Baseball Books Mike Shannon, 2024-10-14 It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us waiting to be read Good books bear multiple readings and not merely because our memories fail us the desire to repeat a good reading experience can be its own powerful motivation And for bibliophiles books can also be works of art physical objects with an aesthetic value all their own This guide for the book loving baseball fan is written by

one of the most knowledgeable collectors in the country author and editor Mike Shannon Beginning with a history of baseball books and collecting it also identifies the most sought after titles and explains how to find them what to pay and how to maintain their condition *Love Letters to Navigate the Grief Journey* Andrew Rienstra,2021-12-16 It was approaching noon and my wife and three other women in her photography club were due to return home after a morning of photography at a nearby alpaca ranch I was waiting anxiously because we had scheduled a golf match at our local country club after a quick lunch As I restlessly looked out the front window for her car I witnessed a state police vehicle pull into the driveway Two officers emerged and walked toward our front door I welcomed them and inquired as to the reason for their visit The young female officer asked if I had heard about an accident on Route 209 I replied that I had not She informed me that a large semitrailer truck had rear ended a car stopped at a traffic light She hesitated a moment and then added Your wife was a passenger in the back seat of the car and was killed Following the subsequent funeral that announcement continued to haunt me Grief became more pronounced each passing day In a conversation about my condition with a friend he made the comment that I try dealing with my grief by writing As we talked further I mentioned how much I missed talking with her how our conversations were always so alive and animated This prompted another recommendation Write her letters express to her your feelings of grief and more I liked that and this book is the result It consists of a series of letters to Mae whoever remains alive in my imagination It has helped bring my grief to the surface and provide necessary therapy I have determined to publish with the hope that in some way it may provide grief insight for others who have lost loved ones **The**
