

*Love is patient,
Love is kind.
It does not envy,
it does not boast, it is not proud.
It is not rude, it is not self-seeking,
it is not easily angered,
it keeps no record of wrongs.
It always protects,
always hopes,
always perseveres.
Love never fails.*

The First Epistle to the Corinthians, Revised Edition Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter relegating the necessary numbers for finding things to parentheses

Rainbow in the Word Ellin S. Jimmerson, 2017-08-24 LGBTQ Christians read love scrutinize become absorbed with and find deep spiritual meaning in the Bible As these testimonies show lesbian gay bisexual transgender and other queer Christians are inaugurating a fresh exciting new era in biblical interpretation It is they whose rare insights into particular Bible stories and characters told with poignancy and clarity reveal a gay friendly Bible and a gay friendly God who cherishes and needs them just as they are It is they who are running to the Bible with a longing for the Holy Spirit that far surpasses that of too many straight Christians If given free rein these inventive challenging and profoundly engaged evangelists may be the ones we have been waiting for to rescue biblical interpretation from those who too often are not only hurtful but dismal and boring Thank God for them

The Kingdom of God Is among You Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i.e. we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1
