said than done By night a vivid recurring nightmare of a horrific train wreck and a mortally injured woman in the wreckage who hauntingly repeats the phrase Peter it s time has plagued his sleep for weeks Yet even after an unnerving encounter with an ancient white maned Shaman he remains stubbornly convinced that these and other strange happenings are merely stress related But something he hears during his run in with the Shaman compels him to research a certain upstate New York town and for his effort is seemingly rewarded with what appears to be the thesis topic he s been looking for However revelations surrounding the inspiration for his research lead him to Binghamton NY where sudden unprecedented violence has brought the city to its knees His journey exposes the true purpose of his nightmare reveals the identity of the woman in the wreckage and explains the nature of events which will likely destroy the city if left unchecked But success is far less certain than the consequences should he fail to reveal a 19th century curse to its 21st century victims *The Curse At the Confluence* is proud to be the first novel of its kind to be set primarily in the Binghamton New York area *The Publishers' Circular and Booksellers' Record* ,1923 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1914 *Billboard* ,2001-09-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
