## Love In Good Time A Memoir:

*Memoirs of Love* Aaron Charpentier, 2009-11 Western societies are beset by what some call stress others name angst The pace of life the rapidity of change the lack of time to rest relax and find inner peace have most of us ill at ease with ourselves Common symptoms are tension substance abuse anxiety depression psychosomatic illness all topped off by an over riding lack of purpose The authors address all of the most common psychological problems in down to earth language They encourage the reader to self diagnose not only the symptoms causing discomfort but to dig up the underlying causes of psychological distress Included in this brief and concise book are chapters covering specific disorders diagnosis who can offer help and a long list of simple universally available self help aids to better mental health *Love in Good Time* Claire Robson, 2003 The world of the Robson family is a complicated mixture of suffocation and strength and Claire s parents lives are as small and safe as they can make them A mother who wants her daughter to fulfill her own dreams and a daughter who wants to be everything her mother is not both may love each other but neither understands the other Claire Robson escapes her village and her family through a scholarship to university where she easily becomes a hippie marries the son of a family far wealthier than her own and plunges headlong into domesticity But before long she leaves her husband and rides her motorcycle straight into the lesbian community to become first a squatter then a school principal This memoir reads like a novel and is by turns laugh out loud funny and heartbreakingly poignant It is a coming out story that tackles the trade offs some gay people make after they leave the closet and choose acceptance instead of activism work instead of sex success instead of happiness and silence instead of truth While this may not seem to be everyone s story the author s courage honesty warmth and humor make it an unquestionably universal one Finding Love and Life David H.
