Love In The Time Of War A Remembering:

Love in the Time of War Gordon Dykstra, 2025-04-09 In the middle of a deep depression two teenagers fell in love and against all odds planned a life together Just when the depression retreated somewhat and their plans could be realized they were swept aside by the dangers and cruelties of a world war The treacherous invasion of the Netherlands by the armed forces of Nazi Germany in 1945 wrecked their plans for a peaceful life Instead their plans were thrown asunder and their lives were taken up in the maelstrom of the resistance to Nazi rule In spite of hopeless times the young couple persevered They married and started a family in the bleakest of times They resisted a dominant autocratic occupation They suffered the loss of two brothers at the hands of treacherous fellow countrymen who did the bidding of the Nazi occupiers Yet the young couple's devotion to their faith to each other and to their fellow countrymen triumphed over five years of evil **Love in the Time of War** Harriette S. Sherman, 2000 Consists mainly of correspondence between husband and wife L and H Sherman with some correspondence between friends and family and editorial comment discussing hardships and happiness during the war years *Love in a Time of War* Lara Marlowe, 2021-10-28 The Irish Times bestseller A gripping tale of savagery and courage Noam Chomsky Fascinating and captivating Irish Times A beautiful book Full of pain and longing but also joy adventure and excitement Janine di Giovanni A superb account of the life and work of the best reporter I have ever known Patrick Cockburn When Lara Marlowe met Robert Fisk in 1983 in Damascus he was already a famous war correspondent She was a young American reporter who would become a renowned journalist in her own right For the next twenty years they were lovers husband and wife and friends occasionally angry and estranged from one another but ultimately reconciled They learned from each other and from the people in the ruined world they reported from Lebanon torn apart by a vicious civil war as well as Israeli and Syrian occupations Iran where they were the only journalists to interview the Middle East's chief hostage taker and dispatcher of suicide bombers the Islamist revolt that claimed up to 200 000 lives in Algeria the disintegration of former Yugoslavia and two US led wars on Iraq This is at once a portrait of a remarkable man the story of a Middle East broken by its own divisions and outside powers and a moving account of a relationship in dark times *THE SAN FRANCISCO: A Love Story in a Time of War* Florence Gold, 2012-12-01 It was a time of war But it was also a time of exploration and excitement especially in San Francisco always one of the most romantic cities in the world Young couples separated by circumstances beyond their control relied upon V mail instead of E mail to communicate their passions Instead of Hip Hop there was the Hop House There and the USO were the places to go to dance flirt and maybe find a special sweetheart This universal love story by Florence Gold speaks of sweetness and sorrow alienation and forgiveness in a more innocent but no less perilous time in our world history **LOVE IN WAR TIME** PEDRO ARTURO ROJAS ARENAS, 2023-07-14 Here is a reading of the Colombian and South American reality with its clashes over the application of methods and practices based on essentially materialist ideologies which occurred in the 50s 60s and 70s with the author

Pedro Arturo Arenas experiencing many of the social challenges concepts and spirituality of that time Love in times of war offers a panoramic photograph of the transformations that took place in Latin America especially from the end of the 1950s onwards a period of great social changes and full of illusions many of which ended up dragging entire populations into especially youth to embark on a quest for collective justice but which in the end led to immense frustrations and tragic results in some countries The unrestricted exercise of doctrines and dogmas both on the left and on the right finally produced an increase in social and economic disparities evident in many parts stimulating and intensifying class struggles such as the emergence of resistance movements peasant and working class urban guerrillas and other forms of violence without achieving their goals Without adequately responding to the aspirations of collective justice such ideologies deepened the abyss between poverty and wealth producing even more greater apathy hopelessness and disillusionment in the hearts of the impoverished and anguished masses in countless parts of the planet The search for a more just social order continued to lead Pedro Arenas through tortuous paths and intellectual clashes until after a long and arduous journey he found himself disenchanted with the political practice of members of supposed socialist organizations realizing then the limitations of ethical and spiritual nature of the cited movements especially in the daily interrelationships of the members of these organizations that in turn ignored or despised the evident religiosity of the Colombian peasants With the new possibilities a new world opened before his eyes when he reunited with his old friend Gabriel Branco through whom he learned about the Bah teachings Upon investigating the subject more deeply he was led to conclude that such teachings constituted an incomparable social and spiritual project of a magnitude never before imagined Leaving behind his past as a union and political activist Pedro Arturo was now seeking new horizons of understanding reaching the conclusion that social and political transformations are incomplete unless they advance concomitantly with a deep spiritual transformation and that the way to establish a new order in human affairs requires the use of new means and methods From those new teachings emerged the understanding that conflict resolution can take place through methods of consultation and dialogue that humanity cannot continue to be sacrificed for the maintenance of certain outdated postulates that the sole purpose of legal norms as well as political and economic theories is the protection of the common interests of all peoples that love for the homeland although legitimate needs to give way to a broader loyalty that is to love for humanity as a whole and as a consequence for the concept of world citizenship That all kinds of prejudices need to be abandoned that new institutions need to be erected that the recognition of ethnic climatic historical idiomatic and traditional diversity thoughts and customs can help to promote a broader loyalty a greater aspiration that contemplates the uniqueness of humanity that the maintenance of order can be sustained by a single code of international law by an Executive and a Parliament and a World Supreme Court that the Cause of Peace can be achieved through a binding treaty with inviolable and clearly defined clauses fruit of a broad global consensus Inspired by these principles and a clear vision Pedro Arenas rose to promote these

