

A romantic couple is shown in a close embrace on a wooden pier. The woman, with blonde hair, is wearing a white dress and high heels. The man, with dark hair and a beard, is wearing a dark suit and white sneakers. They are looking at each other with affection. The background features a calm blue ocean and a soft, hazy sky.

No matter how much  
time I spend with you,  
I can never ever  
get enough of you.  
Your love is forever  
mine and I need you  
everyday.

**Why Enough Is Never Enough** Gregory Jeffrey,2010-10-22 Making Peace with God and Money This is not a book about how to make money or spend it or give it away Rather it s a book for anyone who has ever worried about money about having enough and it begins with a startling assumption No amount of money will ever lift your anxiety This may seem counterintuitive but in Gregory Jeffrey we have an experienced guide With degrees in business and theology he has worked as a development consultant for two decades In meeting with thousands of individuals to ask their support for various causes he discovered to his amazement that some people with millions worried constantly about money others of very modest means seemed immune Apparently making peace with money entails something other than money This insight led Jeffrey to question every fundamental assumption we hold about wealth With warmth humor and a writing style as simple as the Dakota prairie he grew up on he offers a unique perspective on the interplay between our spiritual and financial lives Rich with images stories and compassion for the millions now burdened with financial worries Jeffrey teases out what is required of the soul who wishes to be free of anxiety Practical and timely this book will challenge you to grow in wisdom trust frugality and generosity Scott Hahn best selling author speaker and Scripture scholar In striving for holiness conversion is needed in all parts of our lives Jeffrey goes to that place rarely examined the intersection where wealth and God meet and often come into conflict As a remedy and balm he shares with visual examples and heartwarming stories a sobering insight to be at peace with money you must first be at peace with God The Most Reverend Samuel J Aquila Bishop of Fargo

**Love is Never Enough** Aaron T. Beck,1989 **One Coin is Never Enough** Michael S. Shutter,2011-09-15 One Coin is Never Enough presents an upbeat friendly analysis that is a celebration of the collector Emphasis is placed on the venerable skills that collectors need to cultivate to get started Michael S Shutter Jr Ph D introduces the idea that coins are transformed into something special when numismatists choose to collect them In this way the collector is placed front and center Michael uses the term marvelous to capture the allure that coins have for sharing secrets about the past but here again he gives coin collectors all the credit for telling their stories This is a unique approach in numismatic writing as more often than not the coins are given precedence After reading this book you will realize that it is the other way around What better way is there to get started or re invigorated with collecting coins Improve Your Marriage By Improving Your Focus Dr. Mark Avery Reed, Dr Mark Avery Reed s book Improve Your Marriage By Improving Your Focus shows that God s intent is for our marriage to

be happy and mutually enriching as we start emphasizing what we are receiving from our spouse and learn to increase simple marriage building behaviors As we improve our ability to see ourselves our spouse and our marriage as the Lord does we focus less on problems and express greater gratitude to each other We become happier In *Improve Your Marriage By Improving Your Focus* we learn that a healthy happy marriage requires two people who have decent mental health Hence chapter 1 explains the key characteristics of mental and spiritual health Sadly this topic is seldom addressed at length in books on how to have a good marriage Dr Reed offers many surprising and very helpful insights on such matters as appropriate self disclosure romance intimacy proper expectations physical affection sex and the real nature of both agape and erotic love The seldom mentioned but important subject of how to hear from God for our marriage is also discussed with practical ideas which can be applied to any area of our life Other topic areas with valuable input include how to listen effectively dealing with conflict without emphasizing our problems building hope and optimism for our marriage strengthening commitment and how to focus on what is positive *Improve Your Marriage By Improving Your Focus* also points out Forty ways we can improve our self image since someone with a poor self image will find ways to avoid deep intimacy lest they be rejected Fifty five Bible verses which indicate we should focus on what is positive The biblical difference between justified and unjustified complaining and how unjustified griping greatly harms our marriage This book provides practical help by which most any two people with decent mental health can move their marriage from unsatisfying to at least satisfying or from good to even better

***When Enough Is***

**Never Enough** Oliver Ross JD PhD, 2025-05-14 in an era of unprecedented abundance where many of us have far more than the essentials of food shelter and social connection dissatisfaction remains pervasive We find ourselves restless disgruntled even chronically disheartened as if no amount of material or relational comfort can soothe the unease within Why is this the case In *When Enough is Never Enough* author Dr Oliver Ross examines why we frequently suffer from our own habitual more better different thinking which fixates on the past or future It explains how this mindset traps us in a cycle of dissatisfaction as we constantly yearn for something beyond what we currently have whether it s material possessions personal achievements or other things This relentless pursuit for external fulfillment leads to rumination about missed opportunities in the past and anxieties about future uncertainties creating a persistent sense of inadequacy and incompleteness Ross introduces a practical mindfulness method designed to cultivate contentment rather than self inflicted suffering through present moment awareness By practicing mindfulness we learn to disengage from the habitual preoccupation with the past or future and instead focus on the here and now This shift allows us to recognize that peace of mind and contentment are not distant or elusive goals but are available in the present moment
