**Louise Moillon** Lesley Stevenson,2024-04-02 The life and career of Louise Moillon 1609-1696 offers a fascinating case study of a supremely talented artist whose posthumous reputation has been mired in invisibility Born and raised in Paris Moillon was the sole woman in a circle of Calvinist Protestant migrants who brought their tradition of still life painting with them from Flanders During her lifetime she was able to enjoy a degree of professional independence and attract enough recognition to be regarded as on a level with her male counterparts yet her exquisite work and enigmatic story are little known today This illustrated biography examines some of the ways in which Moillon's story has been represented since the revival of interest in her work and draws on recent scholarship to situate the painter in her rightful place Offering a sweeping exploration of the genre of still life this book also chronicles how a woman in early modern France was able to capture the attention of the artistic world while dissecting why her prominence waned in the centuries following her death

**French Painting in the Seventeenth Century** Alain Mérot,1995-01-01 Recent studies and exhibitions combined with the discovery of work by hitherto little known artists have enabled Merot to take a fresh look at the period and to suggest a new configuration The great names of the period Poussin Vouet Le Sueur de La Tour Mignard are located in relation to other developments Merot includes discussion of the impact of contemporary literature and political philosophical and social influences The foundation of the Royal Academy of Painting in 1648 and the influence of Mazarin on artistic developments are considered with other issues of status patronage and connoisseurship The book provides a panorama of the period the text is profusely illustrated in colour and accompanied by a comprehensive bibliography
