In an Eastern Rose Garden Hazrat Inayat Khan,2020-09-28 The Prophet has said God is beautiful and He loves beauty Now the word beautiful does not refer to the form of God God is formless He has no personality until He manifests Himself to Himself Therefore it is not His personality which is beautiful for God is beyond that which in the ordinary sense of the word is called personality What then is the source of God's beauty God is beautiful because He has created beauty If there were no beauty in God there could have been none in His manifestation If there were no beauty in the thought of the poet he could not write beautiful verse If there were no beauty in the thought of the artist he could never have painted the picture One cannot see the beauty in the heart of the painter except in the beauty of the picture he has made It is not only the picture which is beautiful the heart of the painter was beautiful first Consequently we become able to see the beauty not only in manifestation but also before it was manifested and before it was manifested it existed in love In other words we can see that the beauty was hidden in love beauty is hidden in love and the beauty that love has before it to love is its own beauty Therefore to whatever extent beauty is beautiful so is love beautiful even more so for the Creator is more beautiful than the thing He has created All things that we

make are the work of our hands We are their creator and we are greater than our hands So it is with love Love is greater than beauty because love is the creator of the beauty that love loves in its life No doubt by loving love becomes limited limited as beauty but then that is the purpose of love If there were no beauty His love could not have realized the latent joy of its own nature The joy of its existence would die out As soon as we can think in this way we come to see that the lover is vaster incomparably vaster than the object he loves The real love the real beauty is in the lover The object that he loves is much smaller although for the moment the lover is not aware of the difference The lover thinks You are the object before which I bow You are the object of which I think day and night before which I am helpless You are the object that I admire that I adore Yet he does not realize the vastness of his love and indeed strictly speaking love is vaster than the lover

Somebody Scream! Marcus Reeves,2009-03-17 For many African Americans of a certain demographic the sixties and seventies were the golden age of political movements The Civil Rights movement segued into the Black Power movement which begat the Black Arts movement Fast forward to 1979 and the release of Sugarhill Gang's Rapper's Delight With the onset of the Reagan years we begin to see the unraveling of many of the advances fought for in the previous decades Much of this occurred in the absence of credible long term leadership in the black community Young blacks disillusioned with politics and feeling society no longer cared or looked out for their concerns started rapping with each other about their plight becoming their own leaders on the battlefield of culture and birthing Hip Hop in the process In *Somebody Scream* Marcus Reeves explores hip hop music and its politics Looking at ten artists that have impacted rap from Run DMC Black Pop in a B Boy Stance to Eminem Vanilla Nice and puts their music and celebrity in a larger socio political context In doing so he tells the story of hip hop's rise from New York based musical form to commercial music revolution to unifying expression for a post black power generation

The Whole Works of the Rev. Ebenezer Erskine, Minister of the Gospel at Stirling Ebenezer Erskine,Donald Fraser,1836 **Nicholas Love's Mirror and Late Medieval Devotio-Literary Culture** David J. Falls,2016-03-31 Surviving in 59 complete manuscript versions few English texts of the late medieval period seem to have achieved the popularity of Nicholas Love's fifteenth century translation and adaptation of the Latin *Meditationes Vitae Christi* The Mirror of the Blessed Life of Jesus Christ The Mirror has received surprisingly little scholarly attention and is often contextualized in terms of its role in the theological conflict between English ecclesiastical orthodoxy and the teachings of heresiarch John Wycliff David Falls presents a new account of the text's history which de-centralises but does not disregard the influence of the Wycliffite controversy Falls interrogates preconceptions and investigates new possibilities for understanding the composition circulation function and use of Love's Mirror by examining both the textual modifications and additions made by Love in his adaptation of the Latin and places these alterations in context by examining individual copies of the Mirror The manuscript copies are read as both sites of literary consumption and nexuses of textual transition demonstrating that it was Love's ability to inscribe his work with functional diversity which explains the Mirror's popularity

This book presents a nuanced picture not only of the Mirror's production circulation and function but also the dynamic and flourishing devotional literary culture of late medieval England in which Love's text operated Sound of the Crowd: a Discography of the '80s (Fourth Edition) Steve Binnie, 2018-11-05 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector's guide to the 1980s In the era of multi-formatting picture discs coloured vinyl multiple remixes funny shaped records and tiny CDs you could lose down the back of the sofa this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young This fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors Compiled by Steve Binnie editor of the 80s music website Sound of the Crowd and writer producer and co host of the unconventional 80s chart show Off The Chart broadcast weekly on Mad Wasp Radio

Inspirations Michael LaMagna, 2018-04-10 Have you ever found yourself wondering if there was any more to this life Have you ever questioned God s plan for you your purpose or destiny Of course you have When I asked those questions the answer that I was given threw me for a loop The answer was so unexpected and out of my comfort zone that I spent many years wondering if I had heard the correct answer Our main purpose is to worship and glorify God God inspired me to glorify Him in this manner *Inspirations* is a book that started as a simple exercise in expressing thoughts not necessarily meant to be shared but as a vehicle to let new emotions and new ideals flow from my heart When I began this journey I was both new to poetry and a brand new Christian I had never had the desire to write nor had any idea how far the process of writing would take me It was several years of expression through writing and sharing with others before I realized I had the beginnings of a book Even then I had no concept of the height depth and width of this project or how far God could take me in such an uncomfortable and untenable position All forms of art are born out of some manner of inspiration This collection of poetry has had its share of unusual types of inspiration from cartoons and movies to other authors and people in my everyday life even situations in which I found myself that would show the glory and majesty of our Lord The subject matter of all these poems while most are individually inspired can be separated into two categories either confession or revelation There is truth within these pages truth about my life and I would be willing to guess at least some truth about your life as well My prayer is that the words within these pages would first serve to glorify God and second serve to inspire you to do something perhaps outside of your

comfort zone so that you will rely on God's strength and knowledge Let us remain humble by getting out of our own way and letting Jesus shine through us *English Couplets* M.R. Shetty, 2007
