

Love Between Men

Meredith G. F. Worthen

Love Between Men:

Love Between Men Rik Isensee, 1990 Booklist called this a welcome addition to practical gay literature David McWhirter and Andrew Mattison authors of *The Male Couple* say it's must reading for all male couples while Michael Shernoff of the National Lesbian Gay Health Foundation says it's bound to become a classic This widely acclaimed relationship guide for gay men is now available in paperback

Intimacy Between Men John H. Driggs, Stephen Edward Finn, 1990 PSYCHOLOGY POP PSYCHOLOGY

Love Stories Jonathan Ned Katz, 2003-06-15 In presenting stories of men's intimacies with men during the 19th century in a world before the words gay and straight referred to sexuality Katz dives into histories through diaries letters and poems offering a clearer picture of how men navigated the uncharted territory of male male desire

Marriages and Families in the 21st Century Tasha R. Howe, 2011-08-29 *Marriages and Families in the 21st Century* provides an in depth exploration of a traditional field of study using a new and engaging approach The text covers all the important issues including parenting divorce aging families balancing work and family family violence and gender issues using a bioecological framework that takes into account our status as both biological and social beings Using this lens which emphasizes the individual's interactions with a series of larger systemic influences from family peers neighbors and teachers to schools media institutions and culture the book creates a cohesive overview of modern family life and helps students visualize the complex influences affecting all people in families It also examines the state of modern families using a strengths based approach which allows students to evaluate the health and functioning of a family considering the biological and cultural milieu in which it exists rather than on its observable structure or appearance alone Individual chapters cover historical and cultural trends and also explore the biological personal and social forces that shape individuals and families Each chapter investigates the wide diversity of human relationships and integrates discussions of ethnicity culture sexual orientation and gender seamlessly into the main narrative In addition the book explores recent research in neuroscience medicine and biopsychology to examine how family relationships are shaped by and also influence individuals biological functioning An accessible writing style coupled with numerous student friendly pedagogical features help readers come to a multi layered understanding of what makes families tick while also challenging them to reevaluate their own assumptions and experiences

Key features Uses a bioecological model that takes into account our status as both biological and social beings Employs a strengths based approach that focuses on family processes rather than structure in evaluating families optimal health and happiness Incorporates discussion of neuroscience medicine and biopsychological research throughout Explores a wide diversity of family relationships integrating issues of ethnicity culture sexual orientation and gender Focus on my Family boxes profile real families who wrote essays in their own words about their diverse experiences How Would You Measure That sections emphasize students critical thinking and analysis of research design and conclusions Helps students analyze their own families strengths and attempt to build on those through psychometrically sound self assessments and Building

Your Strengths exercises Engaging and accessible writing style incorporates contemporary real world examples with important theory and research Instructor s manual test bank PowerPoint lecture slides and useful web links as well as Student flash cards and self test questions available upon publication at www.wiley.com/go/howe

Love & Eroticism Mike Featherstone,1999-09-20 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism

Love Erotici Sexual Deviance and Society Meredith G. F. Worthen,2021-09-30 In a society where sexualized media has become background noise we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm This book encourages readers to establish new ways of thinking about stigmatized people and behaviors and to think critically about gender sex sexuality and sex crimes Sexual Deviance and Society uses sociological theories of crime deviance gender and sexuality to construct a framework for understanding sexual deviance This book is divided into four units Unit I Sociology of Deviance and Sexuality lays the foundation for understanding sex and sexuality through sociological frameworks of deviance Unit II Sexual Deviance provides an in depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations Unit III Deviant Sexual Acts explores a variety of deviant sexual acts in detail including sex in public fetishes and sex work Unit IV Sex Crimes and Criminals examines rape and sexual assault sex crimes against children and societal responses to sex offenders and their treatment within the criminal justice system This revised second edition includes new theoretical approaches such as Norm Centered Stigma Theory expands into new fields of criminology such as queer criminology more deeply discusses nonbinary people s experiences includes updates to the landscape of LGBTQ rights reviews new forms of sexual deviance including incels and revenge porn covers the latest developments in the MeToo movement and expands on the discussion of SM including the Fifty Shades Phenomenon In addition this edition reviews the ever evolving world of sex work and camming by examining how Pornhub OnlyFans and exotic dancers strip clubs have revolutionized sex work during the COVID 19 pandemic Utilizing an integrative approach that creates a dialogue between the subjects of gender sexuality criminology and deviance this book is a key resource for students interested in developing a critical understanding of sex sexuality and sex crime

