Single Mom, Carol Taylor, 2015-06-26. August 22, 2011, is the day my life took a huge turn. Here I am sitting in the medical office. I get a call to come in and see my doctor, and as I sit here, it dawns on me that I am the only one in the waiting room. This can't be good. I'm also holding in my hand a piece of paper that says my divorce is final, and it is stamped with today's date. This is quite a day. In sharing her story, Carol demonstrates how important it is to be surrounded with love, family, and friendship, and how seeing the rightness can be just as important in the healing process as any medication.

Surviving Mummy Veena Masud, 2012-05 In spite of Mummy The story of my family began six generations ago when my maternal great great grandmother left India in rather confused circumstances to end up as an indentured labourer in the West Indian Island of Trinidad Despite the challenges of being a single mother in a strange land she inspired her daughter Gainder through example and Gainder married an ambitious handsome young man New laws were made as slavery was abolished indentured labourers could now buy land and so Gainder and her husband prospered They bought large land holdings and had ten children to go with it Life in the late 1800s was happy and contented for the family as they melted into a multi religious and multi cultural society Gainder's five daughters married well to pliable husbands and her five boys were happy to live off their father's wealth Three generations later Gainder's granddaughter Little Sparrow married and began what was supposed to be a long and happy life with Victor a young man of means with two obsessions in his life his wife and cricket Three daughters later Little Sparrow died giving birth to a stillborn baby boy an event that had been predicted by a faqir thirty five years before Her daughter Carla my mother classy beautiful yet haughty and disdainful had a disastrous marriage to a wildly passionate man of humble means who loved her but could not leave his possessive mother They separated two weeks before my birth Mummy could not come to terms with her broken marriage and what people would say I became her punching bag and the reason for her lonely and miserable life I also had the terrible misfortune of being the spitting image of my father and no doubt destined to be a chip of the old block This book is a

reflection on the first eighteen years of my life It was initially inspired by a deep need to reflect and put issues to rest as I entered middle age Apart from being emotionally therapeutic writing this book was a wonderful experience in self discovery I indulged in the memories that were sometimes happy sometimes thoughtful and reflective and at times so very sad Children are judgmental yet the most forgiving of human beings and while they may naturally love their parents unconditionally children may not always like what they see **One Bubble off Plumb** Gary Sutton, 2006-09-07 Sex God politics and other trivia like science and business get skewered in this selection of Gary Suttons published rants But somehow this curmudgeon dotes on relatives One column helped a judge decide to overturn a jury verdict Another caused a CIA operative to show up on his doorstep Death threats and nasty letters to editors followed several pieces Whether in the NY Times or Math World The Wall Street Journal or the La Jolla Light Suttons thoughts always seem to provoke Funny Outrageous Never even close to conventional
