thinking and challenge the reader with a genuine test of their search **Translating a Tradition** Ira Robinson, 2008

Hackett, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company *Jews, Bible and Prayer* Stefan C. Reif, 2017-05-08 In his articles Stefan Reif deals with Jewish biblical exegesis and the close analysis of the evolution of Jewish prayer texts Some fourteen of these that appeared in various collective volumes are here made more easily available together with a major new study of Numbers 13 an introduction and extensive indexes Reif attempts to establish whether there is any linguistic literary and exegetical value in the traditional Jewish interpretation of the Hebrew Bible for the modern scientific approach to such texts and whether such an approach itself is always free of theological bias He demonstrates how Jewish liturgical texts may illuminate religious teachings about wisdom history peace forgiveness and divine metaphors Also clarified in these essays are notions of David Greek and Hebrew divine metaphors and the liturgical use of the Hebrew Bible *Henrietta Szold* Francine Klagsbrun, 2024-01-01 Acclaimed author Francine Klagsbrun reveals the complex life and work of Henrietta Szold founder of Hadassah and a Zionist trailblazer Winner of the Summer 2024 Natan Notable Book Award sponsored by the Jewish Book Council Klagsbrun's biography arrives at a moment when Zionism is once again a flashpoint for protest and provocation worldwide It's a timely reminder of Szold's vision for a land that Jews and Arabs alike could call home Diane Cole Wall Street Journal Henrietta Szold 1860 1945 is renowned as the founder of Hadassah the Women's Zionist Organization of America which quickly became one of the most successful of all Zionist groups In her work with Hadassah Szold used a combined ethical and pragmatic approach aimed at improving the lives of both Jews and Arabs She later moved to Mandate Palestine to help shape education health and social services there The pinnacle of her career came in her seventies when she took on the

task of directing the Youth Aliyah program which rescued thousands of young people from the Nazis and resettled them in Palestine Using Szold's copious letters diaries and essays along with other archival documents Francine Klagsbrun traces Szold's life and legacy with an eye to uncovering the person behind the Zionist icon She reveals Szold as a complex human being who had to cope with controversy and criticism a workaholic with an outsized sense of duty and an idealist who fought for her beliefs even as she questioned her own abilities With deep insight Klagsbrun introduces readers to this extraordinary woman whose impact on women's lives as well as on education and health systems still resonates

The Eye of Illusion Eli Ginzberg, 1993-01-01 Eli Ginzberg the dean of applied economics in the United States has studied the changing contours of economic and social structures in American for over sixty years A long time consultant to the federal government including the last nine presidents of the United States his name is indelibly linked with the creation expansion and refinement of employment policy and human resource needs This second volume of memoir reviews in fascinating detail the ideas events and personal encounters of Ginzberg's long and distinguished career and illuminates the principal influences that helped to shape his life and work As in his previous memoir *My Brother's Keeper* which dealt with the Jewish dimension of his life Ginzberg draws on public and personal history to provide an evocative and intellectually rich account of a tumultuous period in American policy In the first part the author recounts his unusual family background his father was an eminent Judaic scholar and his mother a social activist of decidedly unconventional attitudes and probes the intellectual and emotional roots of his unbreakable ties to New York City and Columbia University The formative inheritance of scholarship and social concern marked Ginzberg's career in the wider world of academia and government The chapters in the second part relate his service at the Pentagon throughout World War II and much of the Cold War period and provide candid and penetrating views

of American presidents from Franklin D Roosevelt to Ronald Reagan Later chapters dealing with consultation and study missions in the advanced and underdeveloped world yield valuable insights into the dynamics of economic change Ginzberg's long experience as an analyst of US corporations and foundations informs his discussion of the problems and challenges facing these institutions at the end of the twentieth century A unique blend of autobiographical reflection and clear sighted observation *The Eye of Illusion* will be of interest to sociologists economists historians and political scientists Routledge Library Editions: Higher Education Various, 2021-03-29 The volumes in this set originally published between 1964 and 2002 draw together research by leading academics in the area of higher education and provide a rigorous examination of related key issues The volume examines the concepts of learning teaching student experience and administration in relation to the higher education through the areas of business sociology education reforms government educational policy business and religion whilst also exploring the general principles and practices of higher education in various countries This set will be of particular interest to students and practitioners of education politics and sociology Religious Higher Education in the United States Thomas Hunt, James Carper, 2018-10-11 Originally published in 1996 *Religious Higher Education in the United States* looks at the issue of higher education and a lack of a clearly articulated purpose an issue particularly challenging to religiously affiliated institutions This volume attempts to address the problems currently facing denomination affiliated institutions of higher education beginning with an introduction to government aid and the regulation of religious colleges and universities in the US The greater part of the volume consists of 24 chapters each of which begins with a historical essay followed by annotated bibliographical entries covering primary and secondary sources dating back to 1986 on various denomination connected institutions *A History of the Jews in Babylonia* Jacob Neusner, 1966 **Dictionary of American Religious Biography** Henry W.
