Looking For Lost Bird A Jewish Womans Discovery Of Her Navajo Roots:

The Columbia Guide to American Indian Literatures of the United States Since 1945 Eric Cheyfitz, 2006-04-04

The Columbia Guide to American Indian Literatures of the United States Since 1945 is the first major volume of its kind to focus on Native literatures in a postcolonial context. Written by a team of noted Native and non Native scholars, these essays consider the complex social and political influences that have shaped American Indian literatures in the second half of the twentieth century, with particular emphasis on core themes of identity, sovereignty, and land. In his essay comprising part I of the volume, Eric Cheyfitz argues persuasively for the necessary conjunction of Indian literatures and federal Indian law from Apsá to Alexie. Part II is a comprehensive survey of five genres of literature: fiction, Arnold Krupat and Michael Elliott poetry, Kimberly Blaaser drama, Shari Huhndorf nonfiction, David Murray and autobiography, Kendall Johnson and discusses the work of Vine Deloria Jr, N Scott Momaday, Joy Harjo, Simon Ortiz, Louise Erdrich, Leslie Marmon Silko, Gerald Vizenor, Jimmy Santiago Baca, and Sherman Alexie among many others. Drawing on historical and theoretical frameworks, the contributors examine how American Indian writers and critics have responded to major developments in American Indian life and how recent trends in Native writing build upon and integrate traditional modes of storytelling. Sure to be considered a groundbreaking contribution to the field, *The Columbia Guide to American Indian Literatures of the United States Since 1945* offers both a rich critique of history and a wealth of new information and insight. **Native American Woman** Joan Nordquist, 1999

Jewish American Literature Rosalind Reisner, 2004-10-30 Jewish American literature covers a broad range of genres and literary works. Some of the United States' most compelling literature centers on the American Jewish experience; some of the most acclaimed authors write from the heart of their experience as Jewish Americans. This groundbreaking work is intended to guide readers and those who advise readers in selecting fiction and nonfiction books that match specific reading interests. It is the first readers advisory guide to Jewish American literature. Like other titles in the Genreflecting Advisory Series, the book organizes titles by genre: mysteries, thrillers, historical fiction, science fiction, and fantasy; stories of romance and literary fiction. In addition, there are chapters on Holocaust literature and on biography, autobiography. More than 700 titles are categorized and described. Each chapter is further organized by subgenre and theme. Award-winning titles are noted, as are books that appeal to young adult readers and titles appropriate for book clubs and reading discussions. In addition, the author presents guidelines for building and maintaining a collection of Jewish literature, tips for advising readers, and lists of further resources for exploring the genre, making this a thorough and practical resource. Young adult and adult, Grades 9 and up. **Queer Jews** David Shneer, Caryn Aviv, 2013-12-02 Queer Jews describes how queer Jews are changing Jewish American culture, creating communities, and making room for themselves as openly unapologetically queer and Jewish. Combining political analysis and personal memoir, these essays explore the various ways queer Jews are creating new forms of Jewish communities and institutions and demanding that Jewish communities become

more inclusive Looking for Lost Bird Yvette Melanson, Claire Safran, 2000-01-05 In this haunting memoir Yvette Melanson tells of being raised to believe that she was white and Jewish At age forty three she learned that she was a Lost Bird a Navajo child taken against her family s wishes and that her grieving birth mother had never stopped looking for her until the day she died In this haunting memoir Yvette Melanson tells of being raised to believe that she was white and Jewish At age forty three she learned that she was a Lost Bird a Navajo child taken against her family s wishes and that her grieving birth mother had never stopped looking for her until the day she died **Reference Encyclopedia of the American Indian** Barry T. Klein, 2005 **Jewish Feminism and Intersectionality** Marla Brettschneider, 2016-05-01 Addresses the absence of Jewish subjects in intersectionality studies and demonstrates how to do intersectionality work inclusive of Jewish perspectives Jewish Feminism and Intersectionality explores a range of opportunities to apply and build intersectionality studies from within the life and work of Jewish feminism in the United States today Marla Brettschneider builds on the best of what has been done in the field and offers a constructive internal critique Working from a nonidentitarian paradigm Brettschneider uses a Jewish critical lens to discuss the ways different politically salient identity signifiers cocreate and mutually constitute each other She also includes analyses of matters of import in queer critical race and class based feminist studies This book is designed to demonstrate a range of ways that Jewish feminist work can operate with the full breadth of what intersectionality studies has to offer Blending feminist political theory with personal narratives Brettschneider makes a compelling case for the inclusion of Jewish feminist perspectives in intersectionality studies particularly its potential to provide insight in the undertheorized intersection of race sexuality and religious culture Kimala Price San Diego State University New Books on Women and Feminism , 1999 **American Indian Culture and Research Journal** , 2001
American Book Publishing Record , 1999
