All In With Love James Gardiner,2022-08-19 Imagine stepping into the spotlight of New York and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn t seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to

The Emerald Home Run Steven Andrew Janda,2011-06-01 If you look for parallels in baseball and the Bible you will

find them The Emerald Home Run is a true story which combines the Bible and a book author Steven A Janda wrote about the parables of Christ in 2008 entitled Ready or Not Here I Come Suddenly says Janda I began to notice many interesting parallels in Major League Baseball On April 15 2009 Ken Griffey Jr hit his 613th career home run The Emerald Home Run after returning to the Seattle Mariners from a nine year absence with the Cincinnati Reds and briefly with the Chicago White Sox As soon as Griffey hit the home run Hall of Fame Announcer Dave Neihaus said this was Griffey s 400th home run as a Mariner Instantly says Janda I remembered Moses who delivered the children of Israel after 400 years of bondage to the Egyptians The author reveals numeric mysteries including how Revelation appears in Genesis how the tribes of Israel in the Law of Moses are joined numerically to Genesis and revealed in Major League Baseball by the Gregorian calendar And children will love the secret formula for multiplying certain number patterns into millions without a calculator The revelations in this book have never appeared in text books The Emerald Home Run is truly an arithmetic lesson for the whole world to enjoy Do not be left behind About the Author Steven A Janda of Renton Washington invites readers to learn about the Babe Ruth 999 Mystery and much more at [www EmeraldHomeRun.blogspot.com](http://www.EmeraldHomeRun.blogspot.com) Publisher s Web site [http www strategicpublishinggroup.com](http://www.strategicpublishinggroup.com) title TheEmeraldHomeRun htm *Library of Congress Catalogs* Library of Congress,1977

Rainfall,AI,2025-02-27 Mother Nurtures Home explores the history of caregiving in American families focusing on the period leading up to 1970 Using U S census records the book reveals the overwhelming prevalence of female caregivers and the societal factors that cemented this pattern It argues that women s dominance in domestic labor wasn t simply a personal choice but a consequence of entrenched societal structures and limited opportunities The book highlights that understanding this history is crucial for comprehending modern debates surrounding work life balance and gender equality topics still highly relevant today The book unfolds by first establishing the empirical reality of female caregiving through detailed census data It then delves into the socio economic factors that reinforced this pattern such as wage disparities and cultural

messages promoting domesticity Finally it examines the long term economic consequences for women and the perpetuation of gender stereotypes This approach offers a fresh perspective on American family history by providing a data driven account of caregiving patterns enriching the understanding of gender roles childcare policy and the evolution of family sociology
