Love Is The Healer:

Healer's Love David Hochhalter, 2022-04-21 Avalon is at war with itself When Shakespeare wrote Whether tis nobler in the mind to suffer the slings and arrows of outrageous fortune or to take arms against a sea of troubles and by opposing end them He probably had a drawing of me as his muse I opened my mouth at the absolute wrong time and declared I was High Lady Petra Abara of Gawain Did I mean it Absolutely But words have power so no take backs especially since a reporter present Instead of spells and bullets this war is being fought in the streets with words If I am elevated two of the top three nobles in Avalon would be a woman The conservative faction in Chambers would like to plant me six feet under or failing that drop me into a ravine Since they can't do either they are trying to dig up as much dirt as they can about me then shout it in the streets No I don't dig up bodies in the middle of the night to experiment on them But yes I do experiment on dead bodies That's how healers learn But what is truth can wander through the grey and some people will believe what they want Balancing my life is becoming increasingly hard But at least I don't have a mad necromancer trying to hunt me down anymore Right The Petra books need to be read in the following order Book 1 Healer's Awakening Book 2 Healer's Journey Book 3 Healer's Love
