Thomas,2009-08-01 In recent years scholarly interest in love has

flourished Historians have addressed the rise of romantic love and marriage in Europe and the United States while anthropologists have explored the ways globalization has reshaped local ideas about those same topics Yet love in Africa has been peculiarly ignored resulting in a serious lack of understanding about this vital element of social life a glaring omission given the intense focus on sexuality in Africa in the wake of HIV AIDS Love in Africa seeks both to understand this failure to consider love and to begin to correct it In a substantive introduction and eight essays that examine a variety of countries and range in time from the 1930s to the present the contributors collectively argue for the importance of paying attention to the many different cultural and historical strands that constitute love in Africa Covering such diverse topics as the reception of Bollywood movies in 1950s Zanzibar the effects of a Mexican telenovela on young people s ideas about courtship in Niger the models of romance promoted by South African and Kenyan magazines and the complex relationship between love and money in Madagascar and South Africa Love in Africa is a vivid and compelling look at love s role in African society

Postmodern Love in the Contemporary Jewish Imagination Efraim Sicher,2022-03-17 Offering a radical critique of contemporary Israeli and diaspora fiction by major writers of the generation after Amos Oz and Philip Roth this book asks searching questions about identity formation in Jewish spaces in the twenty first century and posits global transnational identities instead of the bipolar Israel diaspora model The chapters put into conversation major authors such as Jonathan

Safran Foer Nicole Krauss Michael Chabon and Nathan Englander with their Israeli counterparts Zeruya Shalev Eshkol Nevo and Etgar Keret and shows that they share common themes and concerns Read through a postmodern lens their preoccupation with failed marriage and failed ideals brings to the fore the crises of home nation historical destiny and collective memory in contemporary secular Jewish culture At times provocative at others iconoclastic this innovative study must be read by anyone concerned with Jewish culture and identity today whether scholars students or the general reader The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

to looking after himself He's been on his own for years he's never had someone caring for him alone and he's never done Romance No he's all about fun friends sexy times and protecting his heart because no one else will Until he's joined by a sophisticated businessman just passing through who's not only hot and intriguing but also seems fascinated by Tom The escorts call their punters by nicknames but Mr Flash isn't remotely like Tom's usual clientele He's something much more special And there may even be a future in it for them both A SHORT STORY IN THE LOVE AT THE HAVEN SERIES This can be read as a standalone but follows the timeline of the series **Haven Holiday, Love at the Haven 7 Stella**

Shaw,2021-12-01 Sentimental discoveries and badly kept secrets Is it the perfect Christmas at the Haven Hotel It's the first Christmas at the Haven Hotel since Rick inherited it from his aunt and he's spent all year getting things back on track When he and Eliot find a box of Auntie's mementoes in the basement highlighting a very unconventional theatrical career he decides to hold a party to honour her But there are way too many obstacles preventing him getting his friends together in one place this close to Christmas Or so everyone keeps telling him Rick loves his partner Eliot and is very fond of his friends But a man's patience can only stretch so far The day of Auntie's birthday turns out to be a very confusing and distracting time for him and everyone except him seems to be in on it From covert meetings to secret recipes to mysteriously vanishing decorations and even through a very hot but surprising seduction Rick is led astray until the day is almost over And then his friends show another side of their meddling Auntie Pop had love and respect from many of the escorts at the Haven and it looks like her day will be fondly remembered after all And Rick and Eliot may have the chance at last to make their own special commitment that's if Rick ever forgives all the subterfuge this Christmas special is a self contained story but it features all the characters who live and work at the Haven so it may be more fun if you've read the previous books **Love**

Trauma, Memory, and Narrative in the Contemporary South African Novel, 2012-01-01 The contributions to this volume probe the complex relationship of trauma memory and narrative By looking at the South African situation through the lens of trauma they make clear how the psychic deformations and injuries left behind by racism and colonialism cannot be mended by material reparation or by simply reversing economic and political power structures Western trauma theories as developed by scholars such as Caruth van der Kolk Herman and others are insufficient for analysing the more complex situation in a postcolony such as South Africa This is because Western trauma concepts focus on the individual traumatized by a single identifiable event that causes PTSD Post Traumatic Stress Disorder What we need is an understanding of trauma that sees it not only as a result of an identifiable event but also as the consequence of an historical condition in the case of South Africa that of colonialism and more specifically of apartheid For most black and coloured South Africans the structural violence of apartheid's laws were the existential condition under which they had to exist The living conditions in the townships pass laws relocation and racial segregation affected great parts of the South African population and were responsible for the collective traumatization of several generations This trauma however is not an unclaimed and unclaimable experience Postcolonial thinkers who have been reflecting on the experience of violence and trauma in a colonial context writing from within a Fanonian tradition have on the contrary believed in the importance of reclaiming the past and of transcending mechanisms of victimization and resentment so typical of traumatized consciousnesses Narration and the novel have a decisive role to play here

Love in the Time of War Gordon Dykstra, 2025-04-09 In the middle of a deep depression two teenagers fell in love and against all odds planned a life together Just when the depression retreated somewhat and their plans could be realized they were swept aside by the dangers and cruelties of a world war The treacherous invasion of the Netherlands by the armed forces of Nazi Germany in 1945 wrecked their plans for a peaceful life Instead their plans were thrown asunder and their lives were taken up in the maelstrom of the resistance to Nazi rule In spite of hopeless times the young couple persevered They married and started a family in the bleakest of times They resisted a dominant autocratic occupation They suffered the loss of two brothers at the hands of treacherous fellow countrymen who did the bidding of the Nazi occupiers Yet the young couple s

devotion to their faith to each other and to their fellow countrymen triumphed over five years of evil
