Of Tribes and Tribulations James E. Odenkirk,2015-05-23 Over their first four decades in the American League the Cleveland Indians were known more for great players than consistently great play Its rosters filled with all time greats like Cy Young Nap Lajoie Elmer Flick Tris Speaker and the ill fated Addie Joss and Ray Chapman Cleveland often found itself in the thick of the race but with 1920 the lone exception seemed always to finish a game or two back in the final standings In the 10 years that followed the end of World War II however the franchise turned the corner Led by owner and world class showman Bill Veeck the boy manager Lou Boudreau ace Bob Feller and the barrier busting Larry Doby Cleveland charged up the standings finishing in the first division every season but one and winning it all in 1948 This meticulously researched history covers the Indians first six decades from their minor league origins at the end of the 19th century to the dismantling of the 1954 World Series club It is a story of unforgettable players frustrated hopes and two glorious victories that fed a city s unwavering devotion to its team

Greatness in the Shadows Douglas M. Branson,2016-04-01 Just weeks after Jackie Robinson joined the Brooklyn Dodgers Larry Doby joined Robinson in breaking

the color barrier in the major leagues when he became the first black player to integrate the American League signing with the Cleveland Indians in July 1947 Doby went on to be a seven time All Star center fielder who led the Indians to two pennants In many respects Robinson and Doby were equals in their baseball talent and experiences and had remarkably similar playing careers both were well educated well spoken World War II veterans and both had played spectacularly albeit briefly in the Negro Leagues Like Robinson Doby suffered brickbats knock down pitches spit in his face and other forms of abuse and discrimination Doby was also a pioneering manager becoming the second black manager after Frank Robinson Well into the 1950s Doby was the only African American All Star in the American League during a period in which fifteen black players became National League All Stars Why is Doby largely forgotten as a central figure in baseball s integration Why has he not been accorded his rightful place in baseball history Greatness in the Shadows attempts to answer these questions bringing Doby s story to life and sharing his achievements and firsts with a new generation *Hal Trosky* William H. Johnson,2017-03-06 Hal Trosky played first base and was team captain for the Cleveland Indians during the Great Depression His career stretched from the heyday of Babe Ruth through the end of World War II It was a time when the American League had perhaps the three greatest ever first basemen Lou Gehrig Jimmie Foxx and Hank Greenberg whose feats consigned Trosky to the footnotes of history Yet at his peak he played comparably to other pros leading the American League in RBIs in 1936 Trosky left baseball at 34 his career cut short by migraine headaches and was elected to the Indians All Time team in 1969 Drawing on family archives and exhaustive research this first ever biography covers his early years in Iowa his Major League career and his post baseball life League Park Ken Krsolovic,Bryan Fritz,2013-03-05 This is a comprehensive history of League Park primary home field for Major League Baseball in Cleveland from 1891 to 1946 but with a significant history that includes the National Football League Negro League baseball college football and boxing and an uncanny multitude of amazing events and people This chronicle allows for these grounds to take their place among the more heralded parks of baseball s past and present The site has survived to this day as a baseball grounds a groundbreaking for renovations took place in October 2012 Bad Boys, Bad Times Scott H. Longert,2019-02-21 In 1937 the Great Depression was still lingering but at baseball parks across the country there was a sense of optimism Major League attendance was on a sharp rise Tickets to an Indians game at League Park on Lexington and East 66th were 1 60 for box seats 1 35 for reserve seats and 55 for the bleachers Cleveland fans were particularly upbeat Bob Feller the teenage phenomenon was a farm boy with a blistering fast ball Night games were an exciting development Better days were ahead But there were mounting issues facing the Indians For one thing it was rumored that the team had illegally signed Feller Baseball Commissioner Judge Kenesaw Mountain Landis was looking into that matter and one other Issues with an alcoholic catcher dugout fights bats thrown into stands injuries and a player revolt kept things lively In Bad Boys Bad Times The Cleveland Indians and Baseball in the Prewar Years 1937 1941 the follow up to his No Money No Beer No Pennants The

Cleveland Indians and Baseball in the Great Depression baseball historian Scott H Longert writes about an exciting period for the team with details and anecdotes that will please fans all over

A Whole New Game John P. Rossi, 2015-11-16 Bismarck once said that God looked after drunkards children and the U S of A Some say that baseball should be added to the list It must have been divine intervention that led the sport through a series of transformative challenges from the end of World War II to the game s first expansion in 1961 During this period baseball was forced to make a number of painful choices From 1949 to 1954 attendance dropped more than 30 percent as once loyal fans turned to other activities started going to see more football and began watching television Also the sport had to wrestle with racial integration franchise shifts and unionization while trying to keep a firm hold on the minds and emotions of the public This work chronicles how baseball with imagination and some foresight survived postwar challenges Some of the solutions came about intelligently some clumsily but by 1960 baseball was a stronger healthier and better balanced institution than ever before

