Singing For Life:

Singing for Life Elliott Jones, 2009-08-18 **Singing For Life** Gregory Barz, 2014-06-17 Efforts within the past decade to address the HIV AIDS pandemic in sub Saharan Africa have dealt with HIV AIDS principally as a medical concern despite the fact that doctors continue to be confronted with the complex relationship of the disease to broader social issues When medical and governmental institutions fail artists step in Contemporary performances in Uganda often focus on gender and health related issues specific to women and youths in which song texts warn against risky sexual environments or unprotected sexual behavior Music dance and drama are principal tools of local initiatives that disseminate information mobilize resources and raise societal consciousness regarding issues related to HIV AIDS Through case studies song texts interviews and testimonies **Singing for Life HIV AIDS and Music in Uganda** examines the links between the decline in Uganda's infection rate and grassroots efforts that make use of music dance and drama Only when supported and encouraged by such performances drawing on localized musical traditions have medical initiatives taken root and flourished in local healthcare systems Gregory Barz shows how music can be both a mode of promoting health and a force for personal therapy presenting a cultural analysis of hope and healing **Singing Reconciliation: Inhabiting the Moral Life According to Colossians 3:16** Amy Whisenand Krall, 2023-10-30 The letter to the Colossians contains a series of moral instructions in Colossians 3 12 17 and includes the admonition to sing among them This study considers how music making specifically singing supports moral formation according to the letter to the Colossians Studies in ethnomusicology anthropology of the voice and music psychology offer useful frameworks for conceptualizing how a social practice like music making forms participants into a community and shapes how they know themselves their community and the world With the aid of these frameworks we find that the singing in Colossians 3 16 as a corporate vocal practice of music making enables the members of the church community to inhabit the story of reconciliation found in the Christ Hymn Col 1 15 20 *The Performing Life* Sharon Mabry, 2012-08-07 The author draws on personal experience to explore how singers survive in the face of personal and professional pressures exorbitant expectations illness and public demands She details factors that can change the course of a particular performance or an entire career This book looks at the need for extensive preparation discovering performance niche acquiring mentors determining maintenance levels finding a support system and grooming the body and mind In addition the text discusses matters of personal health for singers illness food allergies insomnia as well as challenges presented in recording studios and performance venues This book outlines advice for singers to bolster themselves mentally physically and emotionally in order to maintain their powers of performance **Singing Through Life with God** George Wharton James, 1920 **Bulletin Inserts for the Liturgical Life of the Parish** Paul Turner, 2020-01-13 This product contains 19 bulletin inserts discussing the various liturgical ministers **I Will Sing Life** Sandra Fenichel Asher, 2000 Seven children with life threatening illnesses share their perspectives on life *A Life for Freedom* Denis

Goldberg,2016-03-18 From June 1963 to October 1964 ten antiapartheid activists were tried at South Africa s Pretoria Supreme Court Standing among the accused with Nelson Mandela Ahmed Kathrada and Walter Sisulu was Denis Goldberg Charged under the Sabotage and Suppression of Communism Acts for campaigning to overthrow the government by violent revolution Goldberg was found guilty and sentenced to life imprisonment The only white man convicted during the infamous Rivonia trial he played a historic role in the struggle for justice in South Africa In this remarkable autobiography Goldberg discusses growing up acutely aware of the injustice permeating his homeland He joined the South African Communist Party and helped found the Congress of Democrats It was his role as an officer in the armed underground wing of the African National Congress ANC however that led to his life sentence the outcome of which was a staggering twenty two years behind bars While he was incarcerated the racist dogma of apartheid imposed complete separation from his black comrades and colleagues a segregation that denied him both the companionship and the counsel of his fellow accused Recounted with humor and humility Goldberg s story not only provides a sweeping overview of life in South Africa both during and after apartheid but also illuminates the experiences of the activists and oppressors whose fates were bound together *Dem Dry Bones* Luke A. Powery,2012-12-01 In an age when the so called prosperity gospel holds sway in many Christian communities or the good news of Christ is reduced to feel good bromides it would seem that death has little place in contemporary preaching Embracing the vision of the valley of dry bones in Ezekiel 37 as a metaphor for preaching in the Spirit acclaimed homiletician Luke Powery asserts that death is the context for all preaching In fact the Spirit leads preachers to the context of death each Sunday in order to proclaim a word of life that ultimately breathes hope into people s lives Yet many preachers avoid death because they are at a loss of what to say about it and do not realize its vital connection to the substance of Christian hope As a result the church is too often left with sermons that are fundamentally devoid of hope *Dem Dry Bones* aims to remedy some of the theological and homiletical shortcomings in contemporary preaching by looking closely at the African American spirituals tradition Through this study Powery demonstrates how to preach in the Spirit so that proclaiming death becomes an avenue toward hope In short no death no hope **Singing with the Dogon Prophet** Walter E.A. van Beek,Oumarou S. Ongoiba,Atimè D. Saye,2022-04-25 In the Dogon funeral proceedings a major song cycle called baja ni is performed in a session of at least seven hours The texts of the chants are attributed to a legendary figure called Abir who as a blind singer in the nineteenth century roamed the heartland of the Dogon The baja ni songs have escaped scholarly attention thus far *Singing with the Dogon Prophet* by Walter E A van Beek Oumarou S Ongoiba and Atim D Saye provides their first publication in English as well as an analysis of these songs These texts deal with the relations between man and woman man s ambivalent dependency on the otherworld and with life and death the whole night performance is one of the high points of the funeral Additionally Abir is a prophet and during his life has uttered a great number of prophecies on a wide range of topics from local issues to the relation of the Dogon with the Fulbe herdsman and from the arrival of the

colonials to ecological transformation This book examines how these prophecies with these songs offer an inside view of the way the Dogon construct the present in a continuous dialogue with their past and their projected future
