Theology of John Zizioulas Douglas H. Knight,2016-03-03 John Zizioulas is widely recognised as the most significant Orthodox theologian of the last half century and acclaimed advocate of ecumenism From his indepth knowledge of the intellectual resources of the Church Zizioulas has argued that the Church Fathers represent a profound account of freedom and community that represents a radical challenge to modern accounts of the person Zizioulas uses the work of the Fathers to make an important distinction between the person who is defined by a community and the individual who defines himself in isolation from others and who sees community as a threat to his freedom Zizioulas argues that God is the origin of freedom and community and that the Christian Church is the place in which the person and freedom come into being This volume offers a critical appraisal of the theology of John Zizioulas Leading Anglican Reformed Catholic and Orthodox international scholars including Colin Gunton Nicholas Loudovikos Paul McPartlan Wolfhart Pannenberg and Philip Rosato present essays which analyse Zizioulas trinitarian doctrine of God and his theological account of the Church as the place in which freedom and communion are actualised Many include discussions of Zizioulas Being as Communion as well as other lesser known works now available in Communion and Otherness Together they represent an unrivalled introduction to the work of this great theologian *The Meaning of the World Is Love* Richard Clements,2022-05-01 Hans Urs von Balthasar 1905 1988 a

prolific Catholic theologian from Switzerland has been called a new Father of the Church His work shaped not only by traditional theology and philosophy but by literature art and music made an impact on both Saint John Paul II and Pope Emeritus Benedict XVI Aidan Nichols O P describes Balthasar s fifteen volume masterwork the Trilogy as perhaps the high point of twentieth century Catholic theology Yet for all Balthasar s brilliance the core of his theology is extraordinarily simple love for God is love Love lies at the center of life indeed at the center of being itself For Balthasar the answers to all of man s big existential questions revolve around love The Meaning of the World Is Love compiled by psychologist Richard Clements brings Balthasar s meditations to a wider audience using brief excerpts from the theologian to walk readers through the landscape of divine love which is our home The path of love is the path of self gift as well as of truth goodness and beauty and it is the only way to genuine fulfillment Balthasar as Clements shows can point us to the very heart of reality God who gives himself to us without reserve **Love and Its Ultimate Meanings** Edward Carpenter,2005-12 This scarce antiquarian

Love or greatness (Routledge Revivals) Roslyn Bologh,2009-12-15 This work first published in 1990 reissues the first thorough examination of the essentially masculine nature of Max Weber s social and political thinking Through a detailed examination of his central texts the author demonstrates Weber s masculine reading of social life and shows how his work advocates a masculine form of life that poses a challenge to contemporary women and to feminism In particular she addresses the patriarchal implications of Weber s belief in the need to relegate the ethic of brotherly love to a private sphere in order to make possible rational action and the achievement of greatness in the public sphere

Interconnection of the Wisdoms of Sages and Worthies The Ultimate Meaning of Dao De Jing Zhang Jiankun, *Love's Philosophy* Richard John White,2001 Love comes in many forms and touches all our lives and despite its changing history it remains constant in human experience Love s Philosophy explores the basic expressions of love In this book White looks at friendship romance parenthood and humanitarian love in classical and contemporary perspective He argues that the philosophical oblivion of love has been a mistake By examining both the historical and contemporary formations of love he proposes alternative models to guide both our thinking and our experience of loving

The Understanding of Christian Faith Schubert M. Ogden,2010-04-01 As an introduction to Christian systematic theology this volume treats all the main theological topics from God to last things seeking to explicate critically the understanding of them implicit in Christian faith itself in terms at once appropriate to Jesus Christ and credible to human existence Its criteria accordingly are the ultimate criteria of on the one hand specifically Christian experience of Jesus as expressed by the apostolic witness and on the other hand generically human experience of existence as expressed by a sound philosophy And as befits an introduction it employs these same criteria to clarify the process of actually doing Christian systematic theology Thus it begins by explaining both what such a theology has to do and how it is to do it and ends by considering what it means to do theology as a Christian calling particularly as a professional theologian