Whatever Happened to "Super Joe"? A Summer to Remember Lew Freedman, 2014-04-01 While the Cleveland Indians are known lately more for being cellar dwellers than world champions that wasn t the case in 1948 Ranked by the Sporting News as the ninth best team in baseball history the 48 Indians were a colorful group of guys led by the always colorful Bill Veeck the future Hall of Famer who was running his first team But the Indians weren t just well run in the front office their team on the field was comprised of seven future Hall of Famers Player manager Lou Boudreau would not only lead his team to the playoffs but would also become the first shortstop

to ever win the American League's Most Valuable Player award. He also relied on pitchers Bob Feller, Bob Lemon, and Negro leagues legend Satchel Paige, then forty-one years old, as well as second baseman Joe Gordon and right fielder Larry Doby, who followed Jackie Robinson by only a few weeks in breaking the color barrier in baseball. The Indians finished the 48 season at 97-58 and were tied with Joe McCarthy's Boston Red Sox, which led to the first ever one game playoff in American League history. The Indians were victorious and would then defeat the Boston Braves in six games to win the World Series. The Monsters of Municipal Stadium is a fantastic look at one of the greatest teams ever to play the game and at how everyone involved in this extraordinary season, from the players to management, made 1948 a memorable year for baseball and the city of Cleveland. When in Doubt, Fire the Skipper Gary Webster, 2014-05-23. The book chronicles almost 300 in-season changes of managers in the major leagues since 1900. It elaborates on the circumstances that led to the change, whether it was a firing or a resignation, and includes in many cases remarks of the dismissed manager, the manager who replaced him, and the executive owner or general manager who orchestrated the change. It then examines how the team fared under the new manager. The central purpose of the book is to study the effects of the changes: how many had a positive impact, how many had a negative impact, and how many had little if any impact on the team's won-lost record.

Baseball Hall of Fame No sport has been more associated with America's sense of itself with its identity than baseball No sport has been so inextricably bound with America's traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 Play Harder comes at a time when the history of Black baseball has become especially relevant following MLB's recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball's early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today's game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country's diversity while remaining clear-eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball's greatest players and their remarkable contributions to the game we know and love today

Cleveland Sports Legends Bob Dyer, 2003-11-01 These twenty exciting stories recount some of the most memorable and sensational events in Cleveland sports history Some are inspiring tales of glory The Browns' thrilling underdog victory over the heavily favored Baltimore Colts in the 1964 NFL championship game The upstart Cavaliers' magical Miracle of Richfield in 1976 The Indians' exhilarating sprint toward the World Series in the 1995 playoffs symbolized by Kenny Lofton's Dash in the Dome against Seattle Some are almost painful to recall The Fumble that heart-stopping play in January 1988 that kept the Browns out of the Super Bowl The Shot Michael Jordan's jaw-dropping basket that knocked the Cavs out of the 1989 playoffs Ten Cent Beer Night the Tribe's misguided 1974 promotion that turned into a hideous debacle Glorious or gut-wrenching these memories are a legacy shared by all Northeast Ohio sports fans They reflect an unquenchable spirit the same spirit that keeps us up late into the night honking our horns in parking garages and trading high fives with total strangers on East Ninth Street or trudging down to the lakefront on Sundays when the wind chill hits single digits wearing dog masks and carrying banners drawn on bedsheets Read these stories and relive Cleveland's most exciting sports moments Then pass the spirit along to the next generation of fans

Resurrecting Lou Boudreau Karl William Sikkenga, 2005 This study explored a largely unexamined subset of the secondary school principal population those

who carry a daily teaching assignment in addition to their administrative responsibilities The project chronicled teaching principals actions and identified key influences on their work Six school leaders were selected for the study via snowball sampling that sought maximum variation in school governance and demographics Qualitative data were gathered through observation multiple interviews and documentation and then coded and analyzed using the method of constant comparison The study resulted in portraits of the six leaders work in the context of their respective schools These portraits showed that teaching principals took on the same administrative tasks as their colleagues who do not run classrooms every day The contextual factors shaping teaching principals work were largely limited to school size and school culture The six principals profiled here all ran small schools where their teaching was encouraged even expected Variations in demographics governance and policy did not seem to be pertinent to the principals decisions to teach nor to their ability to carry off the additional responsibilities of teaching The study contributes to an understanding of a position the teaching principalship long thought obsolete or unfeasible in the complexity of modern schools first by demonstrating that this role is viable in secondary schools and second by illustrating the functions of the role in school settings Further study might develop a broader profile of the status of teaching principals in American schools and seek additional lessons from other fields in which leaders are also practitioners

Our Team Luke Epplin, 2021-03-30 The riveting story of four men Larry Doby Bill Veeck Bob Feller and Satchel Paige whose improbable union on the Cleveland Indians in the late 1940s would shape the immediate postwar era of Major League Baseball and beyond In July 1947 not even three months after Jackie Robinson debuted on the Brooklyn Dodgers snapping the color line that had segregated Major League Baseball Larry Doby would follow in his footsteps on the Cleveland Indians Though Doby as the second Black player in the majors would struggle during his first summer in Cleveland his subsequent turnaround in 1948 from benchwarmer to superstar sparked one of the wildest and most meaningful seasons in baseball history In intimate absorbing detail Luke Epplin s Our Team traces the story of the integration of the Cleveland Indians and their quest for a World Series title through four key participants Bill Veeck an eccentric and visionary owner adept at exploding fireworks on and off the field Larry Doby a soft spoken hard hitting pioneer whose major league breakthrough shattered stereotypes that so much of white America held about Black ballplayers Bob Feller a pitching prodigy from the Iowa cornfields who set the template for the athlete as businessman and Satchel Paige a legendary pitcher from the Negro Leagues whose belated entry into the majors whipped

baseball fans across the country into a frenzy Together as the backbone of a team that epitomized the postwar American spirit in all its hopes and contradictions these four men would captivate the nation by storming to the World Series all the while rewriting the rules of what was possible in sports
