

Single Parent

J Dianne Garner, Wendy A Paterson

Single Parent:

Growing Up with a Single Parent Sara McLanahan, Gary D. Sandefur, 2009-07-01 Nonwhite and white rich and poor born to an unwed mother or weathering divorce over half of all children in the current generation will live in a single parent family and these children simply will not fare as well as their peers who live with both parents This is the clear and urgent message of this powerful book Based on four national surveys and drawing on more than a decade of research *Growing Up with a Single Parent* sharply demonstrates the connection between family structure and a child's prospects for success What are the chances that the child of a single parent will graduate from high school go on to college find and keep a job Will she become a teenage mother Will he be out of school and out of work These are the questions the authors pursue across the spectrum of race gender and class Children whose parents live apart the authors find are twice as likely to drop out of high school as those in two parent families one and a half times as likely to be idle in young adulthood twice as likely to become single parents themselves This study shows how divorce particularly an attendant drop in income parental involvement and access to community resources diminishes children's chances for well being The authors provide answers to other practical questions that many single parents may ask Does the gender of the child or the custodial parent affect these outcomes Does having a stepparent a grandmother or a nonmarital partner in the household help or hurt Do children who stay in the same community after divorce fare better Their data reveal that some of the advantages often associated with being white are really a function of family structure and that some of the advantages associated with having educated parents evaporate when those parents separate In a concluding chapter McLanahan and Sandefur offer clear recommendations for rethinking our current policies Single parents are here to stay and their worsening situation is tearing at the fabric of our society It is imperative the authors show that we shift more of the costs of raising children from mothers to fathers and from parents to society at large Likewise we must develop universal assistance programs that benefit low income two parent families as well as single mothers Startling in its findings and trenchant in its analysis *Growing Up with a Single Parent* will serve to inform both the personal decisions and governmental policies that affect our children's and our nation's future [In Defense of Single-Parent Families](#) Nancy E Dowd, 1999-05-01 An expert in family law and policy presents a thought provoking examination of the stereotypes realities and possibilities of single parent families Single parent families succeed Within these families children thrive develop and grow just as they do in a variety of family structures Tragically they must do so in the face of powerful legal and social stigma that works to undermine them As Nancy E Dowd argues here this stigma is founded largely on myths which result in harshly punitive social policies Dowd details the primary justifications for stigmatizing single parent families marshalling an impressive array of resources that portray a very different picture of them She describes them in all their forms with particular attention to the differential treatment given to never married and divorced single parents and to the impact of gender race and class Illustrating the harmful impact of current laws concerning divorce welfare and

employment Dowd makes a powerful case for centering policy around the welfare and equality of all children *A Single Mother, a Few Perspectives... .. and Anyone Else That Is a Single Parent* Mary Elizabeth Jones M a, Mary Elizabeth Jones, 2012-12-19 Are you looking for a single parent guide written by an author who understand and shares your experience Are you a single mother by choice Are you looking for single mother assistance or single mother help Would you like to learn about single motherhood Does it seem difficult being a single parent in general If you are able to answer yes to any of the above questions regarding single parenthood then *A Single Mother A Few Perspectives* And anyone else that is a Single Parent is the book for you This incredible self help book uses valuable strategies to assist single parents in maximizing their time energy and resources so they can make the most of their lives for themselves and their children An excellent parent education manual *Single Parents* Karen L. Kinnear, 1999 *Single Parents* offers an overview of this growing phenomenon the problems faced by single parent families and their impact on society Topics include men and women as single parents single mother families and poverty the legal system and single parents gay and lesbian parents moral issues and the effects of growing up in a single parent family The experiences of single parents in other countries are also discussed This volume lists numerous resources among them federal government programs state statutes concerning child custody and adoption private and public organizations a guide to literature films and videos and information on the Internet **Families with a Single Parent** Tanya Dellaccio, 2020-07-15 Each family is unique Sometimes families only have one parent and that s OK Many children in the United States live with one parent Some families with one parent are surrounded by positive circumstances whereas others face difficulties such as a lack of childcare and poverty This guidebook explores the joys hardships and complexities of life with a single parent It touches upon different situations that might lead to a single parent household It explores ways in which children can better understand their feelings and overcome obstacles related to growing up in a single parent lifestyle **Single-parent Families** Richard Worth, 1992 Discusses the reasons for the needs and the challenges of single parent families *Single Parents Can Be Proud Parents* Dr. Juanita Shaw, 2019-10-28 *Single Parents Can Be Proud Parents My Story to His Glory* Our children are God s gifts to us As parents we must cultivate nurture and treasure them as well as make them feel appreciated and loved Many single parents often look at single parenting as a task too large to undertake and rightfully so if they try to do it on their own Through her simple yet inspiring words Dr Shaw encourages you in *Single Parents Can Be Proud Parents My Story to His Glory* that when facing challenges you can still be the proud and successful parent that God has called you to be When you place your total confidence and trust in the Almighty God He will lead you every step of the way *Poverty And Single Parent Families* Trudi J. Renwick, 2021-12-12 First published in 1998 In August 1996 Congress passed welfare reform legislation designed to end welfare as we know it The people most affected by this radical transformation of the public assistance system are families headed by single parents The authors states that unfortunately misinformation regarding single parent families is widespread Too often public policy such

