Love Is The Best Teacher:

Love Is the Best Teacher Joan Walsh Anglund, 2004-03 In this inspirational gift book readers discover that the purpose of education is to light the lamp of understanding within the darkness that is ignorance Learn of Me; Or Words of Truth and Love from the Best Teacher, 1874 *Love Teaching, Keep Teaching* Peter Radford, 2020-11-27 A practical guide to staying well in a high pressure profession In the midst of a recruitment crisis and a massive exodus of teachers from our schools now is the time for some joined up thinking about teacher well being and mental health Filled with insightful advice and practical strategies Peter Radford's *Love Teaching Keep Teaching* invites educators to think differently about the way education is done and shows them how they can keep doing the job they love without sacrificing their health and well being Furthermore he paints a picture of a truly healthy school as being one in which the value of each staff member and student is fundamental to everything they do and shapes the way they do it Peter also offers a fresh perspective on school leadership encouraging leaders to rethink common practices and to explore the rewards and benefits of employing a people focused approach both in the staffroom and across the school Suitable for teachers and school leaders in both primary and secondary settings **For the Love of Teaching** Alice Ginsberg, Marybeth Gasman, Andrés Castro Samayoa, 2023 For the Love of Teaching features case studies of Minority Serving Institutions that are intentionally preparing culturally proficient teachers who are skilled and experienced with diverse groups of students It offers valuable lessons and innovative approaches from four colleges with programs that attract and serve non White teacher candidates *My Teacher's Name is Love* Victor Marsh, 2022-11-01 A collection of poems examining love self devotion and opening to a wider cosmos Whimsical meditative rapturous these poems are a contemporary expression of spirit there wobbling on the wire of my neighbour's rooftop aerial backlit against the early summer sky this young magpie riffs delirious with the possibilities of joy Victor Marsh is the author of *Mr Isherwood Changes Trains* Christopher Isherwood and the *Search for the Home Self* the memoir *The Boy in the Yellow Dress* and *Speak Now* Australian Perspectives on Same Sex Marriage editor *This Much I Know About Love Over Fear ...* John Tomsett, 2015-06-15 *This Much I Know about Love Over Fear* is a compelling account of leading a values driven school where people matter above all else Weaving autobiography with an account of his experience of headship John Tomsett explains how in an increasingly pressurised education system he creates the conditions in which staff and students can thrive Too many of our state schools have become scared soulless places John Tomsett draws on his extensive experience and knowledge and calls for all those involved in education to find the courage to develop a leadership wisdom which emphasises love over fear Creating a truly great school takes patience Ultimately truly great schools don't suddenly exist You grow great teachers first who in turn grow a truly great school There is a huge fork in the road for head teachers one route leads to executive headship across a number of schools and the other takes head teachers back into the classroom to be the head teacher John strongly believes that if the head teacher is not teaching or engaged in helping others to improve their teaching

in their school then they are missing the point The only thing head teachers need obsess themselves with is improving the quality of teaching both their colleagues and their own This Much I Know about Love Over Fear is an authentic personal narrative of teaching leadership and discovering what really matters It gets to the heart of what is valuable in education and offers advice for those working in schools **Teaching, the Hardest Job You'll Ever Love** Steve Sonntag,2010-08-16

Teaching Is The Hardest Job You Will Ever Love is a realistic guide that can help the high school teacher and community It includes ways to maintain one s health how to balance one s personal and school life and how to interact in a better successful manner In order to become successful it is important for high school teachers to include personal fulfillment so that students will ultimately learn not only the subject matter but also how to be self sufficient be self accountable and learn with others While students need to learn how to accept their learning and their grades parents or guardians also need to be able to be a support system for their young adults with encouragement when needed and with praise when earned **The**

Ohio Educational Monthly and the National Teacher ,1890 *Love as Pedagogy* Tim Loreman,2011-10-25 Love is a necessary ingredient of effective pedagogy yet to this point there has been a distinct lack of serious theoretical and practical work on the topic What does it really mean to adopt a loving approach to pedagogy This book provides a pragmatic and thoughtful treatment of the topic of love as pedagogy examining the use and role of love in teaching and learning and providing suggestions on how educators can effectively recognise and use love in their work This text begins with a discussion of what love is what pedagogy is and how the two are inseparable in an effective educational context It then moves on to address ethical considerations Drawing on discourse on love found in psychology philosophy and religion the text examines various aspects of love and their relationship to effective teaching and learning including kindness and empathy intimacy and bonding sacrifice and forgiveness and acceptance and community This book concludes with a photographic case study of loving pedagogy in action and practical suggestions for educators wishing to adopt the approach This text is suitable for educators at all levels especially those in early childhood elementary and secondary school settings along with students in education and related programs at universities and colleges Tim Loreman PhD is Professor in the Faculty of Education at Concordia University College of Alberta Canada **Politics, Faith, Love** Judge Bill

For the Love of Teachers Todd Whitaker,2013-05-07 For the Love of Teachers is a tribute to those who possess the remarkable ability to exercise patience and understanding and to offer guidance along an unfamiliar path The influence these dedicated teachers have is reflected in many of the goals their students set and achieve every day whether learning to tie

their shoes memorizing multiplication tables or excelling on the SATs all basic steps which are vital to their growth and self esteem For this reason among many others the importance of these positive role models in our children s lives as well as our own can t be stressed enough For the Love of Teachers is the ideal way to express the admiration and appreciation we share for them The reasons why someone chooses to teach isn t always clear but what many teachers have in common is the desire to make a difference in the lives of others a task that can be bittersweet For the Love of Teachers is filled with inspiring stories that do just that Some are warm humorous and heartfelt while others illustrate difficult or unexpected situations with the lessons learned along the way Readers will identify with many of the students who recall that special teacher who challenged them to find their hidden talent motivated them to push a little harder or to simply surpass their own expectations For the Love of Teachers is a special way of saying thanks to all the teachers who ve sacrificed their time to better the lives of others Teaching, Learning, and Loving Daniel Patrick Liston,James W.
