Look Inside:

It's Time to Look Inside Pamela P. Dunn, 2014-10-09 No one is born hating another person because of the color of his skin or his background or his religion People must learn to hate and if they can learn to hate they can be taught to love for love comes more naturally to the human heart than its opposite NELSON MANDELA Take a truly transformative journey of exploration along with author Pamela Dunn when you read It s Time to Look Inside Begin to see yourself and everyone in your life through the lens of magnificence by learning to cultivate openheartedness You ll also learn specific and proven methods to shed old ways of viewing the world and your place in it and integrate new ways of operating Discover honor and identify magnificence in those who express the opposite and learn how to treat yourself and others more compassionately *Look Inside of Me!* Timothy Wiebe, 2007-11 Within these pages is the answer for thoughts of unworthiness and the secret to finding God s love revealed as never before Motivation **A Look Inside Alzheimer's** Marjorie N. Allen, Susan Dublin, Patricia J. Kimmerly, 2012-09-18 A Look Inside Alzheimer s is a captivating read for friends families and loved ones affected by this mind robbing disease Individuals with early stage Alzheimer s disease will take comfort in the voice of a fellow traveler experiencing similar challenges frustrations and triumphs Family and professional caregivers will be enlightened by this book and gain a better understanding of this unfathomable world and how best to care for someone living in it Susan and PJ share their accounts of their own transformation and deterioration with early onset Alzheimer s Disease and Marjorie shares her perspective as the wife of a person living with Alzheimer s Disease The book addresses the complexity and emotions surrounding issues such as the loss of independence unwanted personality shifts struggle to communicate and more The three life stories intertwined along with boxed quotes from professionals in the field make this book special LOOKING FOR HAPPINESS? LOOK INSIDE! ALBERTO VEZENDI, 2019-06-07 Why squander our life the only one we have in a permanent state of want and anxiety when we can live a life of abundance and bliss Why make our happiness depend on externalities when the only truly lasting happiness is inside each one of us Why sacrifice the happiness we could be enjoying today on the altar of a vague promise of future bliss when we already have everything we need to be happy in the present In this work the author shows us how to overcome the two main obstacles to happiness attachment and anxiety Readers will see that detachment and the ability to stop worrying are neither gifts of the chosen nor inborn talents reserved for a few but skills that can be learned at any moment in life regardless of our situation In the first part we ll focus on attachment to objects and people We ll see how attachment inevitably leads to fear and that fear is incompatible with happiness We ll examine the role of craving and desire of want and satisfaction of control and freedom of possessions and love and we ll see that precious little is needed to live a happy life In the second part we ll delve into what is probably the main cause of unhappiness anxiety We ll see that most of the worry that taints our happiness is unjustified because it stems from adversities that only exist in our mind To understand this reasoning we ll analyze how we create all

our expectations and fears in the present how we project them into a future that is no less a product of our own imagination and how we then await with apprehension the arrival of that future in which we have placed our hopes and misgivings Happiness is not an unattainable dream not even a future goal we re doomed to pursue forever in vain but a natural innate gift we ve all been endowed with We have now and always have had all the happiness we ll ever have but we don t allow it to bloom in our lives because we ve unconsciously buried it under an ever thickening layer of impediments that prevent it from manifesting every day of our life This book is here to help you find your happiness but to do so it has to challenge many of the received ideas and dogmas that for centuries have condemned humanity to unhappiness Please read it with an open mind and consider with fairness whether the ideas contained herein make any sense for you When doing so be honest with yourself and don t let other people s opinions influence your conclusions Remember that ultimately you are your only judge and that on your deathbed the opinions other people may have about you will not change the verdict of your conscience about how you lived your own life Your happiness is in your own hands and nowhere else for only you can make it real Let this book help you drop the ballast of your worries and attachments and glide smoothly through life The solution is inside discover it and let the magic happen Don t wait until it s too late it s now or never
