Divination is the fusion of three ancient divination systems Tarot Astrology and the I Ching or TAI These 3 systems have come together in one reading probably for the first time ever in the history of divination You don t have to be psychic to use TAI and TAI is easy to understand for beginners and in depth enough for experts TAI is not intended to compete with or replace existing forms of divination or Holy Scriptures of various religions They all originally come from the Divine that lives within a man to help advise and guide him in his life The author respects all the founders equally as God s messengers This brings to mind of a bowl full of small cards with quotes from the Bible a device which his Salvation Army parents used to ask questions via the ancient art of bibliomancy TAI was accidentally discovered February 11th 1981 and co incidentally published in 2015 the third year of the Aquarian age Pray that the Divine within speaking via TAI advises all equally kindly and wisely For more details you can visit [www.taidivination.com](http://www.taidivination.com)
