Love Is Coming Back:

Keep Coming Back To Love Christa Maurice, 2016-11-08 A love song in the making He was her high school sweetheart the man Candy once dreamed of sharing her life with But Ty was also a rock star on the rise with a flock of pretty groupies lining up to share his bed So what makes Ty think that now that he s ready to settle down Candy will be his one and only These days the single mom is older and wiser Still Candy can t help but feel a stir of something at his hot pursuit Ty knows he s got a lot to prove when it comes to winning Candy back But his rambling rocker lifestyle has also shown him that she s a woman worth fighting for No one has ever come close to captivating him the way she did from the first day they met a sweet faced young beauty who brought out his every protective instinct That s why when Candy s family is in crisis he s willing to risk everything for the woman he s never stopped loving *The "Vass" Continent of Africa: a Love Story* Elizabeth "Lilibet" Vass Wilkerson, 2023-03-01 This book is the story of the lives of Winifred Kellersberger Vass and Lachlan Cumming Vass how they met fell in love and became missionaries in the Belgian Congo as told in letters they wrote to their friends family and supporting churches back in the United States There are many exciting adventures and Winnie Vass is a story teller par excellence From heartbreak to thrills you will find it all in this book **His Secret Love** Ava Ryan, 2021-10-04 Best one night stand of my life Plot twist she s our new nanny Commitments No thanks And after my painful divorce I m also done with secrets and lies The occasional hookup is more my speed as a new billionaire busy doctor and single dad But there s something about Skye That s why I swiped right on her profile That s why we enjoyed sizzling chemistry and an unforgettable one night stand I meant it to be a one time thing I never anticipated this growing obsession with her I certainly never expected my ex to hire her as our new nanny Now my life is full of messy secrets And the relentless desire to get feisty Skye back in my bed Don t miss the final standalone in Ava Ryan s sexy contemporary romance series Manhattan Billionaires

What if we loved ourselves more than we could imagine We are told to love ourselves but we don't know how or even why What if we learned actual techniques that helped us love ourselves and align our energy with our Higher Self and the Universe for a more joyous life It's possible and it just takes willingness and practice When we learn and use real tools we are better able to surf the waves of life and meet life with grace When we learn how we are resisting loving ourselves and learn how to allow the love we are to flow through us we utilize the buoyant loving energy of the Universe to flow more smoothly and joyously through life Everything is energy including us When our energy is in balance and flows smoothly we feel harmonious peaceful and aligned with our true nature our Higher Self part of the Universe This is our natural state Daily life often seems to interrupt our connection with our true state of being By working with our energy and metaphysical principles we can remember who we really are we realign with our true self which is pure Love and experience the ease peace and joy that results Metaphysics is about using the energy we are beyond our body in a practical way while we are in this body By understanding that we are both human and Divine and having compassion for how challenging it is to live in this world we begin to understand Love the most powerful force in the Universe This is not mysterious this is very real and very available to each of us The keys to healing are Love and Willingness The keys are yours for the taking