Victorian Britain Sally Mitchell,2011 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain

between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

Romantic Passion William Jankowiak, William R. Jankowiak, 1997-02-13 Observers from the West the book contends have incorrectly projected rigid ethnocentric notions of love and marriage onto cultures around the world Contributors look beyond each society's official institutions to explore expressions of love offering new perspectives on arranged marriages and polygamy and reexamining as well the other side of the equation rejection and grief

Re-Scripting Walt Whitman Ed Folsom, Kenneth M. Price, 2008-04-15 This introductory guide to Walt Whitman weaves together the writer's life with an examination of his works An innovative introductory guide to Walt Whitman Weaves together the writer's life with an examination of his works Focuses especially on Whitman's evolving masterpiece *Leaves of Grass* Examines the material conditions and products of Whitman's scripted life including his original manuscripts Investigates Whitman's life in print his belief that he could literally embody himself in his books Linked to a large electronic archive of Whitman's work at www.whitmanarchive.org

A Philosophical History of Love Wayne Cristaudo, 2017-07-28 A Philosophical History of Love explores the importance and development of love in the Western world Wayne Cristaudo argues that love is a materializing force a force consisting of various distinctive qualities or spirits He argues that we cannot understand Western civilization unless we realize that within its philosophical and religious heritage there is a deep and profound recognition of love's creative and redemptive power Cristaudo explores philosophical love the love of wisdom and the love of God and neighbor The history of the West is equally a history of phantasmic versions of love and the thwarting of love Thus the history of our hells may be seen as the history of love's distortions and the repeated pseudo victories of our preferences for the phantasms of love Cristaudo argues that the catastrophes from our phantasmic loves threaten to extinguish us forcing us repeatedly to open ourselves to new possibilities of love to new spirits Fusing philosophy literature theology psychology and anthropology the volume reviews major thinkers in the field from Plato and Freud to Pierce Shakespeare and Flaubert Cristaudo explores the major themes of love of the Church romantic love and the return of the feminine the conflict between familial and romantic love love in a meaningless world and the love of evil and the evolutionary idea of love With Cristaudo the reader embarks on a journey not just through time but also through the different kinds origins and spirits of love

The War on Sex Chad Denton, 2014-11-19 From earliest times sex has fascinated and repulsed society in equal measure In an effort to untangle Western society's complex relationship with the realities of sex this provocative volume explores the ways in which governments religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history From the sacred texts of ancient Israel to the slums of 19th century Britain this book explores political legal and cultural controls on consensual sex and the individuals and movements that resisted them Topics range from prostitution and homosexuality to marriage contraception and abortion While traditional narrative holds that Europe alternated between sexual freedom and

oppression through the Victorian age this work reveals that the real story of how sex was regulated and how people defied regulation is not so clear cut

Toward Stonewall Nicholas C. Edsall, 2003-09-29 As recently as the 1970s gay and lesbian history was a relatively unexplored field for serious scholars The past quarter century however has seen enormous growth in gay and lesbian studies The literature is now voluminous it is also widely scattered and not always easily accessible In **Toward Stonewall** Nicholas Edsall provides a much needed synthesis drawing upon both scholarly and popular writings to chart the development of homosexual subcultures in the modern era and the uneasy place they have occupied in Western society Edsall s survey begins three hundred years ago in northwestern Europe when homosexual subcultures recognizably similar to those of our own era began to emerge and it follows their surprisingly diverse paths through the Enlightenment to the early nineteenth century The book then turns to the Victorian era tracing the development of articulate and self aware homosexual subcultures With a greater sense of identity and organization came new forms of resistance this was the age that saw the persecution of Oscar Wilde among others as well as the medical establishment s labeling of homosexuality as a sign of degeneracy The book s final section locates the foundations of present day gay sub cultures in a succession of twentieth century scenes and events in pre Nazi Germany in the lesbian world of interwar Paris in the law reforms of 1960s England culminating in the emergence of popular movements in the postwar United States Rather than examining these groups in isolation the book considers them in their social contexts and as comparable to other subordinate groups and minority movements In the process **Toward Stonewall** illuminates not only the subcultures that are its primary subject but the larger societies from which they emerged

Rethinking Misogyny Dr Anna Arrowsmith, 2015-09-28 In this path breaking book Anna Arrowsmith analyses gendered dating behaviour and shows how men s behaviour is both defined and illustrated by societal norms that require a particular masculine performance including those desired by potential female performers Using the case study of pick up artistry which is compared to interviews with other men who date women this book analyses how the men deal with conflicting ideas borne out of living in an age when both hegemonic harder historic and inclusive softer modern masculinities co exist

