Michael Earley, Philippa Keil, 2000-02-01 Applause Books Your one stop classical workshop At last over 175 of Shakespeare's finest and most performable monologues taken from all thirty seven plays are here in two easy to use volumes Men and Women Selections travel the entire spectrum of the great dramatist's vision from comedies wit and romances to tragedies pathos and histories Soliloquy is an excellent and comprehensive collection of Shakespeare's speeches Not only are the monologues wide ranging and varied but they are superbly annotated Each volume is prefaced by an informative and reassuring introduction which explains the signals and signposts by which Shakespeare helps the actor on his journey through the text It includes a very good explanation of blank verse with excellent examples of irregularities which are specifically related to character and acting intentions These two books are a must for any actor in search of a classical audition piece Elizabeth Smith Voice Director Juilliard Language and Characterisation Jonathan Culpeper, 2014-07-23 Textual Explorations General Editors Mick Short Lancaster University Elena Semino Lancaster University The focus of this series is on the stylistic analysis of literary and non literary texts and the theoretical issues which such work raises Textual Explorations will include books that cover studies of literary authors genres and other groupings stylistic studies of non literary texts translation study the teaching of language and literature the empirical study of literature and corpus approaches to stylistics and literature study Books in the series will centre on texts written in English Readership of the series is mainly undergraduate and postgraduate students although advanced sixth formers will also find the books accessible The series will be of particular interest to those who study English language

English literature text linguistics discourse analysis and communication studies Language Characterisation People in Plays Other Texts explores how the words of a text create a particular impression of a character in the reader's mind Drawing together theories from linguistics social cognition and literary stylistics it is the first book length study to focus on the role of language and characterisation characterisation in the dialogue of play texts Containing numerous examples from Shakespeare's plays the book also considers a wide range of other genres including prose fiction verse films advertisements jokes and newspapers Language and Characterisation is as practical as it is theoretical and equips readers with analytical frameworks to reveal and explain both the cognitive and the linguistic sides of characterisation Clear and detailed introductions are given to the theories and useful suggestions for further analysis are also made at the end of each part of the book The book will be essential reading for students and researchers of language literature and communication

Soliloquy! William Shakespeare, 1988 The Shakespeare monologues Speeches Monologues women **Walford's Guide to Reference Material: Generalia, language and literature, the arts** Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories Twelfth Night Graham Atkin, 2008-01-12 The characters of Twelfth Night are both memorable and engaging and it is through their funny and at times bitter interplay that we experience the peculiar world of Shakespeare's Illyria This study begins with an introduction to the concept of characters on the early modern stage before proceeding to a textual analysis of each of the main characters in the play looking at how what they say and do and what is said about them creates the illusion of character Each chapter also contains a brief account of key performances by actors on stage and in film *Multi-disciplinary Lexicography* Olga M. Karpova, Faina I. Kartashkova, 2014-08-11 The present book is based on presentations made during the IXth International School on Lexicography Multi disciplinary Lexicography Traditions and Challenges of the XXIst Century at Ivanovo State University September 8-10 2011 and continues a series of collective monographs devoted to the theoretical and practical problems of lexicography published by Cambridge Scholars Publishing in 2007 2009 and 2010 The scope of topics discussed in four parts Dictionary as a Cross road of Language and Culture Dictionary Use and Dictionary Criticism Terminology and LSP Studies and Projects of New Dictionaries is rather wide and focuses on burning problems of European Russian and world lexicography as well as on projects of new dictionaries This book will be of interest to theoreticians practitioners and students of linguistic faculties **Waterstone's Guide to Books** Waterstone & Co, 1988
