Unitarian Controversy* James Mellis (Minister of Hude Chapel, Middleton-in-Teesdale.),1845      **Institution of a Christian Man** Gerald Bray,2018-06-28 Compiled during the early years of the Reformation *Institution of a Christian Man* lays out the principles of the nascent Church of England In his definitive new edition Gerald Bray charts the development of this text from the first version introduced by Archbishop Thomas Cranmer and his cohort of bishops to the extensive edits made by Henry VIII himself and finally to the version written by Bishop Edmund Bonner under the radically different circumstances of Mary I s reign By combining the Bishops Book and the King s Book into a single text rather than in sequence Bray shows which sections were added deleted and retained throughout the revisions This process allows the Reader to reconstruct the texts and at the same time follow the process by which one was transformed into the other Bishop Bonner s Book which appears separately illustrates additional changes and elaborations from the previous two books Such a comparative study in a user friendly and accessible style has never been published before Although written nearly 500 years ago much of what these books pronounce is still valid and can be addressed to contemporary use A thorough analysis of content also sheds light on a neglected phase of the Reformation and provides a unique insight into the theological development that characterised the earliest stages of the Church of England      **The Life & Legend of a Rebel Leader: Wat Tyler** Stephen Basdeo,2018-02-28 In 1381 England was on the brink the poor suffered the effects of war the Black Death and Poll Tax At this time the brave Wat Tyler arose to lead the commoners forming an army who set off to London to meet with King Richard II and present him with a list of grievances and demands for redress Tyler was treacherously struck down by the Lord Mayor His head hacked from his shoulders pierced on a spike and made a spectacle on London Bridge Yet he lived on through the succeeding centuries as a radical figure the hero of English Reformers Revolutionaries and Chartists *The Life and Legend of a Rebel Leader Wat Tyler* examines the eponymous hero s literary afterlives Unlike other medieval heroes such as King Arthur or King Alfred whose post medieval manifestations were supposed to inspire pride in the English past if Wat Tyler s name was invoked by the people the authorities had something to fear      **The Complete Works of Thomas Manton, D.D.** Thomas Manton,William G. of Gideon and the 300 overcomers the life of an individual overcomer like Caleb an overcomer at work like Joshua and then finally the church and the overcomers This book is a real instrument of revival in order to lead each saint to cooperate with the Holy Spirit to overcome the flesh and its desires overcome the world and its desires overcome the devil and his inspired desires     The Principles of Natural Government John Dykes,1839     **Hannah Arendt And The Jewish Question** Richard J.
