in adult child relations which progressively over time narrowed the gulf of power between generations and diminished the socializing roles of the NFB parents and teachers NFB Kids is a pioneering study within a new field of academic research cinema ethnography It adds to the growing body of knowledge about the function and the considerable impact of psychiatry and psychology in the post war social reconstruction of Canadian society and social history It will be of interest to academics over a broad spectrum of disciplines and to anyone thinking about the advancing arbitrary power of the cinematic state
