The image shows a steep, rocky cliff face on the left, with a valley and distant mountains in the background. The sky is a soft, hazy orange, suggesting a sunrise or sunset. Love is a verb. Love – the feeling – is the fruit of love the verb or our loving actions. So love her. Sacrifice. Listen to her. Empathize. Appreciate. Affirm her.

Love Is A Verb Loving On Purpose:

Love Is a Verb! Patricia Anderson, 2006-01-01 Are you looking for love and don't understand it? Would you like to maximize love's power in a relationship? Maybe you need healing from a past relationship or are uncertain about a current relationship. Do you ever ask, "Do I know what love is?" Am I demonstrating love? This book is helpful for readers in all walks of life and contains more answers than questions. Love is a Verb dispels common misconceptions about love. Explains why it is a mistake to attribute only feelings to love. Observes the world's definition of love and why we operate in conditional, transactional and perception-based love. Takes you past the most significant barrier to love: fear. Teaches you how to love God, yourself and others. *BulletProof Your Marriage* Margaret McCracken, 2015-09-10 Is a genuinely happy marriage attainable? Are there any solutions to the issues of separation and divorce? Can we face the pressures which subtly seduce us away from the priority of marriage? Margaret McCracken believes the answer is a resounding yes. With empathy, humour, sensitivity and practical wisdom, *Bulletproof Your Marriage* gives powerful insights into a marriage that will withstand the test of time. If you desire a home filled with contentment, peace and some much-needed fun, this resource will inspire you to rekindle the wonder and beauty of a loving marriage relationship. Without judgement, Margaret works her way through some of the core issues that too often turn God's intentions for marriage into a battlefield. This book brings strength and hope into marriages, giving failing marriages a fighting chance and offering good marriages the tools to become even greater. **How to Be an Adult in Love** David Richo, 2014-01-07 We were made to love and be loved. Loving ourselves and others is in our genetic code. It's nothing other than the purpose of our lives, but knowing that doesn't make it easy to do. We may find it a challenge to love ourselves. We may have a hard time letting love in from others. We're often afraid of getting hurt. It is also sometimes scary for us to share love with those around us, and love that isn't shared leaves us feeling flat and unfulfilled. David Richo provides the tools here for learning how to love in evolved adult ways, beginning with getting past the barriers that keep us from loving ourselves, then showing how we can learn to open to love others. He provides wisdom from Buddhism, psychology and a range of spiritual traditions, along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives. He then leads us on to love's inevitable outcome: developing a heart that loves universally and indiscriminately. This transcendent and unconditional love isn't just for a heroic few. Dave shows it's everyone's magnificent calling. *Light, Love, Light, Shalom* Steven Steinberg, 2011-11-11 Goals for the Soul Lynley Dornier, 2020-08-10 Lynley Dornier's gift to her son in *Soul Goal* reflects her extraordinary and prayerful devotion to sharing what matters most. She beautifully distills her decades of study and spiritual growth into a simple, almost hand-book style guide for life at its core. Jane Barney: It's a lovely gift from mother to son. Heartfelt, inspiring thoughts and prayers for life's journey. Truly a keepsake of her love. STAYING HUMAN K. L. Stubblefield,2023-11-16 Staying Human Within this writing we discuss America s and particularly Black America s slide into decadence depravity and despair and how this will lead to its subjugation to the coming tyranny of Artificial intelligence If we look with an open mind we can see how technology has already led to the breaking down of morality and open rebellion against Godly principles that while not totally adhered to by this nation has been a hedge against all out wickedness Our attempt to at least guide our behavior with the precepts of holiness and godliness has allowed the American nation to receive blessings of wealth and freedom from the Most high That is now changing and God is slowly removing his protection from our nation America s power and influence whether for good or evil was given to us by God It is He who sets up nations and it is He who brings about their fall What is happening to the United States today has happened before with many other

kingdoms There is no new thing under the sun Nor was there any respect of persons given from The Most High This nation will and is currently feeling the pains of all the other nations that has fallen before it And just like all the other kingdoms that fell such as Rome Greece Egypt and Babylon America s blind adherence to self promotion and narcissistic hubris has blurred her vision of her plight America is now a weak nation a nation that is living on so called past greatness Militarily America relies on enormous deficit spending on technology and advanced weaponry in order to maintain its power and influence worldwide Yet when engaged in actual combat with weaker nations America still suffers a bloody nose and a black eye Vietnam Somalia Iraq and Afghanistan are modern examples of America s inability to win wars outright These wars and excursions drain the coffers of this nation and force it into deficit spending in order to maintain the false illusion of wealth and power The scepter has been removed from America s hand The royal diadem no longer sits above her brow Yet she does not perceive its removal The once so called democratic form of government in America has now morphed into a technocratic corporate oligarchy The gap between rich and poor is now wider here than in any industrialized nation in the world This leads to those in power creating a culture to maintain their wealth and prevent uprising from the masses This will lead to the use of technological advances such as A I in order to quell any potential rebellions America your once proud land has become a nation of fornicators whiners complainers abusers murderers and politically corrupt parasites America s plight can be summed up in one Phrase ICHABOD THE GLORY OF THE LORD HAS DEPARTED **“A” dictionary of the English language** Noah Webster,1832 *Isaiah 56-66* George A.F.
