Luis De Leon Names Of Christ:

The Names of Christ Luis de León, 1926 **The Names of Christ** Luis de León, 1984 Whatever it was you expected when you heard about the new Classics of Western Spirituality TM series from Paulist Press forget it The real thing is better The Crux of Prayer Luis de Le n The Names of Christ translated and introduced by Manuel Duran and William Kluback preface by J Ferrater Mora As Christ is a source or rather is an ocean which holds in itself all that is sweet and meaningful that belongs to man in the same way the study of his person the revelation of the treasure is the most meaningful and dearest of all knowledge Luis de Le n 1527 1591 The Names of Christ is a masterpiece of the Golden Age of Spain Written in the style of a pastoral novel the work is a meditation on the philosophical and theological significance of the names of Christ Based on a careful examination of ten names given Christ in the Scriptures the book reflects elements of Augustinian Jewish and Islamic spirituality that were part of sixteenth century Spain Luis de Le n was born in 1527 in Belmonte a small village in the Castile region of Spain An Augustinian friar a brilliant professor an artful poet he was a true Renaissance man whose vision of the fullness of Christ sustained him in the face of persecution at the hands of the Inquisition and infused his writing with a sensitivity that has made The Names of Christ a treasure of Spanish literature and a classic of Catholic mysticism *Luis de Leon's The Names of Christ* Silvia Leticia Calçada, 1982 *Luis de Leon* Manuel Durán, **Tetragrammaton: Western Christians and the Hebrew Name of God** Robert J. Wilkinson, 2015-02-04 The Christian Reception of the Hebrew name of God has not previously been described in such detail and over such an extended period This work places that varied reception within the context of early Jewish and Christian texts Patristic Studies Jewish Christian relationships Mediaeval thought the Renaissance and Reformation the History of Printing and the development of Christian Hebraism The contribution of notions of the Tetragrammaton to orthodox doctrines and debates is exposed as is the contribution its study made to non orthodox imaginative constructs and theologies Gnostic Kabbalistic Hermetic and magical texts are given equally detailed consideration There emerge from this sustained and detailed examination several recurring themes concerning the difficulty of naming God his being and his providence Revelation in the Vernacular Jean-Pierre Ruiz, 2023-12-05 Association of Catholic Publishers 2022 Excellence in Publishing Awards First Place Theology Catholic Media Association Honorable Mention in Theology Morality Ethics Christology Mariology and Redemption Unveiling divine mysteries across continents and centuries Revelation in the Vernacular retrieves a hermeneutics of the vernacular that is rooted en lo cotidiano in everyday life and experience Traversing time and geography Ruiz remaps a theology of revelation done latinamente beginning with sixteenth century encounters of Spanish colonizers with Indigenous peoples in the Caribbean Drawing on the theology of the Incarnation articulated by Fray Luis de Le n 1527 91 he offers rich resources for interreligious engagement by believers in today s religiously diverse world Through an analysis of the documents of the 2019 Amazonian Synod including Querida Amazonia the Postsynodal Exhortation by Pope Francis he explores a culture of

encounter and dialogue that has been a hallmark of this pontificate From the inscriptions in the caves of la Isla de Mona through the writings of the Latin American Bishops CELAM this book establishes a solid basis on which to discern the Seeds of the Word in our times *Studies of the Spanish Mystics* Edgar Allison Peers,1927 *History of Spanish Literature* George Ticknor,1866 **Alone Before God** Pamela Voekel,2002-08-30 Posits an underlying religious impetus for modernity in Mexico claiming that the Catholic Church nursed a reform movement that ultimately effected many of the same changes as the Protestant Reformation **The Mystics of Spain** E. Allison Peers,2021-11-29 Originally published in 1951 this volume gives a general survey of the Golden Age of Spanish mysticism following this with translations of extracts from 15 leading authors in this field The selections from each author are preceded by details of editions and studies thereby making this not only an authoritative study on the treasures of Spanish mysticism but also a valuable anthology and starting point for further reading *Law and Apocalypse: The Moral Thought of Luis De León (1527?-1591)* Karl A. Kottman,2012-12-06 This book has two purposes The first is clearly historical the second is more philosophical and interpretive Its success in the former will be less arguable than its attainment of the latter The contribution to the history of Spanish letters consists in critically establishing the fact that the sources of Fray Luis de Le6n s moral and spiritual thought are Hebraic and that he can be seen to stand as one in a long line of Christian Hebraists both scholastic and humanist His philosophical views are cast in an Hebraic tradition not in an Hellenic one as supposed by nearly every other commentator I have stressed the presence of a living Hebrew culture in Spain after 1492 and I have suggested that this and the Jewish parentage of Fray Luis are very significant I have also identified an intellectual debt Fray Luis owed to non Jewish Orientalists such as Egidio da Viterbo and Girolamo Seripando But even they learned from exiled Spaniards I want to present Fray Luis as a most characteristic thinker in the world of Baroque Spain I think most will agree with the picture I have outlined The more audacious aspect is my wish to show the importance of the Jewish heritage as found in the literary and philosophical production of this remarkable genius It is of course my contention that today know ledge about Fray Luis and what he stood for is extraordinarily important
 The Quest ,1926 Luis de León Manuel Durán,1971 *Who Am I, Lord? Finding Your Identity in Christ* Joe Heschmeyer,2020-03-06 The question Who am I is on the minds and hearts of people of all ages And for good reason The answer is important Who we are or who we think we are drives our actions and shapes our relationships While we are asking the right questions about identity the world is busy feeding us the wrong answers We are our political party job title sexual orientation race ethnicity and the list goes on But until we know why we were created by whom and for what purpose we can never be truly satisfied In *Who Am I Lord* author and speaker Joe Heschmeyer tackles the question of identity by asking two even more important questions Who is Jesus Who does he say you are Only when we understand who Christ really is can he show us who we are Our identity in Christ opens us to the promises he has made us and leads us to the freedom to be who we were created to be *Who Am I Lord* will answer the question of your identity in a way that will transform your life Click here to

casada Luis de León,1999 Leon 1528 91 is known today mostly as a master poet of Spain s Golden Age but in his own day he was regarded primarily as an academic and his poems were little regarded by him and little known by others Here he describes and prescribes marriage in the purely Christian context of the period and suggests how women can live out their narrowly defined roles within it Many of his views would be patriarchal and anti feminist in today s society The facing pages of Spanish and English text are double spaced No index is provided Annotation copyrighted by Book News Inc Portland OR

Uttering the Word Armando Maggi,1998-09-17 Employing contemporary theoretical perspectives *Uttering the Word* provides the first detailed analysis of the language and thought of Maria Maddalena de Pazzi 1566 1607 an important but neglected Renaissance mystic Borrowing from Lacan de Certeau and Deleuze Maggi analyzes de Pazzi s unique mystical discourse and studies how the Florentine visionary interprets the relationship between orality and writing authorship and audience sexual identity and language Spanish Mystics Marguerite Tollemache,1886 **Fray Luis de León** James Fitzmaurice-Kelly,1921 *Queen Christina of Sweden and her Circle* Susanna Åkerman,1991-07-01 The life and works of Queen Christina of Sweden 1626 1689 have often been obscured behind a haze of lurid myths and legends This book looks again at her notorious abdication of 1654 seeing it against the background of her reputation as a libertine a heterodox religious thinker Her subsequent conversion to Catholicism is therefore understood as a consequence of messianic and millenarian expectations during those turbulent years and her bizarre attempt in 1657 to become the ruler of Naples is revealed to be the political wing of a comprehensive religious and intellectual philosophy The Dublin Review ,1927
