Once Removed Mako Yoshikawa, 2003-05-27 The Washington Post praised Mako Yoshikawa's extraordinary first novel One Hundred and One Ways as strikingly assured The Orlando Sentinel called it an impressive accomplishment In Once Removed Yoshikawa continues in the tradition of Alice Walker and Amy Tan with a powerful story of two women from different cultures who form a deep friendship that though severely tested can never be broken It has been many long years since Claudia last saw her Japanese American stepsister Once upon a time Claudia's Jewish father fell in love with Rei's Japanese mother and abandoned his family to be with her Though Claudia resented this new family her father so readily embraced from the moment she and Rei met the two girls formed a bond not even their parents understood Their long standing joke is that they are mirror reflections of each other though in truth they are striking opposites Claudia is blond and large boned Rei is dark haired and thin with distinct Asian features Now in their early thirties Claudia and Rei have found a way back into each other's troubled life As impulsively affectionate as ever Rei has come to Boston to recuperate from a potentially life threatening illness while the typically cautious Claudia has found herself replicating the behavior of her step mother by falling in love with a married man As they come together the two women realize they must strike a balance between the friendship they long to recover and the secrets they have learned to keep And they discover that despite the distance that has grown between them their bond is as strong as ever and could help them repair the other wounded relationships in their lives

material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees To these devotees who shared their treasured memories I wish to express my deep love and appreciation Some of them felt that no book could or should be written about a being with qualities as vast formless and subtle as Maharajji's and yet they contributed their stories nevertheless I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him I have not misused their trust Some devotees tell me that stories told by other devotees are not factually accurate I have no way of ascertaining the authenticity of any single story All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories Though the responsibility for this manuscript lies solely with me I am delighted to acknowledge a lot of loving help from my friends
