OMG Mary Ellen Ashcroft,2018-12-18 The plot thickens in novels and our lives forcing us from the fairy tale into a bewildering even heartbreaking narrative We look at the god we re holding and find it too fragile too brittle to meet reality Cling tighter Move on godless In fact rejecting a god image or as C S Lewis puts it allowing God to smash our limited god opens space for deeper faith in the midst of painful life experience In OMG Mary Ellen Ashcroft invites readers to look over her shoulder as she traces her god growth beginning with a capricious childhood god The loving savior who embraced her when she was eighteen followed her into strict fundamentalism while the god she met in an Anglican seminary shocked her by caring more about poverty than a seven day creation but then called her to a South Africa tipping toward revolution An interweaving of narrative theology and creative nonfiction OMG invites readers to grow into deeper faith retelling their stories in the light of the biblical one dropping inadequate gods to grasp a mysterious awesome one