as the 1996 welfare reform has been based on stereotypes and misperceptions rather than facts The primary objective was to show how the official measures of poverty underestimate the extent of material hardship in single parent families The facts as developed in this book show that for most single parent families income from employment is not sufficient to support a decent standard of living

Unbroken Homes J Dianne Garner, Wendy A Paterson, 2014-02-25 Explore the real life triumphs and tragedies of single parent mothers *Unbroken Homes* is a story quilt of personal narratives constructed from in depth case study interviews of five single parent mothers The book chronicles their journeys as mothers daughters and women in relationships and in solitude displaying their stories in their own words like the squares of a multicolored quilt *Unbroken Homes* breaks through the stigma associated with broken homes and provides a new perspective on the reorganization of American families *Unbroken Homes* encourages you to rethink some damaging stereotypical assumptions about children from single mother headed homes Drawing information from family research counseling and a cross section of social sciences this book is pertinent to any professional who works with single parents or their children *Unbroken Homes* does not deal with what is typical in the single parenting experience nor does it give advice or proselytize Rather its purpose is to discover the meaning that single parent mothers bring to their own lives helping you to understand the dynamics of single parent families from a uniquely personal perspective In *Unbroken Homes* you will witness the ways that these women experience the ill effects of gender role socialization work to overcome stigma redefine ideals for family life and gender expectations balance responsibilities in and outside of their homes stretch finances to meet the needs of their families regain strength and self confidence encourage their children s development affirm the strength of their families cope with depression develop networks of support This intensely personal collection of women s stories and reflections is a must read for everyone who seeks a better understanding of divorce single parenting and being alone from an insider s perspective

Single Parenting Anthony Ekanem, 2016-07-27 It is fair to say that most people don t ever expect to become single parents And it is also safe to say that you are never really prepared for the role However according to U S census records there are more than 13.6 million single parents in the United States and the number continues to grow It is not just women who are now responsible for the task of raising children by themselves the number of single fathers is also increasing As a single parent you will be faced with a number of challenges Some may surprise you Others will be expected The more information you have the easier it will be to navigate these challenges and successfully transition into the role of a single parent This book is designed to help you navigate the transition successfully We will talk about the emotions you will probably feel how to find support and how to establish priorities and plan for success We will wrap it all up with a look at why being a single parent can be tremendously rewarding and how to maintain a positive outlook

This book delves into Single Parent. Single Parent is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Single Parent, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Single Parent
- Chapter 2: Essential Elements of Single Parent
- Chapter 3: Single Parent in Everyday Life
- Chapter 4: Single Parent in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Single Parent. This chapter will explore what Single Parent is, why Single Parent is vital, and how to effectively learn about Single Parent.
3. In chapter 2, the author will delve into the foundational concepts of Single Parent. The second chapter will elucidate the essential principles that need to be understood to grasp Single Parent in its entirety.
4. In chapter 3, this book will examine the practical applications of Single Parent in daily life. The third chapter will showcase real-world examples of how Single Parent can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Single Parent in specific contexts. The fourth chapter will explore how Single Parent is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Single Parent. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Single Parent.

Single Parent Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Single Parent free PDF files is Open Library. With its vast collection of over 1

million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Single Parent free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Single Parent free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Single Parent. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Single Parent any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Single Parent Books

1. Where can I buy Single Parent books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or

software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Single Parent book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Single Parent books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Single Parent audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Single Parent books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
