America's Rise to Greatness Under God's Covenant Miles Huntley Hodges, 2020-04-26 This book is part of a three part series on America as a Covenant Nation This volume covers from the rise of America's industrial revolution in the late 1800s to America's taking the position in the Cold War 1950s as the leader of the Free World It is a typical social political economic and military history of America untypical however in how it connects the intellectual moral and spiritual character of America with those same social events It takes the reader through the days of Western imperialism World War One the Roaring Twenties the Great Depression World War Two the beginning of the Cold

War and finally the age of Middle America's grand success the 1950s. It focuses heavily on the leaders most frequently the country's presidents and how their own personal spirituality shaped their times and the way the Christian community in particular responded to both the social challenges facing it and the spiritual leadership attempting to inspire and guide it. It seeks to give the Christian reader or Secular reader if he or she is willing to be challenged a highly detailed knowledge of the historical path social and spiritual that has brought us to today's world and its enormous challenges. The Compiled Statutes of the State of Nebraska Nebraska, Guy Ashton Brown, Hiland Hill Wheeler, 1893. **The Expanding Boundaries of Black Politics** Georgia A. Persons, 2011-12-31. This volume joins the preceding volumes in this distinguished series in presenting contemporary research by leading political scientists addressing topics of interest to those concerned with African American affairs. It captures the expanding boundaries of black politics and the persistent interests of the black community at large. The anchoring symposium *The Expanding Boundaries of Black Politics* presents the scholarship of a cadre of young black political scientists actively engaged in the critical tasks of moving forward the study of black politics. Their concerns include expanding the boundaries of black politics along the lines of epistemology and methodology especially in regard to core issues and areas within this field. In an introductory essay by Todd Shaw the work of these scholars is situated within the context of temporal shifts in scholarly emphases. Overlapping issues and concerns across time as well as black political scholarship as defined in the field since its beginning are addressed. The second part of this volume entitled *Maximizing the Black Vote* *Recognizing the Limits of Electoral Politics* concentrates on serious lingering social concerns. These include the policy significance of black mayors affecting the concomitant impact of the black vote the boundaries being pushed concerning the conjunction of black theology and sexual identity a gendered analysis of familial policies and the deepening social and economic plight of young black males including felon disfranchisement. *The Expanding Boundaries of Black Politics* carries forth the search for an understanding of the relationship between religion the black church and black political

behavior cross racial group coalitions as concerns matters of immigration growing multiculturalism and the impact on black politics maximizing the impact of the black vote focusing on voting rights enforcement the black vote in presidential elections and the voice of the Congressional Black Caucus in American foreign policy and persistent social inequalities especially as it concerns ideology federalism and social welfare policy
