The Boy & the Old Man Omar Eby, 2009-02-09 So who is Omar Eby A retired English professor tenderhearted and cynical who looks with affection and severity upon the young man he once was in Somalia Eby's first chapter Learning My Name quickly and playfully sets the tone for this fascinating memoir The Boy and the Old Man Identifying with one Omar after another Eby skips from a Taliban terrorist and a four star general to a translator of Somali tales and an Old Testament duke then recalls an English student in Mogadiscio and an Epicurean Persian poet meets a Chilean Anabaptist and finally names the close friend of Prophet Muhammad Omar ibn al Khattab You think this an exercise in narcissism Of course not the author finds too many ties linking a naive Mennonite missionary boy to Muslim society and the incredible beauty of the natural world shows too well the tensions between documented facts and dramatic memory On the horn of Africa Somali pirates seize tankers On the mainland clans fire rockets into each others quarters of Mogadishu once the capital of the Somali Republic But Omar Eby remembers another Somalia when he taught there 50 years ago Through the

grid of accumulated years Eby studies that missionary boy The reader hears two voices the 23 year old boy and the 73 year old man Often the old man loves the boy often the boy embarrasses him The Somalis Eby remembers as beautiful and exasperating then in 1959 as now in 2009 The chapters are like a series of transparencies laid down one on top of the other The boys views overlaid by the mans two visits to Somalia in his thirties and then memory laid over everything With more details everything should be clearer Yet Eby writes in the Introduction we are pleasantly surprised to find that the historically reconstructed self is still blurred as muddy as the Shebelle River which flows through Somalia from the Ethiopian highlands

Winston Churchill's American Cousin and Other Tales Scot Walker, 2001-05 We walked and we walked and it seemed like hours before we finally made it to the cemetery and since it was the first cemetery Eddie and Robert had ever visited it took a lot of enticing to lure them in Stop bawling Aunt Katie screamed as she grabbed her sons by their scrawny arms and started to drag them through the half opened gates We re only going to be here a few minutes to meet your grandpa and then we ll go home Well the minute Eddie heard the words meet your grandpa he let out a scream that could have awakened grandpa from his twenty year nap And as soon as Eddie started bawling Robert grabbed hold of the iron gate with a resolution that would have done Hercules proud Meanwhile I decided that maybe it wasn't such a good idea to say hi to grandpa after all Maybe we should just toss the pretty plastic flowers over the fence and run like hell We re not going to see grandpa my mother said we re just going to pay him a little respect He's dead and he's buried and he's going to stay that way Now get a grip and follow me