Sexuality and Eroticism Among Males in Moslem Societies Arno Schmitt, Jehoeda Sofer, 1992 Here is the first major work published about sexuality and eroticism between males in Islamic society Through narratives analytic essays descriptions and academic treatises **Sexuality and Eroticism Among Males in Moslem Societies** provides a revealing and most fascinating look into what is for most Westerners still a very hidden very foreign culture Until now there has existed a lack of solid information about sexuality in Islamic society but this volume portrays very clearly the relationship between same sex eroticism and the ideal of the man as penetrator As a result **Sexuality and Eroticism Among Males in Moslem Societies** illuminates not only homosexuality but the whole sexual culture and role of gender in the Muslim world The chapters focus on homosexuality among men in Morocco Syria Iran Turkey and Israel Despite its occurrence in this region of the world sex between males is not considered to be homosexuality by most men a concept that is reiterated in

chapter after chapter In addition to major differences in the attitudes toward homosexual acts in Muslim countries and the West this enlightening book also shows great differences among the Muslim countries themselves depending upon the degree to which Islamic law is enforced the impact of different western colonial influences and legal systems and the sheer impact of cultural variation within so vast a geographic area There are some keen observations and insights into the socialization of boys in Islamic culture the status and inaccessibility of women and sex roles and attitudes toward them Sexuality and Eroticism Among Males in Moslem Societies captures a sense of the Muslim countries in the process of rapid change from the anti modernist and religious fundamentalism of Iran to the attempts in the cities of Turkey to develop a western style gay way of life with all the difficulties that involves An engaging book for readers interested in gay studies anthropologists orientalist historians students of comparative law and sexologists it should also be read by anyone in contact with Arabs Turks or Persians as tourists in Muslim countries social service professionals working with immigrants or friends of Muslims

after chapter In addition to major differences in the attitudes toward homosexual acts in Muslim countries and the West this enlightening book also shows great differences among the Muslim countries themselves depending upon the degree to which Islamic law is enforced the impact of different western colonial influences and legal systems and the sheer impact of cultural variation within so vast a geographic area There are some keen observations and insights into the socialization of boys in Islamic culture the status and inaccessibility of women and sex roles and attitudes toward them Sexuality and Eroticism Among Males in Moslem Societies captures a sense of the Muslim countries in the process of rapid change from the anti modernist and religious fundamentalism of Iran to the attempts in the cities of Turkey to develop a western style gay way of life with all the difficulties that involves An engaging book for readers interested in gay studies anthropologists orientalist historians students of comparative law and sexologists it should also be read by anyone in contact with Arabs Turks or Persians as tourists in Muslim countries social service professionals working with immigrants or friends of Muslims historians students of comparative law and sexologists it should also be read by anyone in contact with Arabs Turks or Persians as tourists in Muslim countries social service professionals working with immigrants or friends of Muslims

The Renaissance in Europe Keith Whitlock,2000-01-01 The Reader addresses the themes of humanism structures of authority and levels of culture among different social orders and between men and women And it examines what Burckhardt's discovery of the individual really meant for the construction of self in the late medieval and early modern context

BOOK JACKET *The Curriculum Studies Reader* David J. Flinders,Stephen J. Thornton,2004 Grounded in historical essays this volume provides context for the growing field of curriculum studies reflecting on dominant trends in the field sampling the best of current scholarship

Thou Art the Man Ruth Mazo Karras,2021-04-30 This book is a work of medieval history and the history of gender and sexuality It looks at the biblical King David who has multiple paradigmatic identities in the Middle Ages king military leader adulterous lover sinner It views David primarily from the perspective of medieval European

Christian society but also from the medieval European Jewish viewpoint **Benjamin Franklin, Jonathan Edwards, and the Representation of American Culture** Barbara Oberg, Harry S. Stout, 1993 This is an interdisciplinary collection of comparative essays which looks at aspects of the thought of Edwards and Franklin and considers their places in American culture Between Women Sharon Marcus, 2009-07-10 Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship They pored over magazines that described the dangerous pleasures of corporal punishment A few had sexual relationships with each other exchanged rings and vows willed each other property and lived together in long term partnerships described as marriages But as Sharon Marcus shows these women were not seen as gender outlaws Their desires were fanned by consumer culture and their friendships and unions were accepted and even encouraged by family society and church Far from being sexless angels defined only by male desires Victorian women openly enjoyed looking at and even dominating other women Their friendships helped realize the ideal of companionate love between men and women celebrated by novels and their unions influenced politicians and social thinkers to reform marriage law Through a close examination of literature memoirs letters domestic magazines and political debates Marcus reveals how relationships between women were a crucial component of femininity Deeply researched powerfully argued and filled with original readings of familiar and surprising sources Between Women overturns everything we thought we knew about Victorian women and the history of marriage and family life It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own **Barbara Pym** Orphia Jane Allen, 1994 Encourages the teaching of Pym's novels and assists scholars in the critical study of Pym's contribution to English literature