The Politics of Conjugal Love Conor Sweeney,Brian T. Trainor,2019-06-27 Does the New Testament teach that a wife must submit to her husband as head If so

does it have a lasting value beyond the cultural milieu in which it was first articulated The Politics of Conjugal Love takes a fresh approach to this classic issue in theological anthropology paying specific attention to the role of theological hermeneutics in its interpretation Conor Sweeney and Brian T Trainor contend that both subordinationist and anti subordinationist readings of headship and submission miss the mark Their alternative is a baptismally specified trinitarian reading in which headship and submission appear as modes intrinsic to both life in Christ and the love proper to the highest mode of trinitarian love

The Drama of Love and Death Edward Carpenter,1920 **Lonergan and the Theology of the Future** David M. Hammond,2017-12-13 Today a variety of theological approaches offer fresh and enriching insights yet much of contemporary religious thought can be disorienting for the beginning student of theology This accessible introduction presents aspects of the thought of Fr Bernard Lonergan SJ 1904 1984 in a way that makes his vital contribution to contemporary theology accessible to the beginning student The author minimizes technical terms and explains basic ideas with user friendly examples Rather than a survey of diverse contemporary theological opinions or a thematic presentation of one topic the book tries to clear away confusions by focusing on the theologian concerned with those topics The book will thus encourage creative ways of overcoming some of the unnecessary obstacles for students who want to explore theology today

Friends' Quarterly Examiner ,1915 **The Law of Love and Love as a Law** Mark Hopkins,1881 **The Drama of Love and Death** Edward Carpenter,2015-12-22 Love and Death are two major facets of the whole of human existence and in The Drama of Love and Death Carpenter attempts to analyse the interplay of love and death in everyday life Originally published in 1912 this study focuses on how love and death are perceived and treated in the history of humankind and how these views evolved up until the early twentieth century This title will be of interest to students of Sociology and Anthropology

The Law of Love and Love as a Law, Or, Christian Ethics Mark Hopkins,1881 *The Law of Love & Love as a Law; Or, Christian Ethics* Mark Hopkins,1889 *The Vampire Path to God! My Desperate Plan to Contact God* Spiro Hamilton,2021-07-27 Don t you get exasperated furious even about why God is so confusing Why are there so many different religions and spiritual systems all saying completely different things How are we supposed to discover the truth of God Doesn t it drive you crazy Doesn t it make you desperate to get to the bottom of it all There must be a way to find the right answer It surely wasn t supposed to be this difficult Something s getting in the way blocking our path to God It s as if there s some kind of forcefield standing between God and us Maybe we could call it the Devil Field or the field of fake news and false information It takes something drastic to break on through to the other side but how on earth did I end up using vampires to talk to God You definitely can t get any more drastic and desperate than that My idea for getting the dope on God was in fact inspired by an episode of Buffy the Vampire Slayer hence why this is about the vampire route to God My plan was simple To extract God from the Bible by scanning it into my computer and then get God to answer my questions What could possibly go wrong with that

Noble,2016-12-05 Twenty years after the fall of Communism in Central and East Europe is an occasion to reevaluate the cultural and theological contribution from that region to the secularization post secularization debate Czech theologian Ivana Noble develops a Trinitarian theology through a close dialogue with literature music and film which formed not only alternatives to totalitarian ideologies but also followed the loss and reappearance of belief in God Noble explains that by listening to the artists the churches and theologians can deal with questions about the nature of the world memory and ultimate fulfilment in a more nuanced way Then as partakers in the search undertaken by their secular and post secular contemporaries theologians can penetrate a new depth of meaning sending out shoots from the stump of Christian symbolism Drawing on the rich cultures of Central and East Europe and both Western and Eastern theological traditions this book presents a theological reading of contemporary culture which is important not just for post Communist countries but for all who are engaged in the debate on the boundaries between theology politics and arts *The Book of Love* Andrew M.