teachings traveling and supporting local Bah activities and institutions in Colombia where he learned about the exciting experience and fieldwork of the Rural University FUNDAEC and the Ruh Institute Served as a Bah pioneer in El Salvador Central America during a period of great uncertainty and conflict between the army and the FFLN collaborated in activities to promote the Institute of Bah training in indigenous areas on the borders of Brazil Colombia and Peru as well as dedicated a brief period of his life in the archipelago of Cape Verde on the African coast and later now back to Brazil in the region of Northeast where he established himself as a Bah pioneer working as a professor linked to the Rio Grande do Norte State University Finally Pedro Arturo dedicates the last chapters and some accompanying texts to remembering relatives and friends both from the oldest and most recent times dedicating to them lines of recognition affection and high esteem all as a reflection and demonstration of his love and ample thanks to the Beloved of his heart Bah u ll h for guiding him and enabling him to reach a height of achievement and joy The whole story is told with the enthusiasm of one who was an active protagonist and is testimony to the personal transformations experienced by the author under the influence of Bah u ll h s Revelation This young Colombian seeker like many others of his age and generation was galvanized by the overwhelming strength and foresight of the Bah teachings and still continues untiring in his efforts in the challenging task of contributing each in a humble way and according to his abilities in the construction of that new order advocated by Bah u ll h

War and Memory at the Time of the Fifth Crusade Megan Cassidy-Welch, 2019-07-01 In this book Megan Cassidy Welch challenges the notion that using memories of war to articulate and communicate collective identity is exclusively a modern phenomenon *War and Memory at the Time of the Fifth Crusade* explores how and why remembering war came to be culturally meaningful during the early thirteenth century By the 1200s discourses of crusading were deeply steeped in the language of memory crusaders understood themselves to be acting in remembrance of Christ s sacrifice and following in the footsteps of their ancestors At the same time the foundational narratives of the First Crusade began to be transformed by vernacular histories and the advent of crusading romance Examining how the Fifth Crusade was remembered and commemorated during its triumphs and immediately after its disastrous conclusion Cassidy Welch brings a nuanced perspective to the prevailing historiography on war memory showing that remembering war was significant and meaningful centuries before the advent of the nation state This thoughtful and novel study of the Fifth Crusade shows it to be a key moment in the history of remembering war and provides new insights into medieval communication It will be invaluable reading for scholars interested in the Fifth Crusade medieval war memory and the use of war memory

Time, Love, Memory Jonathan Weiner, 2014-05-14

The story of Nobel Prize winning discoveries regarding the molecular mechanisms controlling the body's circadian rhythm. How much of our fate is decided before we are born? Which of our characteristics is inscribed in our DNA? Weiner brings us into Benzer's Fly Rooms at the California Institute of Technology where Benzer and his associates are in the process of finding answers, often astonishing ones, to these questions. Part biography, part thrilling scientific detective story, *Time Love Memory* forcefully demonstrates how Benzer's studies are changing our world view and even our lives. Jonathan Weiner, winner of the Pulitzer Prize for *The Beak of the Finch*, brings his brilliant reporting skills to the story of Seymour Benzer, the Brooklyn-born maverick scientist whose study of genetics and experiments with fruit fly genes has helped revolutionize our knowledge of the connections between DNA and behavior, both animal and human.
